A: ...like I told you before, we just don't have the resources to hire you an assistant.

B: I understand that, but the fact is we're understaffed.

A: The timing is just not right. The economy is bad, and it's too risky to take on new staff.

B: Yeah, I guess you're right.... here's an idea, what if we hire an intern? She would take some of the weight off my shoulders.

A: She?

B: Yeah, you know, a recent graduate. She could give me a hand with some of these projects and we could keep our costs down.

A: That sounds reasonable... let me see what I can do.

B: OK, great! Let's meet her!

C: Hi, I'm Adam.

B: Oh... hi... I'm Tony...

B: Yeah, but just relax honey, we're here and we're going on vacation. In a few hours we'll be in Hawaii, and you'll be on the golf course.

A: Oh no! Look at that line! It must be a mile long! There's no way I'm waiting for another two hours.

C: Alright...that's it...

Elementary - The Weekend - Road Trip (C0006)

A: So, are we all ready to go?

A: Did you get the camera?

B: Got it! Did you fill up the tank?

A: Yup, it's all set.

B: You're sure we're not forgetting anything?

Elementary - The Office - Virus! (C0007)

A: Oh great! This stupid computer froze again! That's the third time today! Hey Samuel, can you come take a look at my PC? Its acting up again. It must have a virus or something.

B: Just give me a second; Ill be right up.

B: I ran a virus scan on your computer, and it turns out that you have a lot of infected files!

A: But Im quite careful when Im browsing the internet, I have no idea how I could have picked up a virus.

B: Well, you have to make sure that your anti-virus software is updated regularly; yours wasn't up to date, that's probably what was causing your problems.

A: Ok. Anything else?

B: Yeah, try not to kick or hit the computer!

A: Um yeah& Sorry about that.

Elementary - Daily Life - What's your name again? (C0008)

A: Nick! How's it going?

you live around here?

B: Actually, my office is right around the corner.

A: It was great to meet you last week at the conference. I really enjoyed our conversation about foreign investment.

B: Yeah, yeah, it was really interesting. You know, I'm in a bit of a hurry, but here's my card. We should definitely meet up again and continue our discussion.

A: Sure, you still have my contact details, right ?

B: You know what, this is really embarrassing, but your name has just slipped my mind. Can you remind me?

A: Sure, my name is Ana Ferris. Don't worry about it; it happens to me all the time. I'm terrible with names too.

Elementary - The Weekend - Silence please! (C0009)

Elementary - The Office - Driving Sales (C0010)

A: All right, people. We're holding this meeting today because we've got to do something about our sales, and we need to do it NOW! I want concrete solutions. How do you intend to drive sales... Roger?

B: Well, in fact, we're the most expensive in the market, so maybe we need to lower our prices to match the competitors?

A: Lower our prices? Not very creative. It'll never fly with Swan. What kind of thinking is that? Geez. Anybody else have a better plan? Natalie?

C: Um, perhaps, um, a sales promotion. Maybe a

two-for-one offer, or something like that!

A: What? That's the same thing. Bad idea. Really bad idea. Dammit people come on! Think! The CEO will be here any minute.

D: Do we have any ideas yet?

C: Yes Mr. Swan, we were kind of considering a two-for-one offer to get more competitive.

D: A two-for-one promotion? Hmm. I kind of like the sound of that. It sounds like something we should consider.

A: Yeah, exactly. Just what I was thinking! In fact, that's a brilliant idea! I'm glad we thought of that. Very creative.

Elementary - Daily Life - New Guy in Town (C0011)

A: Oh, I don't know if you heard, but someone moved into that old house down the road.

B: Yeah, I know. I met the owner of the house yesterday as he was moving in. His name is Armand.

A: Really? What's he like? You have to fill me in.

B: Actually, he's a bit strange. I don't know... I've got a bad feeling about him.

A: Really? Why?

B: Well, yesterday I brought over a housewarming gift, but Armand started acting really weird, and then he practically kicked me out! I tried to, sort of, peek into his house, but everything was so dark inside that I couldn't really get a good look.

A: Well, you'll never guess what I saw this morning. A delivery truck pulled into his driveway, and it dropped off a long, rectangular box. It almost looked like a coffin!

B: You see! Why would he...

C: Hello ladies...

B: Ah, Armand! You scared the heck out of me! This is my friend Doris.

C: A pleasure to meet you... If you are not doing anything tonight, I would like to have you both for dinner. I mean... I would like to have you both over for dinner.

Elementary - Daily Life - Cleaning the House (C0012)

A: Honey, the house is such a mess! I need you to help me tidy up a bit. My boss and her husband are coming over for

dinner and the house needs to be spotless!

B: I'm in the middle of something right now. I'll be there in a second.

A: This can't wait! I need your help now!

B: Alright, alright. I'm coming.

A: Ok, here's a list of chores we need to get done. I'll do the dishes and get all the groceries for tonight. You can sweep and mop the floors. Oh, and the furniture needs to be dusted.

B: You know what, I have to pick something up at the mall, so why don't you clean the floors and I'll go to the supermarket and get all the groceries.

A: Sure that's fine. Here is the list of all the things you need to get. Don't forget anything! And can you pick up a bottle of wine on your way home?

B: Hey, honey I'm back. Wow, the house looks really good!

A: Great! Can you set the table?

B: Just a sec I'm just gonna vacuum this rug real fast

A: Wait! Don't turn it on...

Elementary - The Office - Out Of Control Spending (C0013)

A: OK, so now the last point on our agenda. Jill, let's go over the profit and loss statement.

B: Great. Well, the main issue here, as you can see, is that our expenses are through the roof.

A: Let's see... These numbers are off the charts! What's going on here!

B: Well, um, sir, the company expenditures on entertainment and travel are out of control. Look at these bills for example. Just this month we've paid over twenty thousand dollars for hotel charges!

A: OK, thank you. I'll look into it.

B: The list goes on and on. Here, this is a bill for five thousand dollars for spa treatments!

A: Thank you; that will be all. I'll take care of it.

B: Look at this one sir, eight thousand dollars were spent in one night at a place called "Wild Things"?!

A: OK, I get it!! Thank you for your very thorough analysis!

Elementary - I'm in Debt (B0014)

A: Hello, I'm here to see Mr. Corleone.

C: Anything for you, Charlie! Your father was like a brother to me.

B: Well, sir, you see, this recession has hit me pretty hard; I lost my job and I'm in a lot of debt.

C: I see.

B: Yeah, you know, I've got credit card bills, car payments, I've got to pay my mortgage; and on top of all that, I have to pay my son's college tuition.

C: So you're asking for a loan.

B: Well, I just thought maybe you could help me out.

C: What? At a time like this? I'm broke too, you know! You're not the only one who has been hit by the recession! I lost half my money in the stock market crash! Go on! Get outa here!

B: Oh...I don't know.

A: I feel terrible, I really didn't mean to knock you over. My tire, just exploded, and I lost control of my bike. Really, it was an accident. Please accept my apologies.

B: Just let me try to stand up.

SONG: Why do birds suddenly appear, every time you are near?

A: Are you okay?

B: Oh, wait a second, you seem really familiar, I think I know you from somewhere.

A: Yeah, I think we have met somewhere before. That's right! We met at Aaron's place last weekend! What a coincidence! But anyway, I'm glad to see that you're not too badly hurt, and I should probably get going. I have a nine o'clock meeting.

B: Ouch! My ankle! I think it's broken! You can't just leave me like this! Are you calling an ambulance?

A: Nope, I'm canceling my appointment so that I can stay here with you.

SONG: Do you remember when we met? That's the day I knew you were my pet. I wanna tell you how much I love you.

A: Don't worry about it, just drive. Oh, no, the light is about to change. . . step on it!

B: Are you nuts! I'm not going to run a red light!

A: Whatever. Just turn right here. . . .The freeway will be packed at this hour. . . .let's take a side street. Go on! Get out of our way! Move, move!

B: What's your problem! Geez. Having a fit is not going to help!

A: Here, I know a short cut....just go down here, and we'll cut though Ashburn Heights. Let's go, let's go! Watch out for that lady!

B: I'm going as fast as I can!

A: Yes! We made it. 5:58, just before the library closes.

Elementary - Here Comes the Bride (B0017)

A: I can't believe that Anthony is finally getting married!

B: Yeah well it's about time! He's been living with his parents for 40 years!

A: Don't be mean. Look here come the bridesmaids! Their dresses look beautiful!

B: Who are those kids walking down the aisle?

A: That's the flower girl and the ring bearer. I'm pretty sure they're the groom's niece and nephew. Oh, they look so cute!

B: I just hope the priest makes it quick. I'm starving. I hope the food's good at the reception.

A: That's all you ever think about, food! Oh, I think the bride's coming now! She looks gorgeous. Wait, what's she doing? Where's she going?

B: Oh great! Does this mean that the reception is canceled?

Elementary - Upper-Intermediate - Protest!

(D0018)

A: This is Action 5 News reporter Sarah O'Connell reporting live from Washington, D. C. where a protest has broken out. Thousands of angry citizens are protesting against the proposed bailout of the auto manufacturing industry! Sir, sir, Sarah O'Connell, Action 5 news. Can you tell us what's happening?

B: Yeah, yeah, we're here because we feel this is an injustice! The financial irresponsibility of big business has to stop! We're there to show the government that we don't like the way that they're spending our tax dollars!

A: Sir but what exactly is making everyone so angry?

B: It's an absolute outrage, Sarah, the US government wants to give 25 billion dollars of taxpayers' money to the auto industry. These are companies that have been mismanaged and are now nearly bankrupt.

A: I see. But, many supporters of the bailout argue that it could help save the jobs of millions of hardworking Americans.

B: That maybe true, and I for one don't want to see anyone lose their job, but how can these CEOs ask for a bailout when they're making millions of dollars? And then, they have the nerve to fly to Washington in private jets! This costs hundreds of thousands of dollars! And they're asking for money! That is just not right!

A: Good point. This is Sarah O'Connell reporting live from Washington D. C., back to you, Tom.

A: Just a few Christmas gifts, 'tis the season, after all!

B: Don't take that tone with me. Do you have an invoice for these items?

A: Umm...no...I make these in my workshop in the North Pole!

B: You are under arrest, sir. You have the right to remain silent. You better not pout, you better not cry. Anything you say can and will be used against you. You have the right to an attorney; if you cannot afford one, the state will appoint

Elementary - I Can See Clearly Now (B0020)

A: Hello, Arthur. What seems to be the problem?

B: Hey doc. Well, I think I might need glasses. I'm getting headaches, and I really struggle to see things that are far away. But I have always had 20/20 vision.

A: Sounds like you may be far-sighted. OK, then, cover your left eye and read the chart in front of you.

B: Mmm... X, E, R, 3, a question mark, and I can't quite make out the other symbol but I think it's the peace sign.

A: Wow, Arthur! You're as blind as a bat!

B: Yeah, I know, my vision is really blurry at times.

A: Ok then, head on over to the other room and pick out some frames while I fill out your prescription.

B: Thanks doc!

A: Arthur, that's the bathroom.

A: Nice to meet you. This is my husband, Arthur.

B: Hey, how's it going?

D: Hello.

A: Veronica talks about you all the time. I guess you

must be pretty busy at work.

D: Well, yeah, a V. P. position is not easy, you know! I implement policies and procedures nationwide. of various departments, as well as train junior managers in FDA and EPA regulations. I also have to oversee daily ope

B: Wow, yeah... that sounds exciting.

D: And what about you, Arthur? What do you do for a living?

B: Oh, I'm a Top Gun pilot!

Elementary -The Weekend - Christmas Chronicles

II (C0022)

A: Really, gentlemen, you can't take me to jail! Don't you know who I am? Kris Kringle, you know, Papa Noel, Pere Noel, Babbo Natale, sheng dan lao ren!

B: Sorry buddy, you were parked in a no-parking zone, you were speeding, and you have no ID!

B: Sure, Merton Financial Advisors.

A: Oh, actually, Tuesday's no good. Sorry 'bout that.

Elementary - Where should we eat? (B0024)

A: Do you two have any plans for the evening?

B: We were thinking of checking out a restaurant in the neighbourhood. Do you have any suggestions?

A: I know this really nice Italian place. The food is fantastic, and the d'ecor is beautiful. I'd recommend giving it a try.

C: Actually, I'm not all that crazy about Italian food; I'm in the mood for something a bit lighter.

A: In that case, I know a great little bistro. They make a really tasty seafood platter; the fish is outstanding.

B: It sounds fantastic, but I'm allergic to seafood, so. . .

A: Okay, well, let me think. . . Oh, I know this great little place. It's just a hole in the wall, but they do the most amazing sandwiches. You gotta give them a try.

C: Ella, you took me there last time I visited, and I got food poisoning, remember?

Elementary -Upper-Intermediate - Planning For

The Worst (D0025)

A: Well, right, let's move to our next order of business, as many of you are aware, in recent weeks there has been a lot of media coverage surrounding this bird flu issue. And it's come to my attention that our company lacks any sort of bird flu contingency plan.

B: Basically, we need to come up with a clear plan; we need to outline specific actions that our company can take to maintain critical business functions in case a pandemic strikes.

A: So, what I'd like to do **is:** first appoint someone to look after drafting our plan; Ralph, I'd like you to head up this project.

C: Sure, no problem. What issues do you want me to consider?

B: Well, let's see, there are a few points we need to be

thinking about. . . first, I'll need you to analyze our numbers and figure out what kind of financial impact an outbreak might have.

A: You'll also need to think about how we can avoid any of our employees getting infected; think of ways to reduce employee-customer contact, perhaps some IT solutions that will allow our people to work from home.

C: I guess you'll need me to forecast employee absences as well, right? And I'll think about the impact this will have on our clients. Hey, what about vaccines? Should we be thinking about getting vaccines for our employees?

A: Exactly right. So, I'll leave this to you, and we'll review the draft plan in two weeks. Okay, so, anyone want to order some KFC for lunch?

Elementary - New Year Resolution (B0026)

A: So, did I tell you about my New Year's resolution? I've decided to go on a diet.

B: And you're going to completely transform your eating habits, right?

A: Exactly! I'm going to cut out all that junk I eat; no more chips, no more soda, no more fried food.

B: I've heard this one before.

A: But this time I'm going to stick to it. I really mean it! Trust me, Carol, I'm going to be a new man in one year's time!

B: Well, I guess we'll just have to wait and see.

A: Thanks, honey, that was a great meal. I'm stuffed. Do we have any chips left?

Elementary - Asking for Time Off (B0027)

A: Mr. McKenna, do you have a second? I need to talk to you about something.

B: Sure, Liv, what can I do for you?

A: Well, I was just wondering. . . you see, I know I've used up all my vacation days this year, but my sister is getting married, and the wedding is overseas, and, well. . .

B: You wanna take some time off, is that right?

A: Well, sir, I was just hoping that I might be able to take some unpaid leave this year.

B: What dates are you planning on taking off? I'll need at least two months notice, so that I can plan for your absence.

A: I was thinking of taking off from September first until the thirtieth. Would you be okay with that?

B: Well, I guess so.

Elementary -Daily Life - I'm Sorry, I Love You II

(C0028)

A: I'm so relieved that your ankle wasn't broken! I feel just awful about this whole thing. I wanna make it up to you. Let me take you out to dinner tonight. My treat.

B: That sounds great! I'd love to! Here is my address. Pick me up at eight?

A: Perfect!

B: Thank you for such a lovely evening! The food was amazing, and I had a great time.

A: Me too. You look so beautiful tonight! I wish this night would never end. There's something I have to tell you...

B: What is it?

Elementary -Advanced - Investing in Emerging Markets (E0029)

A: Dad, I'd like to borrow some money.

B: Sure, Johnny, how much do you need? five bucks?

A: Come on, Dad, I need thirty thousand. I wanna get into the market. You know, I'm tired of hearing all this news about the economic downturn, the inevitable recession, people stuffing their money in their mattresses. I look at this as an opportunity. This is a chance for me to get a jump start on building my nest egg.

B: I don't know about that; with all the uncertainty in the markets right now, it would be a very unwise decision to invest. I don't know if you're aware son, but there has been a lot of turmoil in the markets recently. There have already been half a million layoffs in the last few months, and we have no idea how the proposed stimulus package will impact the economy. There's just too much instability. I wouldn't feel comfortable investing in this climate.

A: But look at it this way, every challenge is an opportunity. And anyway, I'm not talking about investing

in the domestic market. There are emerging markets that promise great returns. Look at China, for example; they have 1.4 billion people, half a billion of whom have recently entered the middle class. Here alone, the aggregate demand for consumer goods rePresents an amazing wealth generating opportunity.

B: Come on, son, you're looking at this too naively, the Chinese market has exhibited a great deal of instability, and their currency has been devalued by almost a whole percentage point.

A: Fine, then! If that's the way you feel, so be it. But you're losing out on a great opportunity here. I'm going to go hit up Mum for the cash.

Elementary -Daily Life - New Guy in Town II (C0030)

A: Oh, Armand, thank you for such a thoughtful invitation! It's really very nice of you to invite us over for dinner, don't you think so, Ellen?

C: No, don't worry about it; I'll take care of everything. I'll see you tonight. Come with an appetite... I know I will!

B: I don't want go over to his place for dinner! He gives me the creeps! Why on earth did you accept?

A: Oh come on Ellen, it will be nice to get to know him.Besides, he's new to the neighborhood, and it would berude to decline his invitation.

B: I guess so... You always rope me into things likethis!

C: Ladies! Thank you for coming! You look delicious...Imean beautiful. Please come in.

A: Oh Oh Armand! You are too kind!

B: How did I get myself into this...

Elementary - Canceling an Appointment (B0031)

too much, it's just this thing came up, and ...

B: Sounds great. See you tomorrow.

B: What? No wonder she told me she couldn't make it to the meeting, oh, no, I think she saw me...

B: I see, well, I think I'm more interested in a chequing account; I like to have easy access to my money.

A: Alright, then, with this chequing account you'll be issued a debit card and a cheque book. Will you require overdraft protection? There is an extra fee for that.

B: No, that won't be necessary.

A: In that case, I'll get you to fill out this paperwork; I'll need your social insurance number, and two pieces of government ID. If you could just sign here, and here, and here; we'll be all set. Would you like to make a deposit today?

Just moments ago, the President was sworn-in to office; following the United States Constitution the President swore an oath to faithfully execute the office of the presidency.

B: And what exactly is going on now, Madeline?

A: Well, Tom, true to American tradition, the band has just played "Hail to the Chief", and the President has been honored by a 21-gun salute. Now we're waiting for the President to take to the stage and deliver his speech. Tom, it's like a who's who of the political world here on Capital Hill, with dignitaries representing several different countries.

B: What's the mood on the ground like, Madeline?

A: In a word, the mood here is electric. The excitement in the air is palpable; I've never seen a larger crowd here on Capital Hill, and the audience is shouting, crying, and embracing each other. On this, a most historic day, you can feel the hope and the excitement in the air. The 20th of January will go down in history as the Oh, Tom, it looks like the President is about to begin. . .

B: Sure, what's up?

A: Basically, I've got a few concerns about him, and the bottom line is, I don't think he's a good fit for our company.

B: Okay... what makes you say that? I thought you were pleased with his overall performance. Didn't you just tell me last week how impressed you were with his attitude?

A: Yeah, his attitude is great, but he's really unreliable. Sometimes he's really productive, but then other times... take last Tuesday for instance, he was forty-five minutes late for our morning meeting!

B: Well, I'm sure he had a perfectly good reason...

A: But that's not the only thing... you know, he really doesn't have the best work ethic, I'm constantly catching him on MSN and Facebook when he should be talking to clients.

B: Yeah, but come on, Geoff, as if you don't check Facebook at work. Look, you hired this guy, we've invested a lot of time and money in his training, so now it's up to you to coach him. Make it work, Geoff!

A: Make it work, Geoff. You would say that, wouldn't you, he is your cousin; what a jerk, make me hire your stupid, useless, cousin.

B: Honey, I promise this won't happen again, it's just that I...

A: Yeah, right. I've heard it all before. I'm not going to take any more of your empty promises. This is the 5th time you've stood me up in two weeks! You need to get your priorities straight. I'm tired of you putting your job first all the time!

B: Come on, Veronica, that's not fair. I do care about you a lot, you know that. I tried to ...

A: You know what? Maybe we should just take a break. I need some time to think about where this relationship is heading.

B: But...Veronica, would you just listen to me? There was a fire alarm at my office building today and I was stuck...

B: Well, the thing is, we ran into a lot of problems. . .

A: I'm not looking for excuses here. I just want to get this finished on time!

B: I know, and I apologize for the delay. But some things were just beyond my control. I had trouble booking the

A: I'm not going to put this off any longer, Casey! I want those photos ASAP!

B: Come on, hon. Pull yourself together. It's going to be alright.

A: But I... I still love him! And it's all my fault! I can't believe how immature and selfish I was being. I mean, he is a firefighter, it's not like he can just leave someone in a burning building and meet me for dinner. I've totally messed this up!

Elementary - Advanced - Just In Time Strategy

(E0047)

A: I called this meeting today in order to discuss our manufacturing plan. As I'm sure you're all aware, with the credit crunch, and the global financial crisis, we're obligated to look for more cost efficient ways of producing our goods. We don't want to have to be looking at redundancies. So, we've outlined a brief plan to implement the just-in-time philosophy.

B: We have two basic points that we want to focus on. First of all, we want to reduce our lead time.

C: Why would want to do that? I think this is not an area that really needs to be worked on.

B: Well, we want to reduce production and delivery lead times for better overall efficiency.

A: Right, production lead times can be reduced by moving work stations closer together, reducing queue length, like for example, reducing the number of jobs waiting to be processed at a given machine, and improving the coordination and cooperation between successive processes. Delivery lead times can be reduced through close cooperation with suppliers, possibly by inducing suppliers to locate closer to the factory or working with a faster shipping company.

C: I see & That makes sense.

B: The second point is that we want to require supplier quality assurance and implement a zero defects quality program. We currently have far too many errors that lead to defective items and therefore, they must be eliminated. A quality control at the source program must be implemented to give workers the personal responsibility for the quality of the work they do, and the authority to stop production when something goes wrong.

C: I'm with you on this one. It's essential that we reduce these errors; we've got to force our suppliers to reduce their mistakes.

A: Exactly. Well, let's look at how we're going to put this plan into action. First...(fade out)

A: So, let's get started; tell me a bit about your educational background.

B: Sure! Well, I graduated with honors from Chesterton University with a major in Business Administration, with a specialization in Information Management, and I minored in psychology. I chose this course of study for two **reasons**: I wanted to gain some practical, marketable skills, which the information management track provided, and I also feel that interpersonal skills are essential for professional success, hence the minor in psychology.

A: Interesting. And, your postgraduate studies?

B: Well, I am really passionate about consumer behavior, so I pursued a master's in that area. I also strive to keep my professional skills current, so I continuously attend seminars and conferences related management and customer service.

A: Very good. Now, tell me a little bit about your work experience. I see here that you previously worked at

Oracle.

B: Yeah, I worked as their customer support manager, which brought me a breadth of experience in both client care, and process management. I supervised and coordinated the customer support team as well as implemented new strategies to achieve better customer satisfaction.

A: Interesting...

B: Yes, in this position I was able to make some pretty significant contributions to the overall success of the company. With the different initiatives that we implemented, we lowered our churn rate to about five percent, which had a direct impact on revenue.

Elementary - The Office - Receptionist (C0063)

A: Good afternoon. May I help you?

B: Yes, I'm here to see Joanna Stevens. I have an appointment at four.

A: Certainly, may I take your name? I'll let her know you've arrived.

B: Sure, it's Josh O'Neil.

A: Ms. Stevens will be with you momentarily. Can I offer you something to drink?

B: Yes, a coffee would be nice, thank you.

A: Here you are. Ms. Stevens is ready for you now. I'll show you to her office, right this way.

A: Just watch your step here...

Elementary - Daily Life - I'm Sorry I Love You VI (C0064)

A: This is ridiculous! I can't believe you've been sleeping with someone else! How could you do this! You know what? I'm out of here!

B: Wait! Doctor how is this possible? I haven't cheated on my boyfriend!

C: I have something to confess... I'm sorry Veronica, I lied.

B: Wait... what? What do you mean?

C: I lied. You aren't even pregnant; there's no bun in the oven. I was just so overwhelmed with jealousy that I couldn't help myself. Veronica I love you!

B: What are you talking about!!! Who are you?

C: It's me! Daniel, don't you remember me? From high

school. I sat behind you every day in class! I used to go to every football game and watch you in the cheerleading squad!

B: You are insane! We never even spoke! Why did you lie like that to my boyfriend?

C: Because Veronica... It's not fair! I love you; I have since the first day we met! Everything was going fine until that jerk came into the picture and ruined everything! I went to med school and became a doctor for you! You always said how you wanted to marry a doctor! You will be mine now... one way or another...

A: I heard everything, you lying bastard! Get your hands off her!

Elementary - The Office - Job Interview III (C0065)

A: Very good. Now, I have a couple of final questions.

B: I hope they're not too hard!

A: Well, why should we hire you?

B: I think that I would be a perfect fit in this company. I have a unique combination of strong technical acumen, and outstanding soft skills; you know, I excel at building strong, long-term customer relationships. For example, when I headed the customer support department in my previous company, our team solved about seventy percent of our customers' problems. I decided that we needed better information and technical preparation on our products, so after I implemented a series of training sessions in coordination with our technical department, we were able to solve ninety percent of our customers' issues. Given the opportunity, I could bring this kind of success to this company.

A: Impressive! So, what would you consider to be your greatest weakness?

B: To be honest, I struggle with organization and time management. Punctuality has never been a strength of mine. I find it hard to organize my time efficiently. I have actually addressed this weakness recently, by attending a workshop on efficient time management. It helped me a lot, by providing me with great insights on how to get organized and use my time efficiently, so I think I'm getting better now.

A: Great... Well, let me tell you that I am very pleased with this interview. We are short-listing our candidates this week, and next week we will inform our short listed candidates of the day and time for a second interview with

our CEO.

B: Great, thanks a lot! I hope to hear from you! Good bye.

Elementary - The Weekend - Soccer (C0067)

A: Welcome back, soccer fans. My name is Rick Fields and, as always, I am joined by my commentating wingman, Bob Copeland.

B: And we're on the brink of soccer history today, as Ecuador and Brazil are tied one-one as we begin the second half of the 2022 World Cup!

A: The ref calls the players for the kick off, and here we go! Ecuador quickly passes the ball to the midfield, but, ohhh, it's out of bounds.

B: That will be a throw in for Brazil. Adriano has the ball and makes a long pass to Robinho, and the ref has called him offside.

A: No question about it. He was offside by a mile! We have a goal kick for Ecuador. Edison Mendez heads it to Valenica, he shoots! Deflected by the defender and we have a corner kick.

B: Delgado takes the corner. We have a foul! Oh no, Dida, the goalkeeper, has fouled the Ecuadorian player! He gets a yellow card and that will be a penalty kick!

A: This is the perfect opportunity for Ecuador to get ahead in this match and become World Champions! He gets ready for the kick. He shoots! and he...

Elementary-TheOffice-Ground breaking Research

(C068)

A: We've been over this a thousand times. The data is irrefutable! Look, we've done extensive research, built studies, and read the literature, and there is conclusive evidence to support my theory!

B: Horowitz, I beg to differ. Even in your most recent study, the investigative approach was flawed! You know as well as I do that the collection of data was not systematic, and there is a large margin of error. To draw a definitive conclusion based on that data would be misleading

A: That is preposterous!

B: You are trying to single-handedly solve one of the world's greatest mysteries, and yet you are oblivious to the fact that you are wrong!

A: I am not wrong! The chicken came first!

B: No! The egg came first!

Elementary - Daily Life - How Would You Like Your

Eggs? (C0069)

A: Wow, you're up early today! What's for breakfast?

B: Well, I felt like baking, so I made some muffins.

A: Smells good! I'll make some coffee. Do you want me to make you some eggs?

B: Sure, Ill take mine, sunny side up.

A: Eww, I don't know how you can eat your eggs like that! Ever since I was small, I've had eggs and soldiers.

B: You know, my dad had scrambled eggs eggs every morning for twenty years. It drove my mom crazy!

A: You know what really drives me crazy? When I ask for soft boiled eggs, and they overcook them, so they come out hard boiled! How can you dip your toast into a hard boiled egg?

B: You're so picky sometimes.

A: Here you go, honey, fried eggs.

B: Dammit! I asked for sunny side up! How many times do I have to tell you.

Elementary-AdvancedMedia-Buying Underwear (F0070)

A: This sucks; I hate buying lingerie. Okay, just find something and get out of here. Alright, these are fine. Oh, no, don't come over here, don't come over here.

B: You look a little lost, can I help you?

A: Um, I'm just having a look around. It's my girlfriend's birthday tomorrow. Im trying to find her something.

B: Well, you can't give her granny panties. Have you thought about getting her some sleepwear? We've got these lovely, silky nighties. Or, how about a nice panty-and-and-bra set. Look, here's a nice satin push-up bra, and you can choose a few different styles of undies to go with it.

A: Sure that's fine.

A: This is so awkward...what ones do I pick? What size is she?

B: Well, do you want a thong, some bikini briefs, maybe this nice pair of lacy boy shorts?

A: Just pick something and get the hell out of here.

A: Um, Ill go with these two.

A: This is mortifying; I just want to get this over with. She better thank me for this... Here you are, sir. I'm sure she'll enjoy them.

B: Finally!

A: I'm sorry, sir. I'm going to have to take a look inside your bag.

Don't be such a dumb ass. She's so hot. Wait, I can't say that. That's sexist. She's so hot, She's making me sexist. Oh my god! I'm such a tool. Okay, get it together. Uhh, she's eating salad. Oh right, I have a salad. Oh, crap! Which fork do I use? Dammit! She's going to think I'm a moron. What the hell are all these forks for? Which one did she use? Okay, chill... be cool, be cool. A: Well, let's have a look. Open wide. Hmm... this doesn't look good. Well, it looks like you have a cavity and your crown is loose. We'll need to put in a filling before it gets any worse, and the crown probably needs to be refitted. I'm going to order some x-rays.

B: Is it gonna hurt?

A: No, not at all! Just lay back and relax.

A: Ok, spit.

Elementary - Daily Life - Learning Simple Math (C0076)

Elementary - The Weekend - F1 Racing (C0077)

A: Welcome back racing fans! My name is Rick Fields and, as always, I am joined by my partner in crime, Bob Copeland.

B: We're in the last stretch of this very exciting race, and Kimi Rikknen is leading the pack with only four laps to go! They are heading to turn three and Lewis Hamilton tries to pass Rikknen! It's a close one and, oh no! Hamilton hits the wall!

B: The cleanup crew is towing the heavily damaged car and the green flag drops! Rikknen is still in the lead with only two laps to go!

A: Smoke is coming out of his car! He seems to be having engine trouble! He makes his way into the pit, and Fernando Alonso takes the lead!

B: How unlucky for Rikknen, and this race is over ladies and gentlemen, Alonso takes the checkered flag!

Elementary - The Weekend - International Workers Day (C0078)

A: Alright everyone settle down. Let's get started. As you know, an important aspect of becoming a good citizen is understanding the genesis of our legal system. It is not enough to simply memorize our laws, it is necessary that we comprehend why and how they were formed. This brings me to our topic for today. Does anyone know what we celebrate on May first?

B: Cinco de mayo?

A: No, that's May fifth in Spanish, James, no wonder you

are failing my Spanish class. No, May first is International Workers' Day.

B: Do we get a day off from school then?

A: No! It is not considered to be a national holiday here in the US, but in other countries it is.

B: Aww, man!

A: In the nineteenth century, working conditions were appalling, with workers being forced to work ten, twelve, and fourteen hours a day. Support for the eight-hour work day movement was growing rapidly, despite the indifference and hostility of many union leaders, and by April 1886, 250,000 workers were involved in the May Day movement. Previous legislative attempts to improve working conditions had failed, so labor organizers took drastic measures. They passed a resolution stating that eight hours would constitute a legal day's work. And, on May First 1886, the resolution took effect.

B: Cool! Is that why we only work eight hours now?

A: Yes! But the happy ending came at a high price. On May third, 1886, police fired into a crowd of strikers at the McCormick Reaper Works Factory, killing four and wounding many. A mass meeting was called for the next day to protest the brutality.

B: And then what happened?

A: Well, as we say, the rest is history...

D: Not so fast! She will no longer be your prisoner! It's time you and I settled this once and for all!

B: You are unwise to think you can defeat me. You know nothing of the power of the obscure side!

D: We will stop you...

C: Lord Hater! We have an unidentified spacecraft taking off from the rear dock! They somehow managed to escape our tractor beam!

B: After them!

C: They are accelerating towards the speed of light We lost them, sir...

A: I know! Well... he said I'm not pregnant. I'm sorry if I got you all worked up over nothing. I want you to know that I didn't do it on purpose...

B: Don't apologize! From the moment I met you, not a day has gone by when I haven't thought of you. And now that I'm with you again, I'm... I'm just scared, Veronica. The closer I get to you, the worse it gets. The thought of not being with you, I mean, I just can't handle it! We were made for each other, Veronica. You are my everything, my soul mate. What can I do?

A: Just hold me... I'll always be here for you, no matter what. And together, we can tackle whatever life throws at us. I believe in us, Veronica.

A: Okay, but you are going to be my masterpiece!

B: Yes, I know. It's not the first time I'm taking this! Don't worry, I won't overdose!

A: Okay, anything else I can get you?

B: Oh, yes, I almost forgot! Can I also get some eye drops and um, some condoms?

A: Well, the national anthem has just been sung, and the umpire has started the game. It's time to play ball!

B: Roger Vargas is up at bat. The pitcher winds up and strike one!

A: A very nice curve ball by the pitcher. The catcher gives him the sign, he winds up and Vargas gets a line drive!

B: The players are scrambling to get the ball. Vargas gets to first base and he's still going! The outfielder throws it to second! Vargas slides! He's safe!

A: Great play!

B: We have a runner on third and up at bat is Brian Okami! There's the pitch, he hits it! It's going, going, that ball is gone!

A: Home run by Okami! That puts this team ahead by two as we are at the bottom of the fifth inning here at Richie Stadium!

Elementary-Daily Life-Looking for an Apartment (C0086)

A: Hi! We are the Christianson's! We are here to see the apartment.

B: Oh, hi! Sure, come on in! Well, as you can see, the place has just been renovated. The previous tenants left a huge mess here, so the landlord has redone everything.

A: It looks great. It's so bright and airy! What great light! I really like these hardwood floors. What's the square footage of this place?

B: Well, it's about 120 square meters, or 1300 square feet, more or less. Oh, the landlord has also installed new kitchen appliances. There's a new dishwasher, and a professional-grade gas range. Really, at this price, this place is an amazing deal!

A: I love it! But what are the payment terms?

B: First and last month rent as deposit and rent is due on the 1st of every month. Considering the amount of money invested into the apartment, it's a very good deal!

A: Yes, it is! Too good to be true...

B: The living room and dinning room are quite spacious as you can see, and down this hall, here's the master bedroom. It has a huge walk-in closet and an en suit bathroom. We can't go in there yet as the police... I mean the clean up crew hasn't finished.

B: Well... I told them not to come. I made a reservation just for the two of us. I thought we could have an quiet evening all to ourselves.

A: Oh... why?

B: Jennifer, there's something I wanna ask you.

A: Sure. What is it?

A: Are you serious? We've been friends for years! We can't just change that overnight!

B: I know! I never had the guts to tell you... until today. So, what do you say? Are you willing to give me a shot?

Elementary - Daily Life - At The Airport (C0089)

A: Next please! Hello sir, may I see your passport please?

B: Yes, here you go.

A: Will you be checking any bags.

B: Yes, I'd like to check three pieces.

A: I'm sorry, sir. Airline policy allows only two pieces of checked luggage, at twenty kilograms each, plus one piece of carry-on luggage. I will have to charge you extra for the additional suitcase.

B: What? Why! I am taking an intercontinental flight! I'm flying sixteen thousand kms! How am I supposed to only take two, twenty kilo bags? That's absurd!

A: I am sorry, sir, there's nothing I can do. You cannot board the flight with that large bag either. Carry-on bags must fit in the over-head compartment or under your seat.

That bag is clearly too big.

B: Now I see. You charge next to nothing for an international ticket, but when it comes to charging for any other small thing, you charge an arm and a leg! So tell me, miss, how much will I have to pay for all of this.

A: Let's see... six hundred and twenty-five US dollars.

B: That's more than my round-trip ticket!

Elementary - Daily Life - I'm Sorry I Love You VIII

(C0090)

A: Veronica! Veronica! Veronica! Are you OK?

B: Steven! What's going on! Who were those guys? I didn't know you have a gun! What's going on!

A: I will come clean as soon as we get to safety, OK? For now, you have to trust me, please! I would never do anything to hurt you.

B: Steven, I...

A: Okay, run! I haven't been completely honest with you Veronica, I'm sorry. I'm not a fireman. I'm not even from the United States. I'm a spy for the Indian government.

B: What? Why didn't you tell me before? What are you doing here?

A: When I was a young boy, I used to play cricket my father back in my hometown of Hyderabad. It was a peaceful town, and my father was a renowned chemist. One day, he was approached by members of the CIA, claiming that my father had made the discovery of the millennium in his small lab back at the university where he taught bio-chemistry. I never saw him again. I vowed to discover the whereabouts of my father and consequently joined the Indian Intelligence Bureau.

B: What does that have to do with those men shooting at us? Most importantly, why did you lie to me!

A: I'm sorry, I wasn't supposed to meet you. I wasn't supposed to fall in love with you, but you have to believe me when I tell you that what I feel for you is real.

B: I can't believe this! Why are all these things happening to me! I can't take it anymore! Let me out of the car!

B: See that constellation there? That's Orion! And the very

bright star? Well, it's not a star since it doesn't blink. That's actually Venus.

A: What's that big flashy one?

B: I don't know... I think it's a UFO!

C: Greetings earthlings. I come from afar, from a distant galaxy known only to a few.

A: Why are you here? Where did you come from?

C: We have been observing you for the last three thousand years. We have seen the amazing capacity that humans have to create such wonders as the Taj Mahal or masterpieces such as the Haffner symphony. Unfortunately, your intelligence and creativity does not come without consequence. Your ambition and desire for more will be your downfall, and we are here to save your planet from you.

B: You think you have us figured out? What gives you the right to come and judge us? Who are you to play God with our fate?

C: Silence human! It is that belligerent attitude that has caused years of pain and anguish among yourselves! Now you will pay the price!

Elementary - The Weekend - 1950's (C0092)

A: Heya, Tracy. How are you doin'?

B: I'm swell, Sandy!

A: Hey listen, you wanna go to the sock hop with me this Friday? It'll be a blast!

B: First of all it's the Sadie Hawkins dance. The girls gotta ask the guys. Also...

A: Oh, right. So when are you gonna ask me? I've had my eye on you for a while.

C: Hey, buddy. Ease off my girl, man. Or do you want a knuckle-sandwich?

B: Cool it, guys.

A: Your girl? Says who?

C: Says me, pipsqueak!

Elementary - Intermediate - Volleyball (C0093)

A: It's a beautiful day here in New Zealand at the Men's Volleyball world championship. My name is Rick Fields and I'm joined by the man with the plan, Bob Copeland.

B: Thank you, Rick. We've got a very exciting encounter ahead of us today as two powerhouse teams, Brazil and

China, face off against each other and try to qualify for the next round. Without a doubt, both teams are in top shape and this will prove to be a competitive match.

A: The ref signals the start of the game and here we go. Ribeiro serves and China quickly receives the ball. Chen bumps it to the setter, and... a very nice set by Chen!

B: Xu spikes it! Wow, what a great hit! The Brazilian blockers anticipated the play and tried to block him but he managed to get the ball in! Great play.

A: It's China's service now. What a superb jump serve by Li, oh, and we have a let serve. The ball was coming in fast and almost made it over the net.

B: Brazil calls for a time out and we'll be right back, after a short commercial break.

Elementary - Global View - Big Bang Theory

(C0094)

A: What's up? You don't look too good.

B: Yeah, my head hurts, that's all. I've been in physics class all day. It's killer!

A: I liked physics. It's all math, really; arcs, curves, velocity, cool stuff.

B: Yeah, yeah, but today's lesson was all about the creation of the universe.

A: A physics class about the creation of the universe? That's some pretty unscientific language there. Sounds more religious to me.

B: It's all religion. Take the theory of the Big Bang. How is it possible that all of the stuff in the universe comes from an explosion? That's no better than Atlas carrying the globe on his back or African myths about turtles and stuff.

A: Turtles? Whatever... Look, all that's required for the creation of matter an imbalance of particles and anti-particles. At least, that's what the math says.

B: Math, shmath. What's the evidence?

A: There is evidence! You know Edwin Hubble? He's the guy who in the early twentieth century was the first scientist to measure the drift of matter in the universe, thus advancing notions of an expanding universe. What would it be expanding from? Well, the Big Bang... DUH!

B: Anyway, it's just a theory. Why do people go around touting theories? Where's the scientific rigor in that?

A: Dude, don't equivocate. A theory only becomes a theory after withstanding rigorous testing. You slept

through class, didn't you?

B: Agh! You're making my head hurt again! Quit with the questions!

Elementary-Daily Life-TalkingAbout a Past Event

(C0095)

A: Mike! Hey, how are you, man! Long time no see!

B: Hey, Pat! Yeah, I haven't seen you in ages! How are you?

A: I'm doing great! It's funny running into you like this. Just last week I ran into Matt as well.

B: Yeah? How's he doing?

A: He's doing well. We went out for a couple of beers and the funniest thing happened.

B: Oh yeah?

A: Well, we were talking and catching up on what we've been doing, talking about work and family, when all of a sudden, Matt saw a mouse run under his chair and he completely lost it! He started freaking out, and screaming...

B: Ha ha, really?

A: Yeah, and the funniest thing was, that he jumped on to his chair and started shrieking like a girl. You had to be there! Everyone was staring and laughing... it was hilarious!

Elementary - The Weekend - 1960's English

(C0096)

A: Hey man... I really like your pad. Those lava lamps are far out! Thanks for letting me crash here tonight.

B: It's no problem, brother! I wanted a pad where people could come, listen to music and just hang loose, you dig what I'm saying?

A: I dig it man! We could throw a bash here and make it a really happening scene!

B: Yeah man, that would be groovy! Hey, I gotta split for a while, are you OK here by yourself?

A: Don't worry about me brother... You go take care of business.

B: Alright, peace out.

Elementary - Daily Life - Weather Forecast

(C0097)

A: ...And now, let's go to Kenny Williams for today's weather forecast.

B: Thank you Bill, and good morning Salt Lake City!

A: What's the weather looking like today, Kenny?

B: Well, it's a bit of a mixed bag in Utah today; we've got heavy cloud cover here in Northern Utah, and we're calling for scattered showers throughout the day, with a day-time high of forty-five degrees. Now, if we move down to the south of the state, we can see that a cold front is moving in. We can expect clear skies, but it will be quite cold, with temperatures hovering around the thirty degree mark.

A: It's a chilly day folks, so don't forget your coats! What about tomorrow Kenny? Do you have good news for us?

B: Well, it'll be a rainy day for Northern Utah; we can expect some isolated downpours in the morning. Winds will be coming in from the North East, with gusts reaching twenty-three miles per hour. Salt Lake City can expect the rain to turn to sleet in the evening. Things are looking a bit better for the South; we'll see cloudy skies with a chance of showers. Later in the day, we can expect partlycloudy skies, with a forecast high of thirty-eight degrees.

A: You heard it folks! It's gonna be a cold one!

B: That's right Bill. We will have more later on today on the six o'clock news. That's the weather forecast for this morning.

Elementary - Daily Life - Flattering (C0098)

A: Valerie! Hi! Wow how are you? It's been such a long time!

B: Darlene! Indeed, it's been a while! How have you been? Wow, you look amazing! I love what you've done with your hair!

A: Really? Thanks! I went to that hair salon that you told me about, but enough about me! Look at you! You haven't aged a day since the last time I saw you! What is your secret!

B: Ha ha, come on! Well, I've been watching what I eat, and working out three times a week. By the way, I heard your son recently graduated!

A: Yes, my little Paul is finally a doctor. They grow up so fast you know.

B: He is such a handsome guy. He gets his looks from his mother of course!

A: Thank you! What about your daughter, Pamela? I heard she has passed the bar exam and married recently.

B: Oh yes. She had a beautiful wedding in Cozumel Mexico and we all attended.

A: Such a lovely girl. I hope my Paul is lucky enough to find a girl like that someday!

B: But of course! Well, it's been great talking to you, but I have to get going.

A: Same here! We will catch up soon, maybe over coffee!

B: That would be great! Give me a call!

A: See you soon! Bye! Ugg... I can't stand that woman or her obnoxious son.

Elementary - Global View - Movie Review (C0099)

A: Welcome back movie lovers to another "Premier Movie Review". My name is Richard Clarke and I am joined today by the very erudite DavidWatson.

B: Thank you Dick. Today we are going to talk about the movie "Lion King". Tell me Dave, what is your impression of this film?

A: Well, I think this film is simply a fable, depicting man's eternal greed for power, and in my opinion, it's a very fine film. Even despite the accusations of plagiarism traditional folk tales from other countries. The musical score was amazing, the animation was very well done, and the story was simply enchanting.

B: I think otherwise. Even though the animation was technically strong, and as you say, the score and songs performed by Elton John were great, the film lacks a certain originality; it lacked heart. And I would dare to say, it was too predictable.

A: Predictable! How! Come on Dick, It's a G-rated movie! It's for the kids! It's not a thriller!

B: Well, that's just it. It did have some very dramatic and intense scenes For example when Mufasa dies, or the dark, grim portrayal of Scar. Even so, the film is linear. Mufasa dies, Simba runs away thinking it's his fault. Falls in love and returns to retake what is rightfully his. It's just too cliché.

A: How can it be cliché? It's a fable! It's telling a time-honoured story! The movie make a point of how the

hunger for power leads to corruption, and teaches children the value of respect, life and love.

B: You have always been so soft, Dave!

A: Open your heart Dick. Don't shut us out.

B: Anyway... That's all for today folks! Join us next time as we talk about "How to lose a guy in 10 days" I'm sure you'll love that one Dave!

Elementary - Daily Life - Where are you from? (C0100)

A: Where to, miss?

B: Hi! Crenshaw and Hawthorne, at the Holiday Inn that is on that corner.

A: Sure thing. So, where are you flying in from?

B: From China.

A: Really? You don't look very Chinese to me, if you don't mind me saying so.

B: It's fine. I am actually from Mexico. I was in China on a business trip, visiting some local companies that manufacture bathroom products.

A: Wow sounds interesting! Excuse me if I am being a bit nosy but, how old are you?

B: Don't you know it's rude to ask a lady her age?

A: Don't get me wrong! It's just that you seem so young and already doing business overseas!

B: Well thank you! In that case, I am 26 years old, and what about yourself?

A: I am 40 years old and was born and raised here in the good old U.S of A, although I have some Colombian heritage.

B: Really? That's great! Do you speak some Spanish?

A: Uh... yeah.. of course!

B: Que bien! Entonces podemos hablar en espanol!

Elementary - The Weekend - 1970's (C0101)

A: Hey man! How's it hanging?

B: Hey man! Everything is just groovy baby!

A: Did you go to the roller rink on Saturday? I heard it was far out, man!

B: I wanted to, but I ran into this foxy lady that just moved to my block! I was chatting her up a bit and then we mellowed out at her place.

A: Right on, right on! Well, Jim went to the rink with

Sherry and he said it was dy-no-mite! He was low on bread, but Sherry paid for everything.

B: Gravy! Jim is such a jive turkey man. He is always hitting me up for cash. Anyway, you wanna book and go grab some grub?

A: Yeah man, I'm starving!

Elementary - Global View - Global Warming (C0102)

A: And therefore, global warming is the greatest deception of the early 21st century. Questions?

B: Uh& yeah. In the lecture you said theres more evidence in the scientific record supporting global cooling?

A: Well, yes, essentially, the historical record supports a theory of climate cycles. Warming and cooling are cooperating processes in the planetary eco-system.

B: If thats true and the planet is getting cooler, what explains the rapid melting of the polar ice caps and the dramatic rise in the global average temperatures?

A: But are global temperatures rising? If you look at the data from nineteen seventy-five youll&

B: Youll be misled. If you were serious, you would look at the record starting in the 1880s. Then you would see how dramatically the earths temperature has changed.

A: Young lady, I beg to differ. Look, the point of the lecture was to emphasize that there is evidence for both sides, and I'm putting forth the argument that there's greater evidence in support of the global cooling hypothesis. Look, it's an indisputable fact that the public is being manipulated and scared into believing theres some kind of climate crisis; this scaremongering is done, quite simply, for political reasons.

B: But even without the uncomfortable reality that greenhouse gases like carbon dioxide contribute to global warming, isnt the topic appropriate for politicians to discuss?

A: Not if they want to use your tax dollars and mine to fund completely unnecessary initiatives.

B: Yeah, like conservation, protecting endangered species and investing in renewable energy. At the very least, you have to concede that this debate has the potential to end our dependence on foreign oil. Buying oil supports autocratic countries that use these revenues to devastating ends.

A: Why, I've never been so disrespected in all of my days. I'm a professor, a scientist and researcher of high regard.

B: Yeah, and a duplicitous one at that. Everyone knows you're in the pocket of the oil lobby. Why should we trust your so-called findings more than tobacco institute studies which say smoking doesn't harm health? You're full of it.

A: Some people just cannot handle civil debate!

Elementary - Daily Life - Baby, I'm Sorry (C0103)

A: Can we talk?

B: Sure, honey, we're talking now, aren't we?

A: You know what I mean.

B: Yeah. I know.

A: I want to know where this relationship is going. I'm in love with you and I need to know...

B: You know, I think you're awesome.

A: I'm awesome. Well, I guess that's my answer, isn't it.

B: Honey...

A: Look, if you don't love me, it's not a thing, alright, we've had our laughs, but I don't appreciate... maybe it's just time we...

B: Baby, I love you so much.

A: You do?

B: I love you. And I think you're awesome.

A: Oh, I love you too!

B: Come on. Put the gun down.

A: Oh baby, I'm so sorry.

Elementary - The Weekend - Skiing (C0104)

A: Welcome ski lovers of all ages! My name is Rick Fields and here with me is the man that needs no introduction, Bob Copeland.

B: Thank you, Rick! What a beautiful day here in Aspen, Colorado where the sun is shining, and we've got twelve inches of fresh powder. It doesn't get much better than this.

A: That's right, Bob, but today we have a special treat for our viewers. We're joined here by Ian Roussy, the four-time giant slalom champion. And on this special edition of the show, Ian is going to teach us the basics of skiing! So, let's hit the slopes!

C: Well, first off, let's get those boots on. You're going to want to make sure your boots fit snugly.

That's right; now snap them into your bindings.

And you're also going to want a good pair of goggles to protect your eyes. It's a bright day today, so there's going to be a lot of glare out there on the slopes. We don't want you hitting any of those moguls!

A: Bob, since you're a beginner skier and might take a few spills, it is a good idea to have a good warm pair of dry ski gloves.

C: Easy there, Rick! Well, let's head on over to the chairlift, and test your skills! All right, we're up here on the bunny hill, so, Bob, why don't you do a few snow-plow turns. Gnarly run, Rick! Nice carving! You've got some mad skills! That was sick!

A: You wanna see gnarley? Well, see that bump over there, I'm going to catch some major air.

C: Butt plant!

B: Ha ha ha! He lost his skis! Yard sale!!!

A: Ahem, well. Thanks for joining us here today, I think that about does it. Bob, Ian, time for some après-ski?

C: No way, man! We're off to grab some freshies!!!

Elementary - The Office - Job Well Done (C0105)

A: And so, that concludes my outline for our marketing strategy next year. Thank you very much for your time.

B: Hey, that was quite the Presentation! Honestly, I was completely blown away by your strategy outline. I've gotta say, Alex, you really wowed me today.

A: Aw, come on; it was nothing. I'm just doing my job.

B: No, I think you deserve some recognition here; I mean, if I look back on your previous Presentations, this is a huge improvement.

A: Well, Kristin did give me a hand with the slides. She's a real wiz on PowerPoint.

B: And I saw that you took on board my feedback about pricing strategies. I really appreciate you taking the time to think through my suggestions.

A: Yeah, well, that was some good advice. You made some really good points.

B: Well, I just wanted to say well done. Really you did a great job.

Elementary - Daily Life - Mobile Phone Plan

(C0106)

B: Yeah, I've just moved here, and I'd like to activate my cell phone, and I'm not sure if I should go with a prepaid plan, or a monthly rate plan.

A: I see. Well, can I have a look at your phone? Unfortunately, this phone can't be used in the US; it's not compatible with our 3G network.

B: What? Really? I don't really want to have to buy a new phone.

A: Well, you're in luck! You see, if you sign up for our three-year plan, we'll throw in a handset for free.

B: Really? What's the catch?

A: There's no catch! You just choose a plan, sign a three-year contract and, that's it! Actually, we're running a special promotion right now, and we're giving away a Blackberry Curve with our special Mega Value forty dollar plan.

B: So what does this plan include?

A: Well, you get nine hundred anytime minutes, and you can also enjoy free mobile to mobile calling to other Tel-Mobile clients, one thousand text messages per month, and unlimited evening and weekend minutes. Oh, and we also offer a rollover option.

B: Wow, all this for forty dollars per month?

A: That's right, plus the activation fee, the emergency services fee, the monthly service fee, oh, and any charges for extra minutes, and...

Elementary-DailyLifeComplainingat aRestaurant

(C0107)

A: Excuse me, waiter? Waiter!

B: Yes, sir? What can I do for you?

A: I've been sitting here for the past twenty minutes and no one has offered me a glass of water, brought any bread to the table and our appetizers haven't been served yet! You know, in this kind of establishment, I'd expect much better service.

B: I am sorry, sir. I'll check on your order right away.

C: Relax honey, the place is busy tonight, but I've heard the food is amazing. Anyway...

B: Here you are, sir. The foie gras for the lady, and a

mushroom soup for you.

A: Waiter, I ordered a cream of mushroom soup with asparagus. This soup is obviously too runny, and it's over-seasoned. It's completely inedible!

B: Okay, I do apologize for that. Can I bring you another soup, or would you like to order something else?

A: Take this foie gras back as well, it's rubbery and completely overcooked. And look at the portion size! How can you charge twenty-five dollars for a sliver of duck liver?

B: Right away... sir.

C: Honey come on! The foie gras was fine, why are you making such a big deal? Are you trying to get our meal comped again?

A: What do you mean? We are paying for this. If I'm shelling out my hard earned bucks, I expect value for money!

B: Here you are, sir. I hope it is alright now. The chef has prepared it specially for you.

A: Yes, fine.

C: Honey, are you alright?

Elementary - The Office - Bad news, boss. (C0108)

A: ... Now that we have been over the gory details of our disastrous first quarter, Ed! Give us some good news. How are things looking for us in terms of sales this month?

B: Uh well...would you like the bad news first or the really bad news?

A: What? Ed, don't tell me you only have bad news!

B: Well sir, our sales have dropped, no plunged, fifty percent in the past month alone. We are currently overstocked and overstaffed and our profits are falling fast. The market is in recession and we have no way of moving our inventory, or getting rid of our staff. If we consider redundancies, it would cost us a fortune because of the new regulations governing compensation packages. It's a real mess.

A: For crying out loud... How fast are we losing money?

B: Um...how can I put this? Let's just say that at this pace, we will be filing for Chapter eleven in less than three months.

A: What! Geez! How could this have happened? So what's the bad news?

B: Oh, that's the really bad news. Our supplier suffered QC problems and, well, half of our production is faulty.

We're going to have to recall all items sold in the last quarter. And the worst part? We're going to have to shoulder this cost.

A: Are you joking? Get the supplier on the line now! They have to assume the costs of this mess!

B: We tried that, sir. The factory has gone under and the owner apparently has fled the country.

A: We're doomed!

B: There is some really good news though!

A: Really? What!

B: I got offered a new job!

Elementary - The Weekend - Breaking Up (C0109)

A: Honey, do you have a second?

B: Sure! Are you okay? You seem a bit worried. What's on your mind?

A: We need to talk.

B: Okay...

A: I've been thinking, and well, I think we need to start seeing other people.

B: What? Why? I mean, we've had our ups and downs, and we have the occasional disagreement, but we're happy together, aren't we?

A: That's just it, I'm not happy anymore, Tim. It's not you, it's me. I know that I can be hard to deal with, and you are a great guy! You are the type of guy that any woman would kill for!

B: So, what are you saying? You're breaking up with me because I'm perfect?

A: Tim, you are too good for me. You deserve someone who can make you smile and make you happy the way that you made me happy. Oh, I could say that I'll be all you need, but that would be a lie. I know I'd only hurt you, I know I'd only make you cry.

B: Baby, come on. Don't do this to me! Whatever it is, we can work it out. Just give me another chance! I know that we can get through this, but we gotta stick together! Don't leave me.

A: I can't, Tim. I hope someday you can find some way to understand I'm only doing this for you. I don't really wanna go but, deep in my heart I know this is the kindest thing to do.

B: Laura...

A: Here are your keys. I'll send my sister to pick up the rest of my things next week. I'm sorry, Tim. I wish you all

the best, and I hope that one day we can meet again. I'll always love you. Goodbye.

Elementary-Daily Life -Registering for University (C0110)

A: Excuse me? Is this where I register? I'd like to sign up for my courses for next semester.

B: Yes, of course. I need your student ID please.

A: Here you are.

B: Okay, Susan. It says here that you are a business major and you are in your second year. Is this information correct?

A: Yes. I do want to take some additional credits this year to get a minor in psychology.

B: Sure. That's not a problem. Do you have the list of courses you want to take this semester?

A: Yeah. Here's my list. I'm not sure if the class schedule will allow me to take all of them though.

B: Yeah, that's perfect. What about the subjects for your minor?

A: Oh yeah! Almost forgot! I need to take fundamental linguistics, consumer psychology and neuroanatomy.

B: Wow, you are going to be busy this semester! Okay, here you go. You are registered now; you'll have to make your first tuition payment before classes start.

Elementary - The Weekend - Golf (C0111)

A: Good morning golf aficionados! My name is Rick Fields, and you guessed it, I am here with my main man, Bob Copeland.

B: Thank you, Rick! As you can see, ladies and gentleman, we are here in beautiful Pebble Beach where the top golfers in the world are trying to win the grand prize of one million dollars!

A: Whoa, that's a lot of cash! Let's go to the course and see how Tiger Woods is doing.

B: All right, were're here at the eighth hole. It's a par four, and has some very difficult hazards which many golfers find difficult to avoid. Although, I did see Jack Nicklaus hit a hole in one on this very same hole!

A: Tiger Woods is about to tee off, and let's see if he has the same luck as Jack. Tiger is asking his caddie for his driver and, he seems to be very nervous.

B: Oh no! Not a good swing at all! It's definitely not his day today. On the seventh hole he got a bogey and before that he barely made par. He will definitely not get a birdie on this shot.

A: It seems that his ball has flown somewhere deep in the trees. He is having a hard time finding it and even his caddie has climbed a tree to try and spot it.

B: Oh no! A bear! Run, Tiger, run! Somebody call animal control!

Elementary - Daily Life - Dr. Plumber (C0112)

A: Good afternoon! Did you call for a plumber?

B: Yes, yes I did. Please come in! I'm so glad you came! This old house is falling apart! Come on into the bathroom. See, here, there's water leaking everywhere!

A: I see. Let me have a look. It seems that your toilet is clogged, and that's why it won't flush. Let me just get my plunger. No, that's not working either. I suspect that there's some sort of foreign object in the pipes that's causing a blockage. That's what's making your toilet overflow.

B: Oh, that must be because of my four-year-old daughter. She is always flushing things down the toilet. You know how kids are.

A: Yeah, I have a little one myself. Anyway, these water pipes are really rusty, so they also should be changed. That could be causing water to not drain completely; that might lead to more problems in the future. I would also suggest fixing this faucet that isn't shutting off properly. I could have it all finished by today if it's urgent.

B: That would be great! Is it expensive?

A: Let's see... I would say about eight hundred dollars.

B: What? That's more than I make in a day and I'm a heart surgeon!

Elementary - The Office - Sorry I'm Late (C0113)

A: Where is everyone? We were supposed to start fifteen minutes ago!

B: Jo called and said she'd be here in a sec. She said she got tied up with a client.

C: Sorry I'm late everyone. There was a huge traffic jam on the highway this morning.

D: Morning everyone! Were you stuck in traffic as well, Jess? There was a huge pileup on the highway and traffic

was backed up for miles.

B: Scott just called and said that he's running late. His last meeting ran over, but he's on his way now.

A: Guys, this is not acceptable. If I say the meeting starts at ten, the meeting starts at ten. Not tenoh-one! And definitely not ten-ten! All right. Let's get started. So the first thing I want to talk about is our...

E: I'm really sorry, everyone! I know I'm late. But really, it's not my fault. I was getting a coffee at Starbucks, and the line was way too long. I was waiting for twenty minutes to get my coffee!

Elementary - The Weekend - 1980's (C0114)

A: Jim! What's up man!

B: Charlie! Is that your ride? It's butt ugly, dude!

A: Don't be a airhead! This is a nineteen sixty-nine Chevy Impala! I just need to fix it up a bit. In a couple of months, this baby is gonna be wicked!

B: Not even! Check it out! Now that's a fresh ride!

A: Too bad the driver is a major dweeb. Anyone can have a car like that if their daddy is loaded like his.

B: He's coming this way, be cool.

C: Hey guys! What do you think of my automobile? Isn't it bad to the bone?

A: Word! The ladies are gonna be lining up to get with you when they see you driving around in that car.

C: You really think so?

B: For sure!

C: Awesome!

A: Psych! haha.. you totally fell for it.

C: You are a real scumbag, Charlie. When I do the nasty with the prom queen, we'll see who has the last laugh.

B: Dude, don't have a cow!

Elementary - Daily Life - I Don't Feel So Good (C0115)

A: Are you okay, man? You don't look very well.

B: Ugh, I feel terrible. I went out last night with Trevor and things got a little out of hand.

A: Nice! So, where did you guys go?

B: We hit a couple of local bars, and met up with some friends. Everything was cool until Mike came along, and it turned out that it was his birthday yesterday!

A: Oh no! Mike's birthday is a drinkfest for sure!

B: Tell me about it! We drank everything in the bar!

A: Is that why you missed work today?

B: Yeah. I woke up this morning feeling really nauseous. I threw up like five times.

A: Eww!

B: I was so dehydrated that I drank like a gallon of water, and my head has been pounding all day. I swear, I'm never gonna drink again!

A: Too bad man, tonight is Tracy's going away party and she asked if you were gonna go.

B: Oh, yeah. I'm there!

Elementary-The Office-You MissedTheDeadline! (C0116)

A: And so, I just wanted to check in with you and find out where we are with this project. As you know, you've missed a fairly significant deadline last week, and this will negatively impact the team's ability to move forward with the next stages of this project.

B: I know, I'm really sorry that I missed the deadline. But really, it wasn't my fault. You see, we had all of these unexpected technical problems at the last minute, and that I couldn't get into the database and extract the kind of information that I needed for the data analysis. You know, if the tech guys would have done their job and kept the CRM stable, then I wouldn't have missed my deadline.

A: Oh, come on! An excuse like that is tantamount to lying. You're essentially blaming the tech team for your time management issues, rather than accepting responsibility for the fact that you were procrastinating for the past two weeks.

B: No, I'm not trying to pass the buck here; I know that it was me who is ultimately responsible for getting this done. But the thing is, I could have finished on time if the system hadn't gone down. And you know, with everything I've got going on now, I can't afford to waste time dealing with technical problems. I've got a lot on my plate and there are only twenty-four hours in a day...

A: I'm not going to accept this excuse. You're using these small technical glitches as a crutch and trying to rationalize the fact that you've missed your deadline. Look, we have standards and I expect you to live up to those standards. No more phoney excuses. If you're in over your

head, you tell me. No more missed deadlines. Now, I want that data on my desk by nine am!

Veronica: No! I'm tired of your lies! I don't know who you are anymore!

Steven: Veronica. It's me, the man that has and always will love you. I'm sorry that I've lied to you. Believe me, it's been so hard for me as well, and time and again, I've thought of coming clean. But, I couldn't put you, or my mission at risk. It's all over now. My assignment is complete and now I have to go back to India.

Veronica: What? Are you kidding? Is there anything else I should know before I never see you again? How could you deceive me like that?

I know deep in my heart that you are the best thing that has ever happened to me. Veronica... will you marry me? Come with me to India baby, I can't make up for everything that's happened, but I can promise you my undying love. I will be the most devoted husband, and I will cherish you always.

Veronica: Steven... I can't just leave everything at the drop of a hat! With everything that has happened between us, I just don't know you any more. I just can't build a relationship on a foundation of lies. I do love you but... I can't go with you. I'm sorry... I love you...

Elementary - Global View - Presidential Speech (C0121)

A: Good evening, my fellow Americans. Three days from now, after a half-century of service of our country, I shall lay down the responsibilities of office as, in a traditional and solemn ceremony, the authority of the Presidency is vested in my successor. This evening I come to you with a message of leave-taking and farewell, and to share a few final thoughts with you, my countrymen.

A: Like every other citizen, I wish the new President, and all who will labor with him, Godspeed. I pray that the coming years will be blessed with peace and prosperity for all.

A: Our people expect their President and the Congress to find essential agreement on questions of great importance, the wise resolution of which will better shape the future of our great nation. My own relations with Congress began on a remote and tenuous basis when, long ago, a member of the Senate appointed me to West Point. I then had the pleasure of building more intimate relationship with Congress during the war and immediate post-war period. Finally, we have progressed to the mutually interdependent relationship we've had during these past eight years.

Elementary - Daily Life - Supermarket Cashier

(C0122)

A: Excuse me sir, this is the express check-out lane for people that have fifteen items or fewer. It looks like you have more than fifteen items there.

B: Oh, come on! I have sixteen items! Cut me some slack, will ya?

A: Fine! Please place your items on the belt and push your shopping cart through. Do you prefer paper or plastic?

B: Plastic. I also have a couple of coupons.

A: No problem, I'll take those. Sir, these coupons expired yesterday.

B: Darn! Oh, well. I guess it's just not my day. Thanks anyway.

A: Do you have a club card or will it be cash?

B: Yeah I got a club card. Here you go.

A: Will this be debit or credit?

B: Debit please. Also, could I get cash back? Fifty dollars would be great.

A: Yeah, sure. Your total is seventy-eight dollars and thirty-three cents. Here is your receipt. Have a nice day.

Elementary - The Weekend - 1990's (C0123)

A: Hey four-eyes! What's up man, how have you been?

B: Not bad, just went to the mall and picked up some junk. Check out my new Adidas!

A: Those are dope! You are gonna be getting mad props from the gang, man. Anyways, have you seen Betty lately?

B: Dude, don't even go there. That girl started trippin' cuz I went to the movies with Veronica the other day. I was like "look, you knew how I was before you got with me".

A: That's right! Your such a playa, man. Dude, there's Mad Max. Let's go say hi.

B: Max! Whassup! Are you okay? You look like you just saw a ghost.

C: I got an F in English class. My life is over...

A: Dude, get over it! You need to lay off the books for a while and have some fun! Come on, let's bounce.

C: Where are we going? Oh, crap. My dad is gonna go postal when he finds out about this.

A: I'm gonna open a can of whopass on you if you don't come with me now!

C: Okay, okay. Geez...

Elementary - Daily Life - Tools (C0124)

A: Alright, ladies and gentlemen. We've been hired to build a deck on this here house, and turn this boring and drab lawn into a backyard oasis. There is one catch, though. We've only got one day to finish this, so I'm gonna need everyone to give one hundred and ten percent today. It's going to be tough, but we've got a great team here, and I know that together we can tackle this project. That being said, let's get to work!

B: That's right. Now, remember, we've been over the plans, but we really need to make sure that everything is up to code. The home inspectors here are pretty thorough, so please make sure you follow the plans exactly. And remember the carpenter's rule of **thumb**: measure twice and cut once.

A: Okay, guys. Let's get at it. Bob! Pass me that hammer! The nails won't go in; the wood is too hard. I think I'm gonna need the nail gun. That did it!

C: Do me a favor and help me cut this two-by-four, will ya? Pass me the circular saw, and grab hold of the end of the board. Now help me drill some holes in it so we can place the bolts.

B: I think you should sand the edges. Look at all these splinters, someone could get hurt. Geez...you gotta take pride in your work!

C: Yeah, you're right. Pass me the sander and I'll take care of it.

A: Julia! Get over here with the level, measuring tape and that box of screws!

C: Oh, no! Look out below!

Elementary - Daily Life - No Smoking! (C0125)

A: It smells like an ashtray in here!

B: Hi honey! What's wrong? Why do you have that look on your face?

A: What's wrong? I thought we agreed that you were gonna quit smoking.

B: No! I said I was going to cut down which is very different. You can't just expect me to go cold turkey overnight!

A: Look, there are other ways to quit. You can try the nicotine patch, or nicotine chewing gum. We spend a fortune on cigarettes every month and now laws are

cracking down and not allowing smoking in any public place. It's not like you can just light up like before.

B: I know, I know. I am trying but, I don't have the willpower to just quit. I can't fight with the urge to reach for my pack of smokes in the morning with coffee or after lunch! Please understand?

A: Fine! I want a divorce!

Elementary - Daily Life - I'm Sorry I Love You X

(C0128)

Gulam: Steven! Good to see you brother! How are you? How was your trip?

Steven: It was fine. I've been better but, it's great to be home, I've missed you all! How's mom?

Gulam: She's great! All she ever does is talk about you -her little boy that went to the United States. You're her pride and joy, you know that?

Steven: Can't wait to see her. And you? What's new with you?

Gulam: Well, Nisha and I are expecting! You'll have another nephew or niece soon!

Steven: That's great! Wow! Congrats! You two are great together, ya know. You have such a beautiful family. I hope one day I can have that.

Gulam: Of course, man! Come on! I mean, everything was set here for you to marry Shalini! You know, she's still pining after you. I don't think she'll ever get over you.

Steven: What are you talking about? I hardly knew her! How could she be in love with me? I couldn't go through with it even though she is a great woman. No, I left my heart in the United States. I just hope Veronica is happy.

Gulam: Get over it! You're home now. Everyone here thinks so highly of you; there'll be girls throwing themselves at you. You can marry anyone you want!

Steven: I don't want to marry anyone! I want to marry her! Don't you understand?

Gulam: You are incorrigible.

Liliana: Steven! My baby how are you! I've missed you so much!

Steven: Hey, mom! Great to see you!

Liliana: You look so thin! Didn't those Americans feed you? Come come, let's have some chai. By the way... There is a girl here waiting for you.

Veronica: Hi Steven.

Steven: Veronica! How did you get here? How did you know where I live? I waited for you at the airport but you never showed...

Veronica: I also have some little secrets that I haven't told you about, but we can discuss that later. I realized that I was just scared. Scared of how much I love you and of the commitment that marriage requires. I'm here now. Now there is something I wanna ask you. Steven, will you marry me?

Priest: I now declare you, husband and wife. You may kiss the bride.

Elementary- Global View - Presidential Speech II (C0129)

A: We now stand ten years past the midpoint of a century that has witnessed four major wars among great nations. Three of these involved our own country. Despite the carnage of these conflicts, America is today the strongest, the most influential and most productive nation in the world. We are understandably proud of this preeminence, yet we realize that America's leadership and prestige depend, not merely upon our unmatched material progress, riches and military strength, but on how we use our power

in the interests of world peace and human betterment.

A: Throughout America's adventure in free government, such basic purposes have been to keep the peace; to foster progress in human achievement, and to enhance liberty, dignity and integrity among peoples and among nations.

A: We pray that peoples of all faiths, all races, all nations, may have their great human needs satisfied; that those now denied opportunity shall come to enjoy it to the full; that all who yearn for freedom may experience its spiritual blessings; that those who have freedom will understand, also, its heavy responsibilities; that all who are insensitive to the needs of others will learn charity; that the scourges of poverty, disease and ignorance will be made to disappear from the earth, and that, in the goodness of time, all peoples will come to live together in a peace guaranteed by the binding force of mutual respect and love.

A: Now, on Friday noon, I am to become a private citizen. I am proud to do so. I look forward to it. Thank you, and good night.

Elementary - Daily Life - Going To The Gym (C0130)

A: Hey there, you look a little lost. Are you new here?

B: Yeah how'd you know?

A: You can always spot the newbies. I can give you a few pointers if you want. Were you trying to use this machine here?

B: Yeah! I just started my training today and I'm not really sure where to begin.

A: It's ok, I know how it is. This machine here will work out your upper body, mainly your triceps and biceps. Are you looking to develop strength or muscle tone and definition?

B: Well, I don't want to be ripped like you! I just want a good physique with weights and cardio.

A: In that case you want to work with less weight. You can start off by working ten to fifteen reps in four sets. Five kilo weights should be enough. Now it's very important that you stretch before pumping iron or you might pull a muscle.

B: Got it! Wow is that the weight you are lifting? My goodness that's a lot of weight!

A: It's not that much. Just watch... I'm ok...

Elementary - Daily Life - What if? Part 1 (C0131)

A: Okay, next question. If Eric asked you out on a date, what would you say?

B: Duh! I would say yes! Eric is the most popular kid in school! Okay, my turn. What would you do if you won the lottery?

A: Let's see.... If I won the lottery, I would buy two tickets for a trip around the world.

B: If you buy me a ticket I will go with you for sure!

A: My dad will freak out if I even mention a trip like that!

B: Alright this is a good one. What would your mom say if you told her you are going to get married?

A: If I told her that, she would faint and have me committed!

Elementary - Daily Life - Mechanic (C0132)

A: Howdy! Nice car! What seems to be the problem?

B: I don't know! This stupid old car started spewing white smoke and it just died on me. Luckily, I managed to start it up and drive it here. What do you think it is?

A: Not sure yet. How about you pop the hood and we can take a look. Hmmm, it doesn't look good.

B: What do you mean? My daddy gave me this car for my birthday last month. It's brand new!

A: Well missy, the white smoke that you saw is steam from the radiator. You overheated your engine so now the pistons are busted and so is your transmission. You should have called us and we could have towed you over here when your car died.

B: Ugh... So how long is this going to take? An hour?

A: I'm afraid a bit more than that. We need to order the spare parts, take apart your electrical system, fuel pump and engine and then put it back together again. You are going to have to leave it here for at least two weeks.

B: What! How am I supposed to get to school or go shopping? This is not happening!

Elementary - Daily Life - Doing Laundry (C0133)

A: Ok, let's go through this one more time. I don't want anymore ruined or dyed blouses!

B: I know, I know. OK, so I have to separate the colors from the whites and put them in this strange looking

contraption so called washing machine.

A: Right. You have to turn it on and program it depending on what type of clothes you are washing. For example for delicates, you should set a shorter washing cycle. Also, be sure to use fabric softener and this detergent when washing.

B: So complicated! Ok, what about this red wine stain? How do I get it out?

A: Since this is a white t-shirt, you can just pour a little bit of bleach on it and it will do the trick.

B: Cool. Then I can just throw everything in the dryer for an hour and its all set right?

A: No! Since you are washing delicates and cotton, you should set the dryer to medium heat and for twenty minutes.

B: You know what? I'll just have everything dry cleaned.

Elementary - Daily Life - Buying a TV (C0134)

A: Seriously, I don't know why we need to get a new TV.

B: Honey I told you already. I can't appreciate the graphics level and detail of the games on my Playstation 3 on our old TV.

C: Good afternoon folks! How can I be of service today?

B: I'm looking to upgrade to a newer, bigger television set.

C: You've come to the right place! What size are you looking for?

A: Just a normal sized TV for our living room.

C: I see. Well this set here is on sale. It's a forty six inch HDTV screen and has all the works. Three HDMI connectors, USB, VGA and S - Video ports. It even has a DVI port so you can hook up your PC or laptop! This is without a doubt the complete home theater experience!

B: This is exactly what I need! Can you imagine watching movies or playing video games on this thing?

A: Honey, I think it's a bit too big. I don't even think it will fit in our living room.

C: Not to worry, we will deliver and install it in your home. It comes with a wall mount so you can just hang it on the wall like a picture!

B: This is great! How much will this set me back?

C: Lucky for you, this is the last one we have in stock so it's half off!

B: I'll take it!

Elementary - Daily Life - Cheer Up (C0135)

A: Ok... I'll talk to you later. Bye

B: Carrie, are you ok? You seem a bit down.

A: I just got off the phone with my boyfriend. He is always getting upset and losing his temper over nothing. It's so hard to talk to him at times.

B: Maybe it's just that he is stressed out from work or something. He does have a pretty nerve wracking job you know.

A: Yeah but, he is always in a really foul mood. I try to find out what's bothering him or get him to talk about his day but, he always shuts down and brushes me off.

B: Men are like that you know. They can feel nervous, anxious or on edge and the only way they can express it is by trying to hide it through aggressiveness.

A: I guess you are right. What do you think I should do? He wasn't always this grouchy you know...

B: Talk to him, try to cheer him up when he is down and if that doesn't work, I say get rid of him and get a new one!

A: You are something else you know that?

Elementary - Global View - Gambling (C0136)

A: Did you hear? The state is thinking of legalizing gambling in our city! Soon we are gonna have amazing hotels and casinos here which will be good for our business!

B: Are you serious? Gambling is a vice industry built on deception and fed by the intentional exploitation of human weakness for the sole purpose of monetary gain! It disgusts me.

A: What are you talking about? How does it exploit people?

B: Well, to begin with, Gambling is addictive, ruins marriages, destroys families and bankrupts communities. Once you are addicted it is very difficult to stop. People have lost their houses, cars and been left out on the street after becoming addicted. Secondly, it exploits because men become addicted to gambling most often because of the action and risk. Women gamble to escape, and senior citizens will start gambling for the social interaction. Underage gamblers often start gambling on sports with friends and then illegal bookies.

A: Geez! Now that I think about it, maybe legalizing

gambling isn't such a good idea! Although, I have been to Las Vegas, and I didn't become addicted or anything like that.

B: You cannot predict who will become addicted to gambling. Now excuse me, I have a protest rally to organize!

Elementary - Daily Life - Getting Internet Service (C0137)

A: Welcome to Galanet. How can I help you?

B: Hi. I would like to get an internet plan for my house.

A: Of course. We have three different plans with different prices you can choose from. The first one is the cheapest but most basic plan which is thirty dollars a month. This is for broadband internet with a download speed of five hundred and twelve kbps.

B: I have no idea what kbps means. I just want to be able to get online, play games and chat with my friends. Oh, and watch movies online as well.

A: Well, this connection might be a bit too slow for your needs. I suggest you get the premium package for fifty dollars a month which includes a connection speed of two megabytes. That way you can play games online without any lag. This package also includes a wireless router and a personal firewall absolutely free!

B: Do I have to pay an installation fee?

A: Lucky for you, this month we aren't charging our normal installation fee. You are saving yourself 100 bucks right there! And we'll throw in this pen drive!

B: Awesome!

Elementary - Daily Life - Renting A Car (C0138)

Man: Hi, I made a reservation for a mid-size vehicle. The name is Jimmy Fox.

Agent: I'm sorry, we have no mid-size available at the moment.

Man: I don't understand, I made a reservation, do you have my reservation?

Agent: Yes, we do, unfortunately we ran out of cars.

Man: But the reservation keeps the car here. That's why you have the reservation.

Agent: I know why we have reservations.

Man: I don't think you do. If you did, I'd have a car. See,

you know how to take the reservation, you just don't know how to hold the reservation and that's really the most important part of the reservation, the holding. Anybody can just take them.

Agent: But we do have a compact or an SUV if you'd like.

Man: Fine. I'll take the compact.

Agent: Alright. We have a blue Ford Focus for you Mr. Fox. Would you like insurance?

Man: Yeah, you better give me the insurance, because I am gonna beat the hell out of this car.

Elementary - The Weekend - Playing Chess (C0139)

Daddy: Bobby! Come here, look what I got you!

Bobby: What is that?

Daddy: A chess board! Daddy is going to teach you how to play!

Bobby: Cool!

Daddy: Ok, each player gets 16 pieces. You can be the white ones and I'll play with the black pieces. Now in the front, you set up the pawns. Those are the least valuable pieces and can only move one space forward. When you are about to capture another piece, it can move one space diagonally.

Bobby: What about all these other pieces?

Daddy: See this one that looks like a tower? It's called the rook. The one with the tall hat is called the bishop. See this little horsey? This is called the knight, it's a very important piece so it's best to not let your opponent capture it.

Bobby: And these two? They are husband and wife?

Daddy: That's right! That's the queen and that's the king. If the other player captures your king, he will say "Check Mate" and the game is over! Doesn't this sound fun?

Bobby: Nah! This is boring! I'm gonna go play Killer Zombies on my PlayStation!

Elementary - Daily Life - Buying a Computer (C0140)

Customer: So can you fix it?

Sales Clerk: I'm sorry sir. This computer is not broken or damaged. It's simply just too old! That's why your programs and applications are running slow. There really

isn't much I can do.

Customer: What do you mean? I bought this computer just three years ago!

Sales Clerk: Yes, but technology is ever changing and technology is becoming obsolete faster and faster!

Customer: Ok, I know where this is going. How much will it cost me to get a new computer?

Sales Clerk: Well, this desktop over here is our latest model. It has a four gigahertz processor with sixteen gigabytes in RAM and a hard disk with one terabyte. Of course, it includes a mouse, keyboard and desk speakers.

Customer: I have no idea what you are talking about. I just want to know if it's good and if I will be able to play solitaire without the computer crashing or freezing all the time!

Sales Clerk: This PC is top of the line and I guarantee it will never freeze! If it does, we'll give you your money back!

Elementary - Daily Life - What If? Part 2 (C0141)

A: This is the good life! We have it good don't you think?

B: Yeah of course! Although, don't you ever wonder what "could have been"?

A: What do you mean?

B: Well, sometimes I think of how things could have turned out if I had done things a little differently.

A: For example?

B: Like for example, if I hadn't studied architecture, I would have become an artist like I wanted to.

A: I see. Yeah now that I think of it, I wouldn't have gotten married if I hadn't moved to this town and met Sally.

B: You see! Everything happens for a reason! We wouldn't even have met if I hadn't been in that car accident ten years ago!

A: Well, I have no regrets!

B: I'll drink to that!

Elementary - The Weekend - What Do I Wear? (C0142)

A: Honey come on! We are going to be late! Honestly, you take longer getting ready than I do!

B: I was drying my hair and ironing my shirt! Can you

come here for a sec? I need your help.

A: What is it? Why are all these clothes on the bed?

B: I don't know what to wear! Ok, give me your opinion. Do you like the way this looks? The striped short sleeved shirt with this checkered sweater and my lucky sandals. I like the cut and hemline of these shorts so I think I'll wear these as well.

A: Are you joking? What am I going to do with you? We are going to a dinner party not the beach! Wear the shirt with the silk tie I bought you and these corduroy pants. It's chilly outside so you can wear this coat.

B: Thanks honey! You have such great fashion sense. Now, what am I going to do with my hair?

Elementary - Daily Life - The Butcher (C0143)

Butcher: Hi. What can I get for you?

Gina: I'd like a half a pound of ground beef, please.

Butcher: Good choice! Our ground beef is extra lean, if you know what I mean.

Gina: Could I also have half a dozen pork chops and two pounds of boneless chicken breasts?

Butcher: No, no no no chicken breasts at the moment, but we have some nice chicken thighs.

Gina: No, that won't do. I'll take this smoked ham you have here.

Butcher: Okay, is there anything else?

Gina: Do you have any other cold cuts? Is this salami and bologna you have here?

Butcher: Yes! It's very fine meat! Made it myself...

Gina: Sounds good. Okay, that's it.

Butcher: Wait! We have T-bone, rib eye, and sirloin steaks. They are very fresh! Just came from the slaughter house...

Gina: Mmm... No that's okay, really. I think that's all for today.

Butcher: Okay. That will be thirty-four dollars and fifty cents.

Elementary - Global View - Capital Punishment (C0144)

ProfTsshoar: It's all for today's class. We will continue our lecture on crime and punishment tomorrow.

A: Do you think we should be tougher on crime?

B: Well, it depends on what you mean.

A: For example, we could bring back the death penalty for murder, give longer prison sentences for lesser offences and lock up juvenile offenders.

B: Those really sound like Draconian measures. Firstly, what do you do about miscarriages of justice if you've already put innocent people to death?

A: You'd only use capital punishment if you were absolutely sure that you'd convicted the right person.

B: But, there've been many cases of wrongful conviction where people have been imprisoned for many years. The authorities were sure at the time, but later it was shown that the evidence was unreliable. In some cases, it'd been fabricated by the police.

A: Well, no system of justice can be perfect, but surely there's a good case for longer prison sentences to deter serious crime.

B: I doubt whether they could act as an effective deterrent while the detection rate is so low. The best way to prevent crime is to convince people who commit it that they're going to be caught. It doesn't make sense to divert all your resources into the prison system.

A: But if you detect more crimes, you'll still need prisons. In my reckoning, if we could lock up more juvenile criminals, they'd learn that they couldn't get away with it. Soft sentences will merely encourage them to do it again.

B: Yes, but remember that prisons are often schools for criminals. To remove crime from society, you really have to tackle its causes.

A: Well, if I were president, I would impose tougher laws and punishment. I would have a peaceful society based on fear of punishment, not consciousness of doing the right thing.

B: You sound like a dictator!

A: Well if it works, why not?

Elementary - Daily Life - Chicken Pox (C0145)

A: What's wrong with you? Why are you scratching so much?

B: I feel itchy! I can't stand it anymore! I think I may be coming down with something. I feel lightheaded and weak.

A: Let me have a look. Whoa! Get away from me!

B: What's wrong?

A: I think you have chicken pox! You are contagious! Get away! Don't breathe on me!

B: Maybe it's just a rash or an allergy! We can't be sure until I see a doctor.

A: Well in the meantime you are a biohazard! I didn't get it when I was a kid and I've heard that you can even die if you get it as an adult!

B: Are you serious? You always blow things out of proportion. In any case, I think I'll go take an oatmeal bath.

A: Ewww!

Elementary - Global View - Animal Rights (C0146)

A: You should have seen the T.V. show that was on last night, the topic it covered was really interesting; animal rights.

B: Do you really believe in that? If they are going to focus on something, they should do it on civil rights.

A: Yes, but we can't deny that animals are vulnerable, defenseless, and are completely at the mercy of human beings.

B: I understand your point, but we continue to have transgressions against human rights. If so much attention weren't devoted to the topic of animals, we would then concentrate more on saving a human being instead of protecting a koala.

A: You can't compare apples and oranges; I believe that both topics are important and that we can't ignore them, the mistreatment of animals can cause a great environmental imbalance. I believe that governments should prohibit activities like poaching.

B: Well, you are right on that point. This is the reason that I don't buy leather and I try to buy synthetic products.

B: At least you're doing your part. My contribution is to have a pet in the house that I treat like a member of the family.

A: As long as you don't treat it better than your wife, it's fine.

Elementary - Daily Life - The Argument (C0147)

A: Wow, that terrible movie is finally over. Next time I'm picking the film, because I don't want to end up seeing a chick flick.

B: Well you should have picked, in the end you always complain about everything.

A: Not everything, just this film. Even the title is ridiculous; and it's so long, those are the two and a half most wasted hours of my life, so much so that I'm thinking about asking them to give me my money back.

B: I'm thinking of taking you back home. I thought we could have a nice evening, but you're always so negative.

A: I'm only complaining about a movie that I could have rented or bought and then thrown in the garbage.

B: You see, that's what I'm talking about, I can't stand your sarcastic jokes anymore

A: Next time, go with your gay friend who is more in touch with his feelings.

B: Well he's more of a man than you are; at least he appreciates love stories.

A: Love? More like one-night-stands.

B: Don't criticize Mario or else I'll start on those fat, drunk friends of yours; they're no saints.

A: My friends? Fat? What about those whales you call friends?

B: You're unbearable; you can walk home, I'm leaving.

Elementary - Daily Life - Paranoid (C0148)

A: Dan, Dan dude. You have to come over to my house right now!

B: Is everything Ok?

A: Just get over here!

A: Come in! Quickly!

B: So, since when is your house a bank?

A: What do you mean?

B: I mean, what's up with the deadbolts and iron bars on your windows.

A: Security Dan, security! You can never be too safe you know! A lot of sickos out there. Just the other day they caught that peeping tom red handed! Had a high power telescope and binoculars by his window.

B: What's the matter with you? Why are you acting all paranoid?

A: Paranoid? I'm not paranoid! I'm cautious! You see Dan, we have to be on guard at all time! People just invade your privacy as if they knew you! Telemarketers, solicitors, even your bank! They have way too much information! I like to keep everything on a need to know basis

B: OK, well, what did you want to see me about?

A: You are being watched! Be careful Dan! Be careful!

Elementary - Daily Life - Moving (C0149)

A: Ok, that's fine. Bye.

B: What happened?

A: That's it, my lease is up. I have to move.

B: What? Why? Can't you renew it?

A: The owner apparently is selling this place to make way for the construction of a parking lot

B: Well, I can help you pack. We should start looking for a new place for you ASAP.

A: I think I might move in with my parents for a couple of months until I can find something. You know how hard it is to find a decent place around here. I'm gonna have to put most of my stuff in storage for a while.

B: Well, let me know if there's anything I can do to help out.

A: Actually, would you mind looking after my pet tarantula and snake for a couple of weeks?

B: hehe.. sure

Elementary - The Weekend - Bug Spray (C0150)

A: The mosquitos are biting me!

B: Me too, I can't stop scratching. They are everywhere! Sneaky little jerks.

A: Do you have any bug spray?

B: No, I forgot to buy some.

A: Then we'll have to put up with it.

B: We can cover ourselves with beer! That way if they bite us, they'll get drunk and fall asleep

A: That's without a doubt, the best idea you've had! Let's do it!

B: Run! They are thirsty for more!

Elementary - Advanced - Darwin's Theory Of Evolution (E0151)

A: It's been a long time since I last saw you. Where have you been?

B: The exams and plans I have to turn in are driving me crazy, I don't even have time to sleep.

A: It's the same for me. I'm up to my neck in work, but at least finals are coming soon and we'll have a vacation. Where are you going now?

B: I'm going to Anthropology class and now with the year anniversary of Darwin, it's the only thing we study. Frankly, I'm sick and tired and tired of hearing about this guy.

A: What? Why? How can you not like Darwin? I mean the man changed the entire perception of how things came to and his theory is backed by pretty solid evidence!

B: I don't like him. His theory of human evolution and natural selection is full of holes. It lacks the solid evidence of which you speak of.

A: That statement puts you at odds with half of the academy. Not to mention your professors! Furthermore, the explanation proposed by Darwin about the origin of species and the mechanism of natural selection constitutes a grand step toward a coherent understanding of the world and evolutionist ideas.

B: I'm not minimizing his grand contributions, it's just that his theory reminds of the conundrum of the chicken and the egg.

A: What are you talking about?

B: The question is, which was first? The chicken or the egg? I feel the same regarding his theory. How does the first cell of life come to be?

A: Interesting. I think that question is better suited for my philosophy class. In the meantime, how about we settle this... with a due!

Elementary - The Office - Cut It Out (C0152)

Ed: Hey, Mary, can you cut that out?

Mary: Cut what out I'm not doing anything.

Ed: The tapping of your pen on your desk. It's driving me crazy.

Mary: Fine! By the way would you mind not slurping your coffee every time you have a cup!

Ed: I don't slurp my coffee. And plus, how can you hear it when you're shouting into your phone all the time?

Mary: You've got to be kidding me! You're complaining about me talking on the phone when you go out for a cigarette break ten times a day to shoot the breeze?

Ed: Look, we have a lot of accumulated anger from working in these conditions, and it's probably okay to let off steam once in a while But, it's probably not a good idea to keep it up I'm willing to forgive and forget and if you are.

Mary: Fine. Let's call a truce. I'll try to more considerate

and to keep the noise down

Ed: Yeah, I'll try to do the same. So, I was wondering you wanna go out to dinner Friday night?

Elementary - Daily Life - Homesick (C0153)

Sarah: Tom! How are you? We missed you at the party last night. Are you ok?

Tom: I don't know. I didn't really feel like going out. I guess I'm feeling a little homesick.

Sarah: Come on We've been through this already! Look, I know the adjustment was hard when you first got here, but we agreed that you were gonna try and deal with it.

Tom: I was. It's just that the holidays are coming up and I won't be able to home because I can't afford the airfare. I'm just longing for some of the comforts of home, like my mom's cooking and being around my family.

Sarah: Yeah, it can get pretty lonely over the holidays. When I first got here, I'd get depressed and nostalgic for anything that reminded me of home. I almost let it get to me, but then I started going out, keeping myself busy and before I knew it, I was used to it.

Tom: I see what you mean, but I 'm still bummed out.

Sarah: Ok how does this **sound:** let's get you suited up and hit the dance club tonight. I hear that an awesome DJ is playing and there will be a lot of pretty single girls there!

Tom: You know, I could really go for that. You don't mind being my wingman for tonight?

Sarah: Not at all! It be fun! It will be like a boys night out... well kinda...

Tom: Great! I must warn you though, whatever happens, don't let me go on a drinking binge. Trust me, it's not a pretty picture!

Elementary - The Weekend - Rock Band (C0154)

A: I'm forming a music band.

B: Do you already know how to play an instrument?

A: Uh... Yeah! I've told you a thousand times that I'm learning to play the drums. Now that I know how to play well, I would like to form a rock band.

B: Aside from yourself, who are the other members of the band?

A: We have a guy who plays guitar, and another who plays

bass. Although we still haven't found anyone to be our singer. You told me that you had some musical talent, right?

B: Yes, I'm a singer.

A: Perfect. So you can audition this weekend here at my house.

B: Great! Wait here? You don't have enough room for the amplifiers, microphones or even your drums! By the way where do you keep them or practice?

A: Dude? What are you talking about? It's right here! All we need is my Nintendo Wii and we are set!

Elementary - The Weekend - Bachelor Party (C0155)

A: Hi honey! You'll never guess what! My friends Julie and Alex are getting married!

B: Wow that's great news! They're a great couple!

A: I know! Anyways I just talked to Alex's best man and he is organizing the bachelor party It's gonna be gonna be so much fun! All the groomsmen are thinking up all the wacky and crazythings we are going to do that night.

B: You aren't going to a strip club are you? I don't want you getting a lap dance from some stripper with the excuse that it's your friends party.

A: Aw come on! It's just some innocent fun! You know how these things are! We are gonna play drinking games, get him some gag gifts and just have a good time.Nothing too over the top .

B: Well, I don't know.

A: Come on! If one of your friends was getting married I wouldn't mind you going to her bachelorette party!

B: Good,because my friend Wendy is getting married and I'm organizing her party!

A: What!

Elementary - The Weekend - Scary Story (C0156)

A: Oh no! The lights went out! Honey can you light a candle?

B: Sure. What do we do now?

A: Well, we can just talk, you know, like we used to. Hmm... I know! I'll tell you a scary story! It happened to me and my dad when I was a teenager... (fade out - fade in new scene) I was living with my father at the time, when

he received a phone call.

B: Hmm... I know! I'll tell you a scary story! It happened to me and my dad when I was a teenager...I was living with my father at the time, when he received a phone call. I was living with my father at the time, when he received a phone call.

FatheHr:ello? Yes this is him. I see, I'm sorry to hear that. Ok no problem. I'll be there shortly. Pack some clothes Tony, my great aunt is very ill and no one in the family wants to take care of her. We are going to stay at her house for a few days.

Kid: Aunt? What aunt? I never knew you had a great aunt!

FatheWr:ell, the family doesn't talk about her or get near her, for that matter.

Kid: Why is that?

FatheCr:ome on, we have to go.

B: So we arrived at this old house on the outskirts of our town. There was almost no one around and the house had an eerie look to it. Once inside the house, we walked to her room and I was surprised to find my dad's great aunt in a wheelchair, yelling at someone, but we were alone in the room.

FatheHr:i, aunt Ursula! This is my son Tony.

UrsulWa:hy have you come? Why are you here? Don't you know it isn't safe? My time is near, he is coming for me.

Kid: Who is coming for you?

UrsulTah: e prince of darkness! The lord of the underworld, the tempter, the old serpent.

FatheCr:ome on, aunt Ursula let's lay you down. You need to get some rest. Tony, help me lay her down.

B: That night, we slept in one of the 12 rooms of that big old mansion. The trees outside seemed to come alive and their shadows formed ghoulish shapes on my bed. All of a sudden, we heard screaming.

UrsulAah: hh! Get off me beast! I won't let you take me! Ahhh!

Kid: Dad! Dad! Something is attacking aunt Ursula!

UrsulUa:rsula: Take your claws off me! Go back to the underworld you demon! I shall be judged before you can take me!

FatheTrh: e door is jammed! Stand back! Aunt Ursula! Where are you?

Kid: Over here!

B: And as we approached her, she was lying on the floor, with her hands and feet open like the Vitruvian Man,

breathing heavily with bloody marks and scratches on her arms, legs and face. Remember how I mentioned that she was in a wheel chair? My aunt had been paralyzed from the neck down for just over a year. After this incident, strange things would happen in the house and my aunt would yell and scream, according to her, warding off the evil that had come to get her. As the days passed, she became very weak and eventually was unable to talk. My dad had to work during the day, so I was left to care for her. When she lost her voice and laid on her death bed, I would hear her breathe, in and out.

B: Until finally one day, she breathed in... and never exhaled. That night, I felt relieved that it was finally over, but it wasn't.

B: I was so terrified of what I was hearing, that I didn't sleep all night. The following morning, I went to the bathroom, expecting to find a mess and everything torn up, but I found everything exactly as it was before. The movers came that same day and as we were cleaning out her drawers and personal items, we found strange notebooks with names and amounts of money written next to them. We found pictures with people's faces sewn with black or red string. And you want to know what the strangest thing was? There was a small doll, filled with dead ants, with a strand of hair tied around it's waist, and on the doll's face, there was a picture of me with the **numbers:** "311009". You know what date it is today? October 31st, 2009....

Elementary - The Weekend - Trick Or Treat (C0157)

A: Trick - or -treat

B: Tom, aren't you a little too old to be trick-or - treating?

A: What are you talking about? Where is your Halloween spirit?

Didn't you ever dress up in a costume and go around the neighborhood trick-ortreating with your friends?

B: Of course I did, but when I was ten! Trick -ortreating is for kids, plus, I 'msure people will think you're a kidnapper or something, running around with kids NCP at night.

A: Whatever, I'm going next door! I heard Mrs. Robinson is giving out big bags of M&Ms!

Elementary - Global View - All Saints Day (C0158)

C: The Day of the Dead has arrived All Soul's Day and All Saint's Day!

A: Your neighbor is crazy. Why is he screaming that?

B: Because today is the first of November the Day of the Dead

A: Oh, that's right.

B: This is a very special day among many cultures around the world especially in Latin America

A: Seriously? I thought it was just like any other day, except for the fact that people visit the cemetery and remember their loved ones.

B: Well, that's just part of it People across the world celebrate in different ways In Mexico for example it's Common to see people building private altars honoring the deceased using sugar skulls, preparing the favorite foods and beverages of the departed and visiting graves with these as gifts. In the Philippines, the tombs are cleaned or repainted, candles are lit and flowers are offered Entire families camp out in cemeteries and sometimes spend a night or two near their relatives' tombs!

A: Whoa! That's scary! I don't know if I could do that!

B: Why? We should fear the living, not the dead.

Elementary - Daily Life - Getting Flowers (C0159)

A: Hello sir, how may I help you?

B: I would like to buy some flowers, please. Something really nice.

A: I see, may I ask what the occasion is?

B: It's not really an occasion, it's more like I'm sorry.

A: Very well. This arrangement here is very popular among regretful husbands and boyfriends. It has a dozen long stem red roses with a couple of sunflowers and a single orchid that stands out. It includes a small teddy bear to achieve the effect of immediate forgiveness.

B: I think I'm gonna need more than just a dozen red roses and a bear. What else do you recommend?

A: Mmm, well this is our "I'm sorry I cheated on you" package. Two dozen red roses lined with tulips, carnations and lilies. The fragrance and beauty of this flower arrangement is sure to make her forgive you.

B: I don't think that's gonna cut it. I need something bigger and better!

A: I'm sorry sir but, what exactly did you do?

B: Well, I may have accidentally insinuated that she is getting chubbier.

A: Get out of my store you jerk!

Elementary - Global View - Health Insurance (C0160)

A: Hey honey, how was your day?

B: It was alright. I ran into Bill and we got talking for a while He's in a bit of a jam.

A: Why? What happened?

B: Well, his son had an accident and Bill doesn't have health insurance. This really got me thinking, and I wondered if we shouldn't look into a couple of different HMO's.

A: Yeah, you're right. We aren't getting any younger and our kids are getting older.

B: Exactly! I searched on the web and found a couple of HMO's with low co pays and good coverage. The deductibles are low, too.

A: Sounds good, although, do you think we can qualify for insurance? Those insurance companies are real pirates when it comes to money.

B: Well, we don't have any pre existing illnesses or conditions, so we should be fine.

A: I wish our company or country provided us with healthcare.

B: Not in a million years!

Elementary - Daily Life - Computer Games (C0161)

A: Mark Where have you been? I've been calling you all morning.

B: I've been playing computer games.

A: What? So you blew me off yesterday and today over a stupid video game? What game is so important that you have no time for me anymore? What are you playing?

B: It's called Counter Strike It's a first person shooter game. It's awesome. It's a multi player game where you can go online and compete against players from all over the world.

A: You've been wasting your time on this? I can't believe it! It doesn't even look fun or challenging!

B: My laptop is on my bed. If you think it's so easy then

get online and try to beat me.

A: Fine!

B: Damm it! How are you killing me with a single shot? It's not fair! I don't want to play anymore! Let's go get something to eat.

A: Can you bring me something? I am totally hooked on this game!

Elementary - Global View - Veteran's Day (C0162)

A: Do you have any plans for Veteran's Day

B: You mean Armistice Day

A: Well, as you know, on November 11th allies signed a peace treaty with the Germans, also known as the Armistice Treaty. This marked the end of WWI and many countries around the world commemorate this date under names such as day. In Poland it's their independence day! There's a lot going on around the world on this day.

B: Wow, I didn't know! Probably because I flunked history in school.

Elementary - Global View - Social Security (C0163)

A: Well that was an interesting documentary!

B: For sure! I didn't really understand some of the technical jargon they used in the film when they talked about social security in the US.

A: Like what?

B: Well, they mentioned how people put away money in something called a 401K?

A: Yeah, I know it sounds weird, but a 401k is a type of retirement plan that allows employees to save and invest for their own retirement. Through a you can authorize your employer to deduct a certain amount of money from your paycheck and invest it in the plan. Everyone tries to contribute as much as possible so that when you retire, you can rest peacefully on your nest egg.

B: That's interesting and logical I guess. In my country, we also have to contribute to a government-run retirement fund, but most people don't really trust it so they just invest in properties or things like that.

A: That seems a bit unstable don't you think?

B: Yeah, but corrupt governments in the past have created distrust among banks and financial institutions, so now people prefer to have money hidden in a jar or a piggy

bank.

A: I've been thinking of doing that lately! I don't want some banker to run off with my money!

Elementary - Daily Life - Apology Letter (C0164)

A: Dear Mary, I come here today, in this way, because I need to apologize to you. I failed you. Although I did not lie to you in words, I lied to you with faces that did not belong to me. I never meant to ruin the friendship that meant the world to me. You mean the world to me and now I come to you asking for forgiveness. If in your heart you find you can't, then I will understand and learn from this experience.

A: You came into my life at a time when I needed you the most. We talked about so many things that I started to realize my heart and my soul could actually feel something other than hurt. You placed comfort where there was fear, confidence where there was doubt, a shoulder where tears could fall and completeness where there was emptiness. I wanted to hold onto this so badly that I did whatever it took for you to notice. What I didn't realize was that I could lose my entire being, all of who I was and all that I had placed in you.

A: I wanted to be the one who would be there when you needed to talk. I wanted to be the comfort for your soul when the world was too much to handle. I wanted to be strong for you when everything else seemed impossible. I wanted to love you in only the way you deserved to be loved, never realizing that I was destroying myself and you. Somehow I needed you to be a part of my life. The only problem was that I was willing to jeopardize everything to get that done.

A: All the things that I told you about how I felt and how you make me feel were true. Nothing else mattered to me except hearing the laughter in your voice when you were happy. You made my days easy to get through and my nights peaceful; you helped me look forward to another day. Even though distance separated us, just being was enough.

A: I'm sorry for hurting you and if I had to do all over again I would have been 100% with you. Forgive me please,

Elementary - Daily Life - Asking For A Loan

(C0165)

B: Hello Sir may I help you?

A: Yes. I would like some information for requesting a loan.

B: Very well, here are the general terms of our loan policies. We pride ourselves in having the lowest interest rate in the country for personal loans.

A: I see. So let me get this straight. If I borrow let's say, ten thousand dollars, how much will I have to pay each month?

B: It depends on how long you take to pay it back. If we lend you ten thousand dollars at an annual interest rate of ten percent for forty eight months, you would have to pay each month a portion of the loan which is called the principal and another small portion of the annual interest rate. This of course is considering that you don't default on a payment!

A: It sounds good but, there is just one problem. I have a terrible credit score.

B: That is a very serious problem you see, the bank must assess your personal information, past loans, assets and any other relevant information such as your credit score in order to approve your loan.

A: You know what? I don't really need the money. Thanks anyways!

Elementary - Daily Life - Dr. Botox (C0166)

A: What are you doing?

B: Look at me. I look so old! I look as if I were thirty.

A: Come on! Stop being so vain. You look great! You are beautiful!

B: Yes, I am, but I think it's time for some plastic surgery. I'm tired of these wrinkles and sagging skin. See?

A: I don't see any wrinkles or sagging skin! You are stop being ridiculous. Besides, I think that people who get Botox, have facelifts, or tummy tucks look weird. It doesn't look natural.

B: Whatever, I think I'm gonna get liposuction and a nose job and some breast implants as well.

A: I think you need to get brain surgery. I honestly don't think you need cosmetic surgery. You look amazing.

B: I thought you were my friend and would support me on

this! I just want to feel better about myself and feel more attractive.

A: You don't need plastic surgery to do that. You are fine the way you are and you have guys drooling all over you! Plus, plastic surgery hurts!

B: Really?

A: Yeah! When I got my nose job I was black and blue for a week!

Elementary - Daily Life - Learning How To Drive

(C0167)

A: Ok! I'm ready for my driving lesson! Should I start the car?

B: Hold on there Fittipaldi, first let's go over things one more time. Now before you even think of starting the car, make sure your seat is at a comfortable position and you can grip the steering wheel firmly. Next check your rear view mirror to make sure you can see properly.

A: We have been through this a million times! Let's get going already! I'm ready!

B: Fine start the car. now gently step on the clutch and shift to 1st gear. Good, now accelerate gently and let go of the clutch as you do it. There we go good!

A: I'm doing it! I'm driving! This is awesome! Let's turn some music on!

B: Keep your eyes on the road! No music! We are coming up to a red light, step on the brakes. What are you doing? I said the brakes! Look out for those people! Get off the sidewalk!

A: Get out of my way! This is just like playing video games!

B: It's the police! Pull over!

A: They'll never take me alive!

Elementary - The Weekend - Roller Coaster

(C0169)

A: I'm so excited! We are finally here! Six Flags Magic Mountain! This is the best amusement park in the world!

B: Alright settle down now, you're gonna give yourself a heart attack.

C: I can't believe they charged us dollars each. It seems like a rip off don't you think? It's not like I'm gonna get on

these rides.

A: Whoa. . . Viper! That's the world's highest and fastest roller coaster! You go at more than miles per hour! I wanna go on that one! Can I mom please? Can I ?

B: Chris I'm not sure you should get on that it seems a bit too much for you and we just had breakfast minutes ago. I don't think it's a good idea.

A: Aww come on mom! I can handle it. I promise I won't ask for anything else! Besides, it's not like I'm gonna throw up anything. . .

C: Let him go Carol, he'll be fine.

A: Alright! Yeah! This is amazing! See how high up we're going? Whoa. . . mmmf mmfff barf.

Elementary - Daily Life - Wedding Doubts (C0170)

A: Man, I'm freaking out! You gotta help me!

B: Whoa whoa take it easy, relax. Geez, you're sweating like a pig! What's going on?

A: I can't go through with this! I just can't! I'm not ready for marriage! What was I thinking? I'm only thirty five years old! I've got my entire life ahead of me, adventures waiting! I can't settle down yet!

B: What are you talking about? It wasn't more than a month ago that you were rambling on about how you are tired of living the life of a bachelor and how you envy your friends that have a family!

A: I know I know!

B: Let's think this through. First of all, you cannot leave Amy at the altar. Not only will she be humiliated and kill you, but she is the woman that you love and the woman of your dreams! Why would you want to end that or jeopardize it like this? Second of all, you are just getting cold feet. You know deep down inside that you want to marry her, so cut the crap and do it!

B: You're right. I'm being crazy! Ok, I'm ready, let's do this!

A: Great! Phew! That was a close one ! You had me going there for a minute I thought I was gonna have to slap some sense into you

Elementary - The Weekend - Buying a Camera (C0171)

A: Hello, ma'am, can I help you find something?

B: Yes, actually I'm looking to buy a camera.

A: We've got a wide selection do you know if you'd like a point-and-shoot, or something a little fancier? Are you shopping for yourself or for someone else?

B: Actually I'm buying a camera for my husband.

A: Ah, well then I'd recommend a nice entry-level digital SLR.

B: Yeah? Can I take a look at the SLRs you carry?

A: Sure thing, follow me. This here is the.

B: The Canon Eos. Yeah it's ok, but I'm looking for something that performs better in low light, has a better display panel, and longer battery life.

A: Oh, ah, um the Nikon D60 is a nice option.

B: Yeah, but what kit lens does this camera come with? I don't want some bulky telephoto lens.

A: Oh, well this one has the, uh.

B: Looks to me like an 18-55mm lens. pretty standard, that will do. Not like my husband will be stalking celebrities or anything!

A: So, ahem, can I interest you in any acc...

B: Accessories? Do you carry polarizing filters?

A: Polarizing filter um we should! I'm sorry, ma'am. looks like we're sold out.

B: No you're not! There are some right here!

A: Oh, well, would you look at that! Po-la-ri-zing filters.

B: Thanks for your help, Ralph!

A: No problem, ma'am.

Elementary - Daily Life - Dry Cleaners (C0172)

A: Thank god you are open! I have an emergency!

B: Hello Mr. Henderson what can I do for you?

A: I need this dress and this suit dry cleaned ASAP!

B: OK, I can have it ready by the end of the week.

A: No you don't understand, I need this tomorrow morning! I accidentally spilled beer all over my wife's dress and we have a wedding to attend tomorrow! She's gonna kill me!

B: Ok, I can have it ready tomorrow afternoon, but this suit is also very stained. I can't guarantee we can remove it completely.

A: Fine! Can you also iron and starch this shirt?

B: Certainly.

A: Great! This is our secret! If you see my wife, say nothing to her about this!

Elementary - The Office - Preparing a Budget

(C0173)

A: Welcome Mr and Mrs Carnwell, please take a seat.

B: Thank you.

A: So I understand that your family spending has sky rocketed and you want to start budgeting.

C: Yes thats correct. Frankly speaking our household income is relatively high and we have never had any money problems, but I think this isthe main reason as to why our spending has gone out of control.

B: We have two kids and with allowances, paying their credit cards, ours and not to mention our mortgage and car payments. With the recent economic downturn, my husband's business has suffered and now we need some advice as to how we can prepare a family budget.

A: I see. Well you have come tothe right place. First what we need to do, is determine your cash flow. Knowing how much money is coming in will help us allocate spending to different categories such as mortgage, education, groceries, etc.

B: Yes that makes sense.

A: Secondly, I need you to bring all of your receipts forthe last two to three months. That way, we can determine what your average expenditures are and see which category you are spending money onthe most. Usually, your fixed costs are higher and we cant do much about that, but we can usually trim your variable costs such as entertainment or clothing.

C: Great! We will do that then! Now how about we treat you to a nice dinner?

A: That's another thing. If you really want to stop spending so much money, throw away at least half of your credit cards!

Elementary - The Weekend - Getting a manicure

(C0174)

A: Honey I'll be right back!

B: Where are you going?

A: I told you already! I'm going to. get my nails done.

B: Again? You just went last week! You spend more time atthe nail salon than you do here at home! Honestly, why do you need a manicure every week?

A: Well, first of all, I like to pamper myself, and my nails look great. You should come with me!

B: Why? I don't want to have nail polish or anything like that!

A: They don't only paint my nails! The manicurist will remove my cuticles, file my nails, and apply at least nails coats of nail polish!

B: Yeah, sounds like something I should definitely do.

Elementary- Global View - New Years Resolution

(C0175)

A: Did you read this? It says that the number one new years resolution make is to spend more time with friends and family.

B: Why would that be funny?

A: Well, think about it. We are a society that is always on the go, not because we have to, but because we want to.

B: Why?

A: We work hard and spend less time at home because we are trying to provide for our family with goods and services that are usually unnecessary.

B: I don't agree, but anyways, I think you should start thinking of a new year's resolution yourself.

A: What's the point? We always make a new year's resolution and by February we will have forgotten about it. It's pointless.

B: Well then maybe you should resolve to sticking to your goals and objectives.

A: What about you? Your gym bag is gathering dust and you still have brand new running shoes that are yet to be jogged in.

B: Well, I would go if you kept your promise of going tothe gym with me everyday!

A: Yeah yeah whatever.

Elementary - Daily Life - Heating (C0176)

A: It's freezing in here! Can I turn up the heat?

B: Don't touch that thermostat! You don't paythe bills around here!

A: Dad! Are you serious? What's the point of having central heating if we can't use it! Look, I can see my breath!

B: Put on a sweater! I'm not gonna let you run up my

heating bill just because it's a bit chilly.

A: Dad! I'm gonna catch a cold!

B: When I was your age, my parents didn't have central heating like you do! We had a furnace in the center of the living room and that was it. We used it to cook, heat the house and even dry our clothes! We never caught a cold. You should be grateful!

The Weekend - Decorating a Christmas Tree (C0177)

HUSBAND: I'm home! Everyone come here! I bought a Christmas tree! Look at this beautiful pine tree!

WIFE: Wow, it's huge! Are you sure it will fit in the living room?

KID: Awesome! I'll go get the Christmas lights!

HUSBAND: Of course it will. Help me put it in the living room.

KID: I found the lights!

WIFE: I got the Christmas ornaments! We could also place these stockings next to the chimney.

HUSBAND: Great idea! While we decorate the tree, we can listen to some good old Christmas songs!

Elementary-Daily Life-Finding the perfect present (C0178)

A: Bill. Bill! You gotta help me!

B: What's wrong? Slow down or you are gonna give yourself a heart attack.

A: Tomorrow is Christmas and I haven't bought my mom anything! I'm such a bad son!

B: Take it easy! Let's go to the mall, window shop a little and see if there is anything she might like.

A: That's just it! I don't know what to get her! Last year I got her a ring that was two sizes too big and a pair of shoes five sizes too small! I suck at getting presents for people.

B: That's where you're making a big mistake! You can't just guess people's likes or sizes! Especially with clothes or jewelry. On top of that, I think that you should get your mom something that shows how much you love her. At the same time you should show her that you took the time and effort to look for something that she would really like!

A: Yeah you're right. When it comes down to it, I can be

pretty tacky.

B: Yeah tell me about it. I know! Your mom is trying to learn Spanish right? Why don't you get her a gift certificate for this great website I saw called SpanishPod.

A: Now that's a great idea!

A: No way! Santa already came and left all our presents! Can we go open them? Please! Please!

C: Of course we can honey. Bill, come on, get dressed.

B: Fine! Not like Santa brought me any gifts!

C: Bill! Honestly, you can be such a grouch sometimes.

A: Look at all these presents under the Christmas tree! Awesome!

B: Alright Timmy, knock yourself out. We should get ready and head to the market to buy everything for the Christmas dinner tonight.

C: Yeah you're right. It's the first time we are hosting Christmas dinner at our house so everything has to be perfect.

B: I got the list right here. Ham, turkey, mashed potatoes, ingredients for the gravy and of course, yams!

C: My dad offered to bring the eggnog so we should be set!

Elementary - Daily Life - Christmas Day (C0181)

Elementary -Global View - Boxing Day (C0182)

A: What do you think of this one?

B: Eh, so so.

A: And this one? Too flashy?

B: Nah, not too flashy.

A: Uhg! And this sweater from my aunt? Isn't it hideous?

B: I guess.

A: Are you even listening? I'm trying to have a conversation with you.

B: And I'm trying to watch the game, but you're yapping on about your new clothes!

A: Well I have to decide which gifts to keep and which to exchange for better ones when I go to the Boxing Day sales this afternoon!

B: Well could you do me the favor of making this quick? It's the third quarter and you've been blabbering on since the first!

A: Oh, your precious game. You watch the same game every year, and each year your beloved hometown team loses by at least three goals!

B: Oh no you didn't. You didn't just insult the Salsbury Seals, did you? Why don't you just. just go and return all of those stupid clothes and not come back until the sales are over?

A: I might just! Enjoy your stupid game!

B: And Merry Christmas!

A: Merry Christmas!

Elementary -Daily Life - Winter Clothes (C0183)

A: Bye, mom!

B: Wait, Jimmy, it's cold outside. Put a hat on!

A: Ok. Bye!

B: No, wait, you will be too cold without mittens.

A: Alright. See ya!

B: Hold on, with that wind, you're going to catch a cold. Wear this scarf.

A: Ok, see you after school...

B: Oh... and ear muffs! Put these on... here we go.

A: Mom?

B: Yes, honey...

A: I... I can't breathe.

Elementary -Daily Life - Fresh Start (C0184)

A: Now that it's the new year, I've decided to turn over a new leaf.

B: Yeah? You finally decided to wipe the slate clean?

A: You got it! I have a new job, I'm living in a new city, with new friends! This is my opportunity to make some small changes in the way I live my life.

B: So what are you going to do? Take up an art class or something?

A: Well, first of all, I've decided to stop smoking. It's not that I'm pinching pennies or anything, it's just that I've been smoking since I was sixteen, and I think it's time to stop.

B: I'm with you on that one. Anything else you're planning on doing?

A: One last thing, I've decided to come out of the closet.

B: It's about time!

Elementary -The Weekend - Farm Animals (C0185)

A: Isn't this great? I always wanted to own a farm, live out in the country, grow my own food!

B: This is very beautiful. Though I have to confess, I don't know the first thing about farming!

A: That's fine! Don't worry about it!

B: What was that?

A: Relax, it was just a goat!

B: And that?

A: It's just the cows that are grazing over there. We can milk them later.

B: What was that?

A: Honey, seriously, It's just a sheep. Relax!

A: Relax, that was just the horses and donkeys that are in the stable .

B: You know what? I don't think I can hack it here out in the countryside. I'm going back to the city!

Elementary -The Office - Business Plan (C0186)

A: I've had it! I'm done working for a company that is taking me nowhere!

B: So what are you gonna do? Just quit?

A: That's exactly what I am going to do! I've decided to create my own company! I'm going to write up a business plan, get some investors and start working for myself!

B: Have you ever written up a business plan before?

A: Well, it can't be that hard! I mean, all you have to do is explain your business, how you are going to do things and that's it, right?

B: You couldn't be more wrong! A well written business plan will include an executive summary which highlights the idea of the business in two pages or less. Then you need to describe your company with information such as what type of legal structure it has, history, etc.

A: Well that seems easy enough.

B: Wait, there's more! Then you need to introduce and describe your goods or services. What they are and how they are different from competitors? Then comes the hard part, a market analysis. You need to investigate and analyze hundreds of variables! You need to take into consideration socioeconomic factors from GDP per capita to how many children on average the population has! All this information is useful so that you can move on to your strategy and implementation stage, where you will describe in detail how you will actually execute your idea.

A: Geez. Is that all?

B: Almost, the most important piece of information for your investors will be the financial analysis. Here you will calculate and estimate sales, cash flow and profits. After all, people will want to know when they will begin to see a return on their investment!

A: Umm. I think I'll just stick to my old job and save myself all the hassle of trying to start up a business!

Elementary -Daily Life - Going On A Diet (C0187)

A: Oh man! I've been starving myself for days now and I haven't lost an ounce!

B: Are you trying to lose weight?

A: Yeah, my friend is getting married next month and I'm supposed to be a bridesmaid. I have to fit into my dress and look nice for her wedding, but I haven't lost any weight! Look at these love handles.

B: You don't have to starve yourself to lose weight. I think that's where you're going wrong.

A: Why? If I eat less, then my body will start eating away at my fat reserves right?

B: Not really. You should try to not eat foods high in

calories, salts or saturated fats. Stay away from oily food and artificial flavors.

A: So you are saying that I should eat, but I should just watch what I eat?

B: Yes! You can also try to reduce your intake of carbohydrates and foods that are high in cholesterol. You can have steamed veggies or increase your protein intake found in chicken or fish.

A: If I do all this do you think I can lose twenty pounds in four weeks?

B: Don't count on it.

Elementary -The Office - Asking For A Raise (C0188)

A: Excuse me sir, may I talk to you?

B: Bill! Sure, come on in. What can I do for you?

A: Well sir, as you know, I have been an employee of this prestigious firm for over ten years.

B: Yes.

A: I won't beat around the bush. Sir, I would like a raise. I currently have three companies after me and so I decided to talk to you first.

B: A raise? Son, I would love to give you a raise, but this is just not the right time.

A: I understand your position, and I know that the current economic downturn has had a negative impact on sales, but you must also take into consideration my hard work, pro-activeness and loyalty to this company for over a decade.

B: Taking into account these factors, and considering I don't want to start a brain drain, I'm willing to offer you a ten percent raise and an extra five days of vacation time. How does that sound?

A: Great! It's a deal! Thank you, sir!

B: Before you go, just out of curiosity, what companies were after you?

A: Oh, the electric company, gas company and water company!

Elementary-DailyLife-BuyingANewMobilePhone (C0189)

A: Hello sir, may I help you?

B: Yeah, I accidentally dropped my phone in the toilet.

A: I see. Well, you have come to the right place. We have over one hundred models of more than twenty leading mobile phone manufacturers.

B: Sounds good. I don't want it to be too expensive, maybe something mid-range.

A: We have this new HTC smart phone. It comes with the Android OS so you can download applications. It also has a built-in camera, mp3 player and touch screen. It works on the 3G network so you have fast access to the internet wherever you are.

B: What about Wi-fi?

A: Of course! You can access the internet from any hotspot as well as from home.

B: One last thing. Is it waterproof?

Elementary -The Weekend - Family Barbecue (C0190)

A: Is everything ready for the big family barbecuetomorrow?

B: Yep. The steaks and chicken are marinated and I also bought hamburger buns.

A: We should also cook a couple dozen hot dogs and kebabs.

B: Yeah, good idea. We can put some lawn furniture outside next to the grill. I also set up the tent outside so we can hide from the sun if it gets too hot.

A: Great! I asked Grace to bring cups and serviettes as she is also bringing two big coolers for the beers.

B: This is gonna be a great barbecue!

Elementary-Global View - Daylight Savings Time (C0191)

A: Did you set your clock forward for daylight savings time?

B: What? Why do we have to do that?

A: Well, at the start of the spring we usually have more daylight in the mornings and less in the afternoon. This is basically due to our position on the planet and the rotation of the earth. In any case, to take better advantage of the daylight available, we compensate by moving our clocks forward one hour.

B: I see. That's convenient! I never understood things like this, such as GMT. I never know what time zone we are in or when to change my clock!

A: That just stands for Greenwich Mean Time. Here in California, we are in Pacific Standard Time, that is eight time zones west of Greenwich. Remember when we were in Beijing? Well, then we were in China Standard Time, and that's eight time zones east of Greenwich!

B: That's why it was so weird traveling from Beijing to LA! Because of the huge time difference, even though we left Beijing at noon and flew for more than eight hours, we still arrived in LA the same day at noon! It's like we went back in time!

Elementary -Global View - Natural Disasters (C0192)

Bob: Those are the headlines for today, and now for the international weather report with Mike Sanderson.

Mike: Thank you, Bob! This past week has been the beginning of Armageddon for many, a series of unprecedented meteorological events occurred around the world. In Switzerland, a major avalanche was reported in the Alps. Fortunately, no one was injured. Due to the extreme cold this winter, a blizzard has struck the US Midwest, causing classes in schools and universities to be temporarily canceled.

Mike: Moving to Latin American, Ecuador has suffered a six month drought that has not only affected farming, but has also forced the closure of the hydroelectric power plant that provides electricity for the entire country. In Chile, a major earthquake that registered seven point five on the Richter scale struck the southern region. Losses are reported to be in the billions. Authorities have not yet released an official statement.

Bob: Not a great week for the world! Any good news?

Mike: I'm afraid not, Bob. One of the major volcanoes in Mexico has erupted, causing major floods and landslides in the region. Meanwhile, Mexico's coast has been hit by hurricane Liliana and officials say that all the seismic activity leads them to believe that a tsunami may hit Central America, affecting Honduras, Guatemala and Panama. That's all the news we have for today, but stay tuned for updates on the six o'clock news. Back to you Bob.

Elementary-Daily Life-BuildingYourDream Home (C0193)

A: Mr. and Mrs. Robinson! Let's get straight to it. You have saved up your money for years and are now ready to build your dream home. What did you have in mind?

B: A suburban bungalow straight out of the sixties! A perfect lawn with minimal landscaping. A brick patio in the backyard with an old-fashioned grill, quaint lawn furniture, and a swimming pool. A two-car carport, pastel siding and a gable roof. Completed with white shutters and a white picket fence !

C: Uh, honey?

B: In the living room we would have moss-green rugs and a fireplace with a stone mantle and wood paneling on the walls. In the kitchen, the cupboards would be a pale yellow and we would have a turquoise metal oven and vinyl flooring -

C: Umm, sweetie, but I was thinking of a more modern style house. An open concept house, all glass, wood, metal, and concrete.

B: But sweetums, there is always a lot of wasted space in those kinds of homes. Besides, it's just a fad. It doesn't have the homey feeling the old homes do.

C: Sweetie-pie it's not a lot of wasted space. It is relaxing and the house would be eco-friendly with an in-floor heating system and designed to retain the heat of the sun in the winter and keep the house cool in the summer. We would have solar panels on the roof -

B: Do you know how much those things cost?

C: What about your vintage furniture, dearest? And instead of a lawn, which is also a lot of wasted space and would require environmentally harmful pesticides, we would have a fish pond in the backyard and a garden that would cover the whole yard so we could grow our own food!

B: But buttercup, I thought you always said that you loved visiting your grandmother's house!

C: And I thought you, Mr. Scientist, were all up on saving the planet with your technological advancements!

A: Umm well I am just going to go get some coffee while you two keep discussing.

Elementary -The Weekend - Stir Fry (C0194)

A: Oh, man. I had the best supper last night. My wife made a stir fry and it was amazing!

B: I love stir fry Crispy bite-sized vegetables covered in a mixture of soy sauce and oyster sauce. Wilted greens and fresh bean sprouts. Throw in some onion and garlic and ginger! Mmm! Mmm! It's almost lunchtime. I would die for a plate of stir fry right now!

A: Well, you can keep the vegetables, I'll take the meat. The stir fry my wife made was really hearty, with chunks of beef and slivers of bell peppers and onion...

B: What? You call that a stir fry? More meat than vegetables? That's the worst insult you could throw at a Chinese stir fry What a disgrace to the wok she fried it in! What you had is equivalent to a fajita without the wrap! Silly Americans!

Elementary -Global View - Job Hunting (C0195)

A: Woo hoo! This just might be the start of the rest of my life!

B: What happened?

A: I'm in the market for a job! I went on a website with hundreds of job listings in the area and browsed through them until I got the names of a few employers I would like to work for. I have the resume I wrote for English class last month and a cover letter will be a piece of cake to write. I've even done my research and found the names of the managers so I can address the letters personally. And you know I can be charming in interviews. Goodbye my penniless days! Hello salary and a career!

B: Ben, we're fifteen. What kind of job are you looking for?

A: Oh, just for a position as a gas station attendant. You know, starting at a simple lowly job, just like all the greats before they made it big in the world.

B: Uh-huh.

A: But I'm just in it for the money, right? How else am I going to be able to afford to keep taking Angela to the movies? Besides, I love the smell of gasoline, don't you?

Elementary -Daily Life - Going To The Tailor (C0196)

A: Welcome to Bill's Fabric World. What can I do for you today?

B: I was wondering if you guys also tailor clothes?

A: Sure we do! We have the best tailors in the country! What is it that you need exactly?

B: Well, I'm looking to get a custom-made suit.

A: Excellent! We have the finest cashmeres at affordable prices. How about we get you measured? Let's start off by measuring the width of your shoulders. Now, let's measure the length of your arms and this bit around your neck here.

B: Can you make sure you leave a little extra space in the collar? My neck gets easily irritated.

A: No problem! Now for your pants, let me just measure your waist and the inseam.

B: You might also want to leave a little extra room in the waist area. I tend to gain a few pounds over the holidays.

A: OK. Now you can pick your fabric and pattern design. Please follow me.

Elementary -Global View - Calling 911 (C0197)

A: Alright class, now that we're all dressed up let's see what professions you chose. Ah, I see a fireman, a police officer, a medic, and a lifeguard! Can anyone tell me what these people have in common?

B: They save people from bad things?

A: That's right! Now class, if something bad happened and you had to get help, do you know what phone number you would call?

C: 911!

A: Yes, you would pick up the phone and dial 911. What are some emergency situations where you would need to dial 911?

B: If my grandpa has a heart attack!

C: If there is an accident!

B: If a robber breaks into the house!

C: If the fire alarm goes off!

B: Pff! I wouldn't call 911 if the fire alarm went off in my house. The only time that ever happens is when we're having spaghetti for supper, and Mom burns the garlic bread, as usual.

Elementary -Daily Life - Applying CPR (C0198)

A: Hello everyone and welcome to our CPR for beginners course. First of all, does anyone know what CPR stands for?

B: Cardiopulmonary resuscitation!

A: That's right! We apply CPR in the case of cardiac arrest or pulmonary arrest.

B: What does that mean?

A: Well, basically if your heart stops pumping blood, or your lungs stop pumping air, then we need to get them going again! That's when we have to apply this procedure. Let's begin! I need a volunteer.

B: Me! Me!

A: Alright, come here and lay flat on your back. Let's suppose this young woman has stopped breathing. We must lift the person's chin so that we clear a pathway for air to get into the lungs. Then we place our mouth over the other person's mouth and blow air two or three times, like this.

B: Wait, what are you doing? I'm a married woman! You can't just try to kiss me like this!

A: Ma' am I'm not trying to kiss you! I am trying to demonstrate how to apply CPR in the case of an emergency.

B: Well, ok. But no French kissing!

A: As I was saying, we blow air through the mouth in this manner. Once this is done, we must try to get the heart going again. To do this, we place our hands over the person's chest, and press down firmly two or three times.

B: Wait, what are you doing! You can't just kiss me then go for second base!

Elementary-Global View-LearningAboutFirst Aid (C0199)

A: Hey Joe! Where have you been these past few days?

B: I've been busy with a first aid course that I started about a week ago at the Red Cross.

A: Cool! I've always wanted to do something like that! Have you learned anything useful?

B: For sure! I mean we've learned how to apply pressure to stop bleeding, how to check for a pulse, and even how to apply CPR!

A: Have you treated any real emergencies?

B: Well, they took us along with some paramedics. There was this guy who fell off his motorcycle and suffered a concussion as well as a couple of compound fractures. His wounds were pretty serious so they had to rush him to the hospital. It was intense!

A: I can imagine! I tend to faint when I see blood, so I think I won't be taking up a course like that anytime soon!

Elementary -Daily Life - Junk Food (C0200)

A: I'm hungry, let's grab a bite to eat.

B: Sure! How about we go home and prepare a couple of sandwiches?

A: Nah! Let's go get a burger and fries.

B: All you ever do is have unhealthy fast food Pizza, fries, burgers and hot dogs! You have to start eating better!

A: What are you talking about? I have salads sometimes.

B: Yeah right! I'm serious! You should also cut down on your sugar intake as well. You drink carbonated drinks that are high in fructose syrup! It's really not healthy!

A: Fine! I'll start drinking and having home cooked meals that are low in fat. Are you happy now?

B: It's a start, but I'll be happy when I see you stick to your promise!

Elementary -Daily Life - At The Post Office (C0201)

A: Welcome to the National Post. How may I help you?

B: Hi, I would like to send this package to China, and these postcards as well.

A: Very well. You will need some stamps for the postcards and I need to weigh that package, too.

B: Great. How much is this going to cost?

A: Well, it depends. Do you want to send it via priority, express or standard mail?

B: What's the difference?

A: Well, standard mail can take up to fifteen working days. Priority is a bit faster and will arrive in about five to eight working days. Express is the fastest, but it's also the most expensive. It only takes three days and you can track your package online.

B: I see. Well, there's no rush. Please send it via priority mail. Please be extra careful, the contents of the package are fragile.

Elementary-TheWeekend- Asking For Directions

(C0202)

A: We have been going around in circles for the past hour! Will you just please stop and ask for directions?

B: We are not lost! I'm just taking the scenic route.

A: Yeah, whatever. I told you we should buy that GPS that was on sale, but would you listen to me? No! This is so typical.

B: Fine! I'll ask this guy for directions if it will shut your trap! Excuse me, sir. Can you tell me how to get to Saint Mary's Church?

C: Sure! Go down Park Road. turn left, go up as far as the set of traffic lights and turn left. The place you are looking for is the second building on the right.

A: Thanks!

B: See? Was that hard? If you would only listen to me more often, you would be better off.

Elementary -Daily Life - Calling Tech Support

(C0203)

Tech guy: Hello, thanks for calling 123TechHelp, I'm Todd. How can I help you?

Client: Hello? Can you help me? My computer! Oh man...

Todd: It's okay sir, calm down. What happened?

Client: I turned on my laptop and it broke! I mean, the monitor went black!

Todd: Ok, sir, it sounds like you might have a virus.

Client: I don't feel sick,...let me check... Nope! No fever, I'm fine.

Todd: No, your computer might have a virus, I mean, it has a bad program on it. Maybe that's why it crashed. I recommend that you run an antivirus program in order to safely remove any unwanted spyware or Trojans.

Client: Phew!Wait a minute, CRASH?!! Spyware? Trojans! What? where? when?!

Elementary -Global View - Understanding a Trial

(C0204)

Lawyer: Your honor, ladies and gentlemen of the jury, My client, Robert Malone, has been accused of a crime he did

not commit. The prosecution has accused my client of being a pickpocket! I know we have heard the testimony of many people here today, people who claim the defendant, my client, stole their wallets. I feel sorry for these victims, I really do. but my client is innocent!

Lawyer: Let's look at the facts. . . **one:** These 'so-called' witnesses did not actually see the defendant steal anything. **two:** When the police stopped him, he did not have any of the stolen wallets. There is no evidence.

Lawyer: Therefore, Ladies and Gentlemen of the jury, I ask you to think carefully before giving your verdict. My client is innocent!

Judge: Ladies and Gentlemen of the jury, have you reached a verdict?

Jury member: Yes, your honor. our verdict is. not guilty!

Robert: Thank you so much! You were great! Thank you for all your hard work!

Lawyer: You're welcome Robert! I knew you were innocent so my job was easy. Take care of yourself, okay?

Robert: Thanks once again...

Lawyer: Hey! Where's my wallet?

Elementary -The Office - Closing The Deal (C0205)

Mr. Smith: I'm glad you could find time to meet with me, Mr. Johnson. I can't think of a nicer environment for our meeting today, the ambiance here is lovely!

Mr. Johnson: No problem, if possible I always combine business with pleasure. Now, let's hear more about these chocolates you're offering.

Mr. Smith: Well, as you know, I have recently become the sole distributor for Grangers Gourmet Bon-bons here in the United States. They're a new manufacturer and are looking to break into the luxury market. Naturally, your restaurant sprang into my mind immediately. I think your brand exemplifies many of the same traits as Grangers and serving these chocolates would really add to your reputation for providing elegant, luxurious, first class dining.

Mr. Johnson: Hmmm, sounds interesting. . . . gourmet chocolates, where are they produced? Belgium?

Mr. Smith: Actually, the factory is located in Scotland.

Mr. Johnson: Really? I didn't think they were known for

their luxury chocolate production. . .

Mr. Smith: That's what makes this such a fantastic opportunity! The government is one hundred percent supportive of creating new export markets and has guaranteed a low tariff for all wholesale orders of over one thousand units. They've also reduced the red tape involved at customs as well. Here, I brought these especially for you, try one!

Mr. Johnson: Oh, thanks. Mmm, hmm, creamy texture, smooth. . . .

Mr. Smith: Unique aren't they? I bet you've never tasted anything like it! Quality is assured as I personally visit the factory to make sure no one's cutting corners with the ingredients. Only the cr`eme de la cr`eme make it through inspection.

Mr. Johnson: Yes, very interesting flavors. Slightly spicy, very unique, that's for sure. Exactly what ARE the ingredients?

Mr. Smith: I have it on highest authority that this traditional secret recipe has been handed down in the Granger family for generations. I'm sure you can keep a secret. Buttermilk, cacao beans, sugar and Haggis.

Mr. Johnson: Haggis? What's Haggis?

Mr. Smith: It's a traditional Scottish delicacy; you take sheep's liver, heart and lung and stuff it inside of the sheep's stomach.

Mr. Johnson: Ah, get back to you.

Mr. Smith: Mr. Johnson? Mr. Johnson?

Elementary -Daily Life - Talking To Your Roommate (C0206)

A: Charlie, do you have a second?

B: Yeah what's up?

A: Well, I went and paid the bills today and you still haven't given me your half.

B: Yeah I wanted to talk to you about that. I agreed we would go halves on all the bills, but frankly I think it's unfair.

A: Unfair! Why?

B: Well, you have long hair and use the hairdryer every morning. I don't. You leave your computer on all night downloading torrents. I don't. You see what I'm getting at here?

A: You leave the air conditioner on day and night! You

also take 30 minute showers which means you are using way more gas and water than me!

B: Well, while we are at it, stop bringing your friends over for drinks every weekend. You always leave a mess and keep me up all night!

A: Maybe you should just move out and find another place.

B: Maybe you should move out!

Elementary -Daily Life - Shopping Online (C0207)

A: What are you doing?

B: I'm just looking for a nice pillow on Ebay.

A: You are shopping for a pillow online? That's absurd!

B: Why? I don't have to leave the house or browse a dozen stores to find what I'm looking for. This way, I just search for it online quick and easy.

A: I see, but how do you pay for it? How do you know you aren't going to be ripped off by the seller?

B: Well, the website handles a point system where if the seller does something wrong, people comment negatively and then you know that he or she may not be trustworthy.

A: Wow, that sounds pretty safe. So how do you pay? Do you need a credit card?

B: You can use a credit card or your debit card. They also let you use the PayPal system which is really safe and fast. I have never had any problems with someone hacking my information or anything.

A: Do you think I can find a sweater for my dog online?

B: You can find anything! Are you sure you want to start shopping online though? Once you step into this world, there is no turning back!

A: Let's do it!

Elementary -Global View - Understanding The Stock Market (C0208)

A: Sorry to bother you sir, but I have some bad news.

B: What is it?

A: Well, the stock market just took a huge plunge and we've lost a lot of money!

B: What do you mean? What happened?

A: There are many factors that weigh in, but NASDAQ is down 200 points, the DOW JONES indicator also suffered! Our portfolio is worth half of what it was worth points

week ago.

B: How is this possible? You are supposed to be talking to our stockbrokers and making sure that our securities and investments are safe and making a profitable return!

A: I know sir! We didn't expect a bull market to become a bear market all of a sudden. On the other hand, you still have some high yield trash bonds and government bonds that will give us enough liquidity to cut our loses and reinvest in emerging markets. We could potentially make this tragedy work for us and make us think outside the box.

B: Do what you have to do! One other thing, don't tell the rest of the stockholders about this. If they find out, it's the end of this company!

Eric: Oh Hi Paula! How are you?

Elementary -Daily Life - Funeral Arrangements (C0213)

A: Hi Daniel, how are you holding up? I am greatly sorry for your loss.

B: It's a lot harder than I imagined. There are many things that you have to arrange. I booked a time and date with the funeral home, but I still have a lot of things to do.

A: Have you bought a burial plot and a casket?

B: No. Wendy is being cremated. She always talked about how she didn't want to be buried. I already chose a cremation urn and we plan to spread the ashes in the ocean.

A: I see, that sounds like something she would have really liked. I am sure the memorial service will be tasteful. You are doing a great job.

B: Thanks, it hasn't been easy, but luckily we have life insurance and Wendy left behind a detailed will that will sort out any other legal matters.

Elementary -Daily Life - Describing Personalities (C0214)

A: OK class, settle down. I have the results of your individual personality tests. I am going to hand them out and if you'd like, you can read them out loud to the rest of the class.

B: I'll read mine!

A: OK, go ahead.

B: It says here that I am adventurous, outgoing and easy-going. It says that I am a little superstitious and occasionally naive! That's not true!

A: The test isn't one-hundred percent accurate. Is that all it says?

B: No! It also says that I am open-minded with great ambition but that I can also be reckless and clumsy. This is stupid!

A: Ok, anyone else want to read theirs?

C: I'll go! It says that I am an extroverted, wellbalanced person. It says I am generous, outspoken, and very diligent. This is so true! It also says that I am magnanimous, eloquent and daring! This is totally me!

A: Pfft whatever, these tests are bologna!

Elementary -The Weekend - At the Deli (C0215)

A: Honey, we are all out of wine and cheese. Do you mind running to the deli and picking up a few things?

B: Can't it wait? I'm watching the game right now!

A: Your friends and family are coming over tonight and we still need to get a lot of things.

B: Fine! What do you need?

A: Ok, pick up some cured meats to go with the wine. Maybe a pound of polish sausages, ham, liverwurst, salami and any other cold cuts that are on sale. I think I saw a promotion for pastrami. Also get some cole slaw and a jar of olives.

B: Whoa wait a minute! Isn't that a bit too much? I mean, how much is all of this going to cost!

A: Never mind that. Get some dips as well. Get a jar of spinach and blue cheese dip and also some Tzatziki. If they have bean dip get that as well. Last but not least, get some pickles.

B: Is that all, your majesty?

A: Very funny! Get a move on! People will be here any minute.

Elementary -Daily Life - Health Food (C0216)

John: Ok darling, got some pizzas, potato chips, hot dogs and lots of cheese!

Kelly: Oh John, I thought we said we would start eating

right! Remember? Our new healthy lifestyle? That's all junk food!

John: Hrumph! Right, so what did you get?

Kelly: Well, healthy food, of course! I got some whole wheat bread, skimmed milk, fresh fish and organic carrots. . . .

John: Organic? What's organic? Do we need organic carrots. . . ?

Kelly: They were grown without using any chemicals that are harmful to our health. And yes, John, we need organic carrots. . . .

John: Oh, so organic vegetables are the 'green' option, right?

Kelly: Yup, better for the environment and better for us!

John: Wait a minute, that? . . . Doughnuts? they organic doughnuts, Kelly?

Kelly: . . . I like doughnuts.

Elementary -Global View - Volunteering (C0217)

Mark: Thanks a lot for pitching in once again Judy, we really appreciate your help. It seems that at this time of year there are more and more people who are struggling to make ends meet. There aren't many professional chefs like you who are so generous with their time.

Judy: Don't be silly Mark, I'm more than happy to donate my time to a good cause. Volunteering at the soup kitchen has been really rewarding for me. You know, it's satisfying to provide good meals for those who are less fortunate, I feel like I'm really making a difference in some small way.

Mark: Well, your skills are definitely appreciated here! The people who come here have fallen on hard times and a delicious hot meal can really bolster their spirits. That smells great! The needy are sure lucky to have you!

Judy: Thanks Mark!

Judy: Here you go, enjoy your meal!

Old lady: Thank you my dear, Oh this looks lovely.

Judy: You're welcome, Hello sir, today we have. . . are you doing here?

George: Hey Judy! I'll have a little of everything, thanks. . . . smells great!

Judy: George, seriously . . . what are you doing here? I haven't seen you since our divorce was finalized. You've got no right to be here, you're hardly homeless!

George: Don't be like that Judy, I really miss your home cooking!

Elementary -Daily Life - Divorce (C0218)

Je: Joanne, let's not make this divorce any more acrimonious than it already is, okay? Let's just get down to business and start dividing this stuff up fairly, so we can go our separate ways, alright?

Joanne: Fine with me. I just want to get this over with. It's important we make a clean break. I should have signed a pre-nup.

Je: What was that?

Joanne: Nothing! Anyway, you're right, there's no reason this has to be nasty. My lawyer tells me you've accepted our alimony proposal and the division of property, as well as the custody agreement- I keep the cat and you get the dog. So that's done. . . . finally.

Je: Let's not go there, Joanne! Ok, so let's start with the record collection, I'll take the albums I contributed and you can have your cheesy disco albums back.

Joanne: Fine, but I'm keeping the antique gramophone as my grandfather gave it to me.

Je: I believe that was a wedding present to both of us, Joanne. And you hardly ever use it!

Joanne: He's my grandfather, and he never really liked you anyway!

Je: Whatever! Alright, I'll concede the silly gramophone, if you'll agree that I get the silver tea set.

Joanne:How typical, when are you ever going to use a silver tea set? Fine! I don't want to drag this out any longer than necessary. What's next? What about these old photographs?

Je: Which ones? Let me have a look. Wow, look at that! That brings back memories. . . . That?

Joanne:Our trip to Italy! I remember that day. We were going to visit the Trevi fountain, and we got caught in the rain. . . .

Je: . . . and you looked so adorable with your hair all wet. I had to take a picture of you standing there in that little alley, smiling and laughing in the rain. . . .

Joanne: Oh, we really did have fun back then didn't we?

Je: Oh, Joanne, are we making a big mistake? I know our relationship has been on the rocks for sometime but are you sure we can't reconcile and try again? I still love you.

Joanne:Oh Jeff! I love you too! I'm so glad we didn't have to decide who keeps the motorcycle.

Je: The motorcycle? But that's mine!

Elementary -Global View - Baby Shower (C0219)

A: Thank you for organizing this great baby shower for me! I've always been to baby showers but never actually had one held for me! Let's get started!

B: Ok, let's start opening some presents!

A: Oh look! What a great little bib for the baby! This will definitely come in handy! Oh wow, you also got me a stroller! That's so great! Thank you!

B: This next one is from Betty.

A: A highchair and car seat! Wow Betty thank you so much! I really appreciate it!

B: One more from Carla.

A: A playpen and crib! Thanks Carla! This is just what I needed!

B: OK, that's all of them. No more gifts. Now who wants to guess when the baby is due!

A: Umm. I think my water just broke! Get me to a hospital!

Elementary -Daily Life - New Furniture (C0220)

A: How about this floor lamp?

B: Fine just get it! We have been shopping for furniture for five hours! I'm so tired!

A: We still need to find an armoire and a dresser.

B: Fine! I am going to go home and drop off this nightstand, coffee table and love seat while you look for the rest of the things.

A: Great! Pick me up in about an hour because I think I'll also get a bean bag and a dining set.

B: While you are at it can you pick out a nice recliner? I really want one so I can watch TV.

A: Recliner? In my beautifully decorated living room? I don't think so!

Elementary -Daily Life - Car Trouble (C0221)

A: Car trouble center. How may I help you?

B: My car won't start! Stupid old car!

A: Hold on, before you kick your car let's go through some possible problems.

B: Fine.

A: Ok, first of all, can you turn the key in the ignition?

B: Yeah! I am here with my friend and he thinks it may be

the spark plug or the starter motor.

A: Those are possible problems, but tell me, when you turn the key, do you hear the starter motor crank?

B: Yeah, it sounds like it usually does when I start the car, but nothing else happens. The engine won't start. Should I maybe press the accelerator?

A: No. If you step on the accelerator pedal you can flood the carburetor and your car will never start.

B: So what do you think it is?

A: I know this may seem like a silly question, but does your car have gasoline?

B: Umm. yeah! Right! I got the car started! Thanks for your help! I told you to fill the tank!

Elementary -Global View - Carbon Footprint (C0222)

A: So what's your guys' take on all this global warming hysteria in the media?

B: It's pretty serious, man. There have been tons of scientific studies and the scientific community says that the earth is heating up. We need to make some drastic changes to our lifestyle if we want to preserve our planet.

A: I don't know. It sounds like a bunch of mumbo jumbo if you ask me. "Save the earth!" The earth will save itself. It's survived worst disasters in the past. I mean, honestly, we live in the boonies. There's no way anyone here is ever going to walk or bike to work, especially in the winter. And we have no bus system. My house is forty years old and it would take a lot of money to get it refitted to be "green" and "energy-efficient".

C: Well I don't really know if I believe in global warming either, or whether or not it was our doing or a natural change the earth is going through, but you have to admit that we're living pretty irresponsibly here in the west.

A: I guess...

C: I think the issue at hand is sustainability. We've only got this one earth we can live on, and our resources are quickly disappearing because of our own carelessness and our inability to think of anyone but ourselves and anything but the present.

B: So, like I was saying, we need to change the way we live. We need to reduce our carbon footprint.

C: But it doesn't have to be that drastic. Hybrid vehicles and solar panels are too expensive to be feasible right now.

And we don't have to be hippies living off the land and buying everything organic either, though it helps.

B: I car pool to work everyday with some buddies of mine. I have a rain barrel outside my house I use to water my plants and my lawn in the summer, and I make sure I always bring reusable bags with me when I get my groceries. And we just started using bio-degradable plastic made from corn oil for take-out orders at my family's restaurant. Remember the three R's? Reduce. Reuse. Recycle.

C: Exactly, it's just small simple changes, like buying energy-saving light bulbs, starting a compost bin, recycling bottles and papers, using reusable water bottles, stop using disposable cups and cutlery.

A: Like the ones we're drinking out of?

B: Yeah.

Elementary -Daily Life - Facial Hair (C0223)

Officer: Ok Sally, we have an artist here to help us.

Brown: We'll ask you questions about the bank robber you saw and Paul will draw a picture. Are you ready?

Sally: Yes, hmmm. Well, he had brown hair. . . long hair. . . and he had some facial hair. . . was brown, too.

Officer: Good! Ok, the facial hair, was it a beard or a

Brown: mustache?

Sally: Both! His mustache was very short and thin, on the top of his lip.

Paul: un-uh hmmm. . . , like this?

Sally: Yes, that's the mustache! But the beard isn't right, mean, it didn't cover his whole face. . . . think it was just on his chin.

Officer: A goatee? Was it like Paul's?

Brown:

Sally: Ah yes, that's it, he had a goatee.....

Paul: Ok, what about sideburns? Did he have sideburns?

Sally: Um, they were long and thick, yours!

Paul: Alright, was this the man you saw?

Sally: Yes, that's him! Hmmmm, he looks a lot like you.

Officer: Hmmm, why yes he does. Paul, where were

Brown: you on Friday afternoon?

Paul: What? That's ridiculous! It wasn't me! I didn't do anything.

Elementary -Global View - Crime Scene (C0224)

Detective McGee: Alright, Officer McGraw, Give it to me straight, what are we looking at here?

McGraw: Detective McGee! We're glad to see you! We could sure use your expertise on this one. It's a break-in, but nothing seems to have been stolen. We received a call from the Bear family at around ten thirty this morning. They had gone out for a walk before breakfast and came home to this mess! Broken chairs and porridge all over the place! Apparently, Momma Bear had made the porridge a little too hot, you see, and they were waiting for it to cool down.

Detective McGee: Okay then, let's start examining the evidence. . . . Have the forensics team been in yet?

McGraw: Yes sir. They found some fingerprints on the bowls and are analyzing them back at the lab as we speak. Hopefully, they will be able to identify the burglar soon.

Detective McGee: Hmmm,Ah ha! What's this? A strand of golden hair. this is a very important piece of trace evidence McGraw. It tells me the suspect has long golden hair. very few men have long golden hair. our criminal could be a woman.

McGraw: A woman? Was she working alone? Did she have an accomplice?

Detective McGee: An accomplice? No, no McGraw, she was definitely working alone. See here, there are footprints in the porridge, here on the floor. . . . footprints, tells me that our suspect is small. . . . could possibly be a child.

McGraw: A child? Surely not, sir. . .

Detective McGee: We must follow the clues, McGraw! The evidence doesn't lie! Now, let's reconstruct the crime. the suspect came in, sat in each chair breaking the smallest one into little pieces. Next, the porridge. she obviously tried to eat it and because it was so hot, she dropped it on the floor. . . . this mess. interesting. These footprints seem to lead upstairs. McGraw, did your officers clear the scene?

McGraw: Well, there was no one down here. . . and maybe we forget to check upstairs.

Goldyllocks: Hey! What's with all the noise? I'm trying to sleep up here!

Detective McGee: There she is! Get her!

Frankie: Yea, Ralph, clean the moth balls outta your ears and listen up. This here is important, you don't wanna end up back in the slammer, do ya? Your role is pretty important here, we're depending on you, man.

Ralph: Ok, ok! I'm listening! moth balls, hrumph. . .

Sammy: Alright then, . . . was I? Oh yeah, ok, so I'll be the lookout. . . here on the bench across from the bank. Nobody moves until I give the go-ahead, Alright? And what's the goahead? . . . Ralph?

Ralph: You, umm. . . ah. . . yeah, you'll take off your hat and scratch your head!

Sammy: Right. When I take my hat off and scratch my head, you do what?

Ralph: I get in the box.

Frankie: Right, you get in the box. I'll make sure it's all sealed and then, posing as a delivery guy, I'll drop off a 'special package' for the manager. Now, according to Jimmy, the bank manager is leaving early on Tuesday 'cause it's his wedding anniversary. He and the wife are having a romantic rendezvous in the country, so any packages delivered will be left unopened in his office until he gets back late on Wednesday. . .

Sammy: Which gives us access to his office for at least Come hours. . . Ralph, this is where you come in. . . where are you?

Ralph: I'm standing right next to you Sammy, Sorry Sam, I'm in the box. Right there. . . in that box.

Frankie: what do you do once I deliver you to the manager's office?

Ralph: I stay in the box until the bank has closed, . I get out of the box.

Sammy: then? What next, Ralph? Oh for Pete's sake! This is never going to work.

Ralph: Hey, give me a chance here, fellas! I, um, I crack the safe . then, thenI take the money. . . . then I. . . ummmmm, I get back in the box.

Frankie: 'Atta boy Ralph! In the morning I come back to the bank, say there's been a mix-up with the delivery I made and take the 'special package' back here.

Sammy: Alright, let's get some sleep. . . it's a big day tomorrow fellas!

Frankie: A perfect plan, Sammy! It went off without a hitch!

Sammy: Let's open this up and get Ralph out here so we can start counting the money!

Ralph: Phew! I sure am glad to see you guys! I was sure getting lonely with no one to talk.

Frankie: That's nice, ok how much!

Ralph: Huh?Uh,, really, really, really glad?

Sammy: Money, Ralph! Money!

Ralph: Oh man, I knew I forgot something.

Elementary -Global View - Fundraiser (C0226)

A: Ok Mark, it's your turn to ring the doorbell. I did it last time.

B: I hate going door to door, and I hate asking for money.

A: But we need to raise enough money for the school fundraiser so that our class can win the pizza party! You do want to have a pizza party, don't you?

B: Yes, but...

A: Just go already!

B: No one's coming.

A: Try again.

B: Maybe there's no one home.

A: Of course there's someone home! There are two cars in the driveway and I see lights on in the house! Hello! Anybody home? We would like to know if you want to sponsor us in our school fundraiser. Fifty percent of the profits go towards the new school playground!

B: I don't know why anyone would want what's in this catalog anyway. It's just a bunch of tacky Christmas ornaments, Cd's of old people singing Christmas songs, and special crackers and cheeses and boxes of chocolates.

A: You don't like chocolates?

B: Not this kind. They've got weird names like ganache and praline.

A: Look! I just saw someone walking around inside! These people are being very rude!

A: Finally, someone's coming!

B: They don't look too happy.

A: Hi, sir. Would you like to sponsor us or make a donation to.

C: What grade are you kids in?

A: Grade seven.

C: Then for goodness sake, don't you see this sign? Can't you read?

A: No soliciting.

B: What does that mean?

A: No idea.

Elementary -Daily Life - Wedding Planning (C0227)

A: Trina, will you marry me?

B: Yes! Yes! And yes! Jared of course I'll marry you!

A: Oh Babe, I can't wait to spend the rest of my life with you! I can't wait for all the adventures we're going to have, for all the fights and the laughter. I can't wait to grow old and wrinkly with you.

B: Oh Jared! I can't wait for our wedding! I hope you don't mind, but I've already chosen a date! Six months from now in the summer! Melissa saw you buying the ring last month so I've had plenty of time to start planning!

A: She what?

B: Oh don't worry sweetie, I didn't know when you were going to propose. It was still a nice surprise! As I was saying, I've got it all planned out. There's almost nothing left to do! I wrote up our guest list and we will have roughly four hundred guests attending.

A: four hundred?

B: No need to sweat it My parents agreed to pay for most of the wedding, which is going to be lowbudget anyway. So roughly four hundred people, which means that the hall at Northwood Heights will be our reception venue. I thought it would be nice if we had the wedding at your parents' church and my uncle of course would be officiating. We'll meet with him soon for some pre-wedding counseling. The music for the wedding ceremony was a no-brainer. My step-sister and her string quartet will take care of that. My cousin will be the official photographer. I thought it would also be nice if his daughter could sing a solo. Did you know that she's going

to be a professional opera singer?

A: Ah...

B: And then of course the ladies at the church would love to be our caterers for the banquet and we'll get the Youth Group to serve us. I was thinking that your friend's band could be our entertainment for the night. though they might have to tone it down a bit. Or we could hire a DJ. Your sister's husband could get us a discount with that company that does the decor at weddings. what's their name again? I was thinking that we could have an island paradise- themed wedding and our theme color would be a soothing blue like Aquamarine.

And there will be a huge seashell on the wall behind the podium where we'll make our toasts! What do you think of small packages of drink mixes for our wedding favors? Who else am I missing? Oh, your uncle could be our florist and his wife could make our wedding cake!

A: Wow.

B: See? It's going to be wonderful! Oh this wedding is going to be everything I ever dreamed of.

A: If I survive the next six months.

Elementary -The Weekend - Going to the Beach (C0228)

A: Oh, George, what a beautiful day it is today! The sun is hot and there are just a few clouds scattered here and there! What a perfect day to be at the beach! The kids are going to have so much fun! And we'll be able to relax in the sun while they're playing.

B: It does seem like the perfect day! I'm glad we chose to get out of the city and enjoy the nice weather! This looks like the perfect spot! Ok kids, put on your sunscreen while your mom and I set up camp. Here, Mary, help me lay down these beach towels.

A: There we go. Can you help me with the umbrella? Perfect.

B: Ok kids, here's a beach ball and a Frisbee, a pail and a shovel. I want to see an impressive sandcastle by the time we leave. Don't stray too far. Wait! Leave your sandals here or put on your wet shoes.

A: And stay in the shallow area. I don't want to see you go any farther than that sandbar! It's too deep out there and we didn't bring your floaties.

B: You're back already? The water was too cold, huh? I'll

tell you a secret. Do you see that small pool of water over there? It'll be warmer in there. Go see if you can find some seashells or catch some minnows.

A: What is that? A jellyfish? Jeremy, put that down right now! It could sting you!

B: Ah! Not on me! Ow!

Elementary -Daily Life - Buying Men's Shoes (C0229)

Mom: Hi! I am looking for a pair of shoes for my son.

Salesgirl: Sure thing! Here we are! If you're looking for dress shoes, we have several different styles of Oxfords for boys. We also carry athletic shoes, hiking boots.

Mom: Oh Jacob, how about these sneakers?

Jacob: Mom? They've got Velcro.

Mom: Well, then how about these? What is this style called?

Salesgirl: They're tennis shoes. They're very popular with teens and young adults.

Jacob: Oooo, Mom, can I get these?

Mom: What are those?

Jacob: They're Chuck Taylor's! Everyone has them! Can I, please?

Mom: I don't know. Would they go with your clothes? The backs are really high. and the way the tongue just sticks up. They're almost like a boot. And the sole doesn't look like it would have a very good grip.

Jacob: They're only forty-five dollars! And they've got cool fluorescent orange shoelaces! Mom?

Mom: Ok, try them on.

Salesgirl: What size are your feet?

Mom: He is a size nine.

Salesgirl: We'll try a size forty-three on you first and see how that fits.

Mom: A what?

Salesgirl: They come in European sizes. He should be a size forty-three. I'll be right back.

Elementary -The Weekend - Gardening (C0230)

A: I've decided to grow my own garden!

B: What? You don't know the first thing about gardening!

A: On the contrary, I have been reading a lot of books about the subject.

B: Oh yeah? Tell me then, smarty pants, how will you go about setting up your garden?

A: Well, first I need to buy some things, such as fertilizer, seeds and tools.

B: What type of tools?

A: You know, the basics. A rake, shovel, spade and a hoe.

B: Right. Well it seems like you have all your bases covered. What's next?

A: I'll till the soil and then sow the seeds. I'll then add some fertilizer and voila! Gardening all done!

B: Well, good luck with your garden, especially considering we are in the dry season and it won't rain for the next three months!

Elementary -Daily Life - Buying Women's Shoes (C0231)

Mom: Hi, excuse me Miss? I'm looking for a dress shoe. My usual pair that I've had for years have finally been stretched out of shape. They don't provide any support anymore.

Salesgirl: Sure, what kind of shoe are you looking for? We've got strappy sandals, sleek high heels, edgy pumps, or if you're looking for something a little more practical, we've got Mary Janes, ballerinas.

Mom: Show me some classic high heels, please.

Salesgirl: Ok, right this way. What color did you have in mind?

Mom: Black. Classic.

Salesgirl: Of course. We've got this style here that is very popular. Because it's an open-toe shoe, you can wear it any time of the year. They look great on everyone.

Mom: Umm. too shiny. And I wear pantyhose with my shoes so let's look for a closed-toe shoe.

Salesgirl: Ok, these are a very nice pair of leather shoes with a two-inch heel so they are very comfortable.

Mom: I don't like the pointed toes. Let me take a look at what else you have. Too high. That one looks like the back would cut into my heel. I have a high instep so I doubt that one will fit properly. I don't want bows. I find slingbacks very uncomfortable. Those might as well be stilettos. Too modern. Ah, finally, this is what I'm looking for.

Salesgirl: What size?

Mom: Seven-and-a-half.

Salesgirl: Here we are How does it fit?

Mom: Hmmm. not good. They're too tight. The length is right, but the shoe is too narrow and it's pinching my toes. And there'd be no room for my insoles. You know what? I don't think I have the patience for this today. They just don't make shoes like they used to. I'll come back another time.

Salesgirl: Have a nice day, Ma'am.

A: Hey John! I haven't seen you in ages! What's new? What have you been up to?

B: Pete! Nice to see you Well, on top the norm, you know, wife and kids and work, I've actually gotten into doing some trading.

A: Trading? You, big guy? What are you trading?

B: Currencies.

A: Currencies? As in Euros, Dollars, Pounds and Rupees?

B: It's called Forex. Foreign Exchange. The great thing about it is that I don't have to invest a huge amount. I put in a margin deposit and then I can buy and sell up to 100 times that much!

A: I don't understand. You're buying and selling money?

B: You got it! Just last night I made USD 150!

A: Last night?

B: Yeah! It's a 24 hour market! I had bought some RMB earlier at a low asking price but last night it appreciated drastically so I made a split second decision and sold all my RMB at an amazing bid! I've also done some trading with CHF and AUD and HKD. I've made some good profits but I've also suffered some losses. It depends on a lot of factors just like any other market. In total I've made about USD 500 in the past few months.

A: You're kidding! I'm on! Where do I sign up?

Elementary -Daily Life - Going to the Doctor (C0234)

Doctor Evans:Good afternoon Chloe, I'm Doctor Evans. What seems to be the problem?

Chloe: Hi, Dr Evans. Thanks for seeing me on such short notice. When I woke up this morning I had a really sore throat and a really bad cough. I think I am coming down with the flu.

Doctor Evans:Ah I see, yes you do sound rather croaky. Well let's have a look, shall we? Could you please open your mouth and say " ah".

Chloe: "Ahhhhhhhh"

Doctor Evans: Good, yes, your tonsils are a little swollen and red. How are your ears, blocked at all?

Chloe: A little actually. My sinuses are a little blocked up as well – I really feel terrible.

Doctor Evans: Ok Chloe, can you please breathe in and

out slowly for me while I listen to your chest? You really are all bunged up, you don't sound too good at all. Ok I'm going to set you up with a bunch of antibiotics. You will need to take these orange pills twice a day and these blue pills every evening. You will also have to take this cough medicine three times a day after meals. Finally, I am giving you an inhaler to use every time you feel breathless. . . just to clear up your lungs!

Chloe: Whoa! So many drugs. . . . I hate swallowing pills. Am I able to go to work?

Doctor Evans: Absolutely not! You are highly contagious! You don't want to infect the rest of your co-workers do you? I recommend staying in bed for at least three days and drinking plenty of fluids so you don't get weak and dehydrated. You can catch up on all the latest tv shows and movies!

Chloe: Ok! Would you mind writing me a doctor's note for work, otherwise they may think I am faking it!

Doctor Evans: Ha-ha, sure not a problem! Here you are. Now off you go and away to bed. If you have any questions just give me a call! Feel better soon and take care.

Chloe: Thanks doc, bye!

Elementary -The Office - Interview Skills Part 1 - The Introduction (C0235)

Mr. Parsons: Come in.

Rebecca Carlyle: Mr Parsons ?

Mr. Parsons: Ah, you must be Rebecca. Please do come in.

Rebecca Carlyle: Thank you for making some time to see me Mr Parsons. It's a pleasure to meet you finally.

Mr. Parsons: The pleasure's all mine Rebecca.

Have a seat please . Now would you like any refreshments? Tea or coffee?

Rebecca Carlyle: A coffee would be lovely thank you. Black, no sugar.

Mr. Parsons: No problem. Sally can we have two coffees please One, no milk or sugar?

Sally: Certainly Mr Parsons .

Mr. Parsons: So Rebecca, I understand you had a first interview with Miss Childs last week.

Rebecca Carlyle: Yes that's correct. She filled me in on the details of the job on the telephone.

Mr.Parsons:Great.Well, I'm glad to say she recommended you for a 2nd interview, and here we are. Perhaps we can start by discussing your background and resume details a little?

Rebecca Carlyle: Yes , of course.

Elementary -Daily Life - Trying To Sleep (C0236)

Jill: Alex, what's up with you? You look dreadful!

Alex: Hey Jill, I don't know. I've been having trouble sleeping these past few weeks. I usually lie in bed for hours trying to get to sleep . I've tried stretching and different breathing techniques before going to bed . I've tried eating and not eating different foods. I've even tried counting sheep! And then when I finally get to sleep , I have these really disturbing nightmares, so I usually wake up in a panic and more tired than before I went to sleep .

Jill: Wow, maybe you should get that checked out. Maybe you're stressed?

C: Just take some sedatives! Works for me! Every so often having some melatonin on hand helps me when I have trouble sleeping . It works on all kinds of sleeping disorders . It's the stuff pilots use to regulate their sleeping patterns .

Jill: I heard of that. But does that apply to Alex's situation?

C: Ya sure, why not ? Sounds like he only has transient insomnia since it's a recent thing so taking melatonin do the trick.

Jill: But shouldn't he be looking into WHY it's been happening?

C: Well aren't you the little psychologist? Our buddy's having trouble sleeping , it's easy and curable. It's not something freakish like if he was a sleepwalker.

Alex: Well, there's that too.

Elementary -Daily Life - Morning Routine (C0237)

Jacob: Stephanie! Did you just get to school? But you were up and about when I left the dorm this morning! That was about an hour and a half ago. This happens all the time! Why do you always take so long to get ready the morning?

Stephanie: It's a skill. What can I say? I don't know why, I just have a long routine.

Jacob: Please explain because it makes no sense to me. How can a girl's routine be so complicated? You get up , you shower, you get dressed , you brush your teeth, you're out the door. Half an hour, tops.

Stephanie: Jacob, you have the luxury of having a haircut that rarely needs styling. I don't. I have to set aside about an hour and a half to get ready in the mornings. Every day, I wake up and head straight for the shower. Every second day , I wash my hair. If it's a hair-washing day, I frequently need to wash my hair twice because it gets really oily. Then I usually put in a conditioner and have to rinse that out too. Because my hair is so long, I seldom manage to take a shower in under twenty minutes. Afterwards, I often put on a pot of coffee and get dressed while I wait for it to brew. I take a long time to get dressed in the morning. Every now and then I remember to choose my outfit the night before , but usually I do it in the morning. In all , getting dressed takes about half an hour , at which time my hair is now semi-dry so then I have to style my hair. From time to time I'll put my hair up, but oftentimes I blowdry it straight. And then, because of the texture of my hair, I regularly have to flat-iron it to keep it from frizzing. That's another twenty minutes or so. After that, I have my daily makeup routine.

Jacob: True, I hardly ever see you without your hair done and your makeup on, even when you show up to class in sweatpants. Tell me, how long does it take you to choose that outfit in the morning?

Stephanie: Not funny.

Elementary -The Office - Interview Skills Part 2 - Discussing Your Background (C0238)

Mr. Parsons: Now, Miss Childs passed on your resume to me and I've had the chance to look it over and I must say I'm quite impressed.

Rebecca: Thank you very much. I've tried to keep it short and clear. If there's any questions please feel free to ask me.

Mr. Parsons: Well yes, I do have a number of questions, but perhaps first you could give me a brief overview I'd like to get a little bit of an idea of your background.

Rebecca: yes of course. Well as you can see from the resume I'm up and grew up in Brooklyn, New York, although our family moved to London when I was quite

young, at around rook.

Mr. Parsons: Ah I see, so you were actually educated in Europe?

Rebecca: yes precisely. Although I was born in the US, I would definitely call London home. But as you see I've actually spent a lot of my life moving from country to country. My Father was in the oil business before he retired so we also spent a number of years in Saudi Arabia too.

Mr. Parsons: Very interesting. So it seems you had quite an adventurous childhood.

Rebecca: Absolutely! We were never still for too long. But now I'm really looking to settle down.

Mr. Parsons: I see. Okay, well let's move on to discuss your education shall we?

Rebecca: Sure.

Elementary -The Weekend - Adventure Sports (C0239)

A: Welcome to Adventure Tours . How may I help you?

B: I want to book a tour with adventure sports .

A: Excellent! Our company has more than ten years of experience in the adventure tourism and sports field . Let me show you some options. This is our most popular choice, our river guides will take you on a whitewater rafting trip followed by a ride in a hot air balloon !

B: I don't really think I'm ready to throw myself down a river full of jagged rocks in a rubber boat or go up in the air in a wicker basket held up by an oversize balloon. What else do you have?

A: Well, in that case, we can take you hang gliding with one of our experienced instructors. It's the closest you can get to flying.

B: What? You mean strap myself to a flimsy kite? No thank you! Next!

A: Mmm. ok. Well, why don't you tell me a little bit more about what you would like? We have everything from mountain biking, to rock climbing to street luge.

B: I'm thinking something exciting but. safer.

A: I have the perfect option, this package will take you on a hiking trip through the Himalayas for three days and afterwards there's a dog sledding journey!

B: That's more like it !

Daily Life - Getting A Pet (C0240)

A: We have been over this a hundred times ! We are not getting a pet!

B: Why not? Come on! Just a cute little puppy. or a kitty!

A: Who is going to look after a dog or a cat?

B: I will! I'll feed it, bathe it and walk it every day! We can get a Labrador or a German Shepard !

A: What if we want to take a vacation ? Who will we leave it with? Plus, our apartment is too small for that breed of dog.

B: Ok. How about we get a cat or a ferret!

A: We're planning on having children soon, I don't think those animals are a good idea with a baby in the house.

B: Fine! Let's get a bird then! We can keep it in its cage and teach it to talk! A parrot would be awesome!

A: I'll tell you what, I can get you some hamsters and we'll take it from there .

B: Yay!

The Office - Interview Skills 3 - Education

Background (C0241)

Mr. Parsons: Now, if I look here I see that you completed a BA in English?

Rebecca: Yes, that's right. After graduating from high school in New York I attended York University in the UK. My major was English, and my minor was business studies . I completed my BA in 2004.

Mr. Parsons: Yes, I'm pleased to see that you also got a distinction.

Rebecca: Yes that's right. I've always enjoyed studying. My friends say I'm a bit of a bookworm, but my father always pushed us to succeed academically.

Mr. Parsons: Well, it looks like his encouragement paid off Rebecca. So how about extracurricular activities at University

Rebecca: Well I've always been keen on writing, so I became the editor for the University student magazine, which I really loved. Also I volunteered for a group called Shelter, to help the homeless in York.

Mr. Parsons: What did that involve?

Rebecca: Providing warm meals and shelter, especially in the winter months . I found it really fulfilling to be part of

that group .

Mr. Parsons: I'm sure. Okay, now let's move on to your work experience, shall we?

Rebecca: Yes, okay.

Global View - Learning The Piano (C0242)

Charles: Hi Cody, how did practicing go this week?

Cody: Well I had several tests and an oral presentation this week so I didn't get a chance to memorize the second page, but I think I mastered the tricky section.

Charles: Great! Warm up with some scales and arpeggios first. Good, good. This week, work on keeping the rhythm steady when you play the last part with the sixteenth note . Now let's take a look at this tricky section.

Cody: Charles? Before I start I was wondering if it was ok if I put a small crescendo in here and then decrescendo back to pianissimo again over here?

Charles: It might work. I'll have to hear it . Show me what you've done. Not bad , not bad .

Cody: It was horrible! I played play it much better at home!

Charles: It's just nerves. Just play the right hand for now. One two three four five six, ta ti tri-ple-ti. Good, good. Don't forget the accidentals! The key signature says that note should be a G-sharp but now it's a G-natural. Now add the bass clef. You're going too fast. Remember the tempo for this piece is andante.

Cody: Is that better?

Charles: Yes, much better. Watch where you lift your foot off the pedal. What was that?

Cody: Sorry! The stretch for that octave is always hard to make.

Charles: That's ok, keep going, you're moving ahead by leaps and bounds . Watch your dynamics! Keep your elbows lifted. Remember to stroke the keys, don't pound. That's better! Remember that as a pianist or any other musician, your technique will be what separates you from the pack just as much or more so as your musicianship.

The Weekend - Talking to a Travel Agent (C0243)

A: Welcome to Perfect Getaway Tours . How can I help you?

B: I would like to plan a surprise getaway for me and my

wife.

A: Very well, we have a couple of different options such as beaches, the wilderness, the countryside or even going to a spa for the weekend.

B: I think something in the countryside would be nice.

A: Perfect! This package includes round-trip flights to New Hampshire . A free airport pick- up is included. Our VIP limousine will pick you up and provide you with complimentary champagne and finger foods to soften the thirty-minute ride to the countryside.

B: Sounds good! What is the hotel that we will be staying at like?

A: That is the best part. Your hotel is actually an old country villa that has been restored and refurbished to accommodate a maximum of that is guests. You will enjoy an intimate and private time in this very spacious and warm N Included in the price is three meals a day, excluding beverages. You can choose to eat at the fabulous restaurant that offers a stunning view of the lush, green gardens. If you prefer, your own private butler can arrange your meal to be served in your room or outside on our terrace.

B: Wow! This sounds like something my wife would really enjoy! Are there any outdoor activities we can take part in ?

A: Of course! The hotel has a stable with beautiful stallions for a very romantic horseback ride along the country trail. You can also go fishing to the nearby lake or visit the local vineyard.

B: I'm sold ! I want to book this trip. I don't care what it costs! Money is no object !

The Office - Interview Skills 4 - Talking About Work Experience (C0244)

Mr. Parsons: Right Rebecca. Now I see that after graduating from University your first job was.....

Rebecca: For a local paper in York called the York Herald. Actually, I started with them as an intern in the beginning. I was really keen on getting some experience in the journalistic world, and this seemed like a good first step.

Mr. Parsons: Certainly. And after your internship

Rebecca: They seemed impressed, and offered me a position as a junior local news reporter. I ended up staying two years

there actually. I was in charge of the sports news section of the newspaper. I really enjoyed it there, and it really helped me build my skills.

Mr. Parsons: Yes I see. But you decided to leave them in 2006 right

Rebecca: Yes, that's right. My husband and I moved to London, and so I managed to find a position with a National newspaper based in London

Mr. Parsons: The London Weekly right

Rebecca: Yes, in some ways it was a step down from my previous job but it did offer me much better prospects for the future.

The Weekend - Getting A Subscription (C0245)

A: Good afternoon Ma'am, My name is Mike and I am selling subscriptions to all sorts of periodicals.

B: No thank you, I am not interested.

A: Please ma'am , if you could spare five minutes of your time, I am sure we could find something that interests you!

B: I wish I could, but I have to walk the dog and finish cooking so if you would excuse me.

A: We have a great variety of magazines all about cooking! This one for example, is a bi monthly publication with recipes from all over the world!

B: Wow, that would be kind of useful, do you have any other cooking magazines?

A: Sure do! This one is a quarterly publication, but each issue has over 200 color pages of recipes and also many home decorating ideas!

B: Wow, this is nice! Ok, sign me up for both publications.

A: You mentioned you have a dog, most pet owners sign up for this weekly newsletter that has information on dog care, pet shops and even pet sitters!

B: That is exactly what I needed! What else do you have?

A: Well, I also have....

B: Certainly sir, this is our train schedule. We have an express train departing every morning and an overnight train that departs at nine pm.

A: How long does it take to get there?

B: About twelve hours. We currently have tickets available only for first class on the express train. If you'd like, you can choose a sleeper on the overnight train which is a bit less expensive.

A: Yeah, I think that is the best option. Do you serve food on the train? Twelve hours is such a long time!

B: Yes of course. There is a dining car towards the front of the train where they serve meals at all times. We do provide complimentary water and coffee for all of our passengers.

A: Great! I'll take it.

B: Here you are sir. Your train leaves from platform number nine at nine on the dot. Remember to be here at least thirty minutes before your scheduled departure time or else you might miss your train!

A: I understand. Thank you very much !

B: Have a great trip.

The Office - Interview Skills 5 - Discussing Reasons

For Leaving Previous Position (C0247)

Mr. Parsons: Okay, now I'd like to find out more about your last job. I see you spent almost four years at the London Weekly , is that right?

Rebecca: Yes, that's right. To be honest, the first year was quite tough for me. I was really just treated more like an intern. I didn't have many responsibilities and I found it quite frustrating.

Mr. Parsons: So, what changed?

Rebecca: Well slowly but surely I proved myself, and the new editor liked me so he promoted me to features writer .

Mr. Parsons: Wow, a real step up!

Rebecca: Yes I was responsible for restaurant and food reviews mostly. I spent restaurant years in that position, but to be honest it wasn't an area of journalism I wanted to stay in long-term.

Mr. Parsons: I see, so why did you decide to leave finally?

Rebecca: I just felt that the paper couldn't offer me any new opportunities. I really needed a more challenging role to be honest.

Daily Life - Dinnerware (C0248)

A: Honey can you set the table?

B: Um, sure. What are we having for dinner? Do I need to put out anything in particular?

A: Well, make sure to put out the pepper and salt shakers. I don't know if your brother is coming tonight so set an extra place mat just in case.

B: Ok, should I use the fancy silverware?

A: Yeah go ahead, forks, spoons and knives. I roasted some meat so be sure to put out some steak knives as well.

B: I'll also set some cups and saucers for some coffee after dinner.

A: Honey? Have you seen our soup bowls?

B: They are in the cupboard where you keep the gravy boat and serving dishes. Just be careful because the wine glasses are also there.

A: Oops!

The Weekend - Making A Sandwich (C0249)

A: Welcome to our show! Today, I am going to show you how to make the perfect mouthwatering sandwich! Are you ready? Let's get started !

A: Let's start with the basics :bread. Bread is an important ingredient here. You need to remember one thing -choose the bread according to the following

criteria :freshness, crumb and color. If you want a closed sandwich I recommend you first toast your bread in a toaster or oven, or grill it slightly until it gets a light brown color.

A: Now that our bread is ready, let's talk about the ingredients ! Of course, each person's palate is different, but I'm going to give you a few tips that you'll be able to use when turning any sandwich into the perfect sandwich. I would strongly recommend you put fresh vegetables in your sandwich.

A: Do not undervalue them as they play a big role in forming the taste and will make the sandwich more refreshing and light. The best choices here are evident- cucumbers, tomatoes, onions, sweet pepper pepper or chilli, lettuce and, of course, herbs- you can't go wrong with them. As for aubergines, mushrooms and asparagus, I would recommend you first grill them slightly with a little touch of olive oil.

A: Last but not least, we have a wide variety of condiments that we can add to our perfect sandwich. We can be subtle and just add a touch of salt and pepper, or we can combine mustard sauce, mayonnaise, ketchup or even caviar to achieve a stronger flavor! It's always a good idea to cut your sandwich in triangles or manageable pieces to avoid all your ingredients falling out and staining your shirt!

A: That's all the time we have for today, but join us next time where we'll be going over how to make the perfect lasagna! Till next time!

The Office - Interview Skills 6 - Describing Ones

Strengths (C0250)

Mr. Parsons: Okay Rebecca. Now you've given me a good idea of your work and academic background, but what about you as a person? How would you describe your key strengths?

Rebecca: Well Mr. Parsons, as I mentioned before I'm someone who needs new challenges. I'm really focused and hard hard-working. I think my academic results prove this.

Mr. Parsons: Yes, true, but how about other personal qualities? Hmmmmm, that's a tough question. But I would have to say my passion. I'm really passionate about journalism and passionate about my career.

Rebecca: Well I believe I'm a good team-player, but I can also work well independently. I'm very enthusiastic and, well I hope my colleagues would agree, I'm fun to work with.

Mr. Parsons: What would you say is your most positive quality?

Rebecca: Hmmmmm, that's a tough question. But I would have to say my passion. I'm really passionate about journalism and passionate about my career.

The Weekend - Buying Makeup (C0251)

A: I'm hungry, let's go grab a bite to eat.

B: Yeah me too. Oh! Can we stop at the shop really fast? I lost my makeup bag at the airport and I want to pick up a few things.

A: Will you take long?

B: No! Five minutes I promise!

A: Come on! We have been here for almost an hour! I thought you said you were only going to get a few things! How long does it take you to pick out a lipstick and some nail polish!

B: Are you crazy! You have no idea what you are talking about! Just for my eyes I have to get eyeliner, an eyelash curler, eye shadow, an eyebrow pencil and mascara. Then I need to get foundation, liquid foundation.

A: Whoa whoa whoa! Are you nuts? How much is all this going to cost? I'm looking at the price at each one of these little things and it's outrageous! This is basically a crayon!

B: What about you? You spend as much or more money on your razors, after shave, cologne and gel! Not to mention how much you spend on clothes and...

A: Fine! Get the stupid thirty dollar crayon!

Global View - Contraceptives (C0252)

A: Alright, settle down everyone. As part of this school's curriculum we'll be covering sex ed this week.

A: Now I want everyone to take this class seriously, sexual education is very important and I want you to ask as many questions as you can think of. Remember, there are no stupid questions here.

B: Miss Carlton? What exactly is sexual education? Are you going to teach us like Kama sutra stuff like that?

A: No Jason, that's not exactly what sex ed is. Basically, we will talk about sexually transmitted diseases, contraceptives and how the male and female bodies work.

B: My older sister is in college and she takes what she and her friends call the pill. I never really understood what that is, but I know it has to do with sex or something.

A: Good point Jason! This will be the topic of our first class, contraceptives. As you mentioned, the pill is one of the many that exist. The birth control pill is taken daily by a woman in order to prevent unwanted pregnancy, but it does not protect her from contracting STD's from an infected person. Another popular method is using condoms. This is probably the best method if you have sex, since it not only prevents a woman from getting pregnant but also protects both from STD's. Yes Jason?

B: What are condoms made out of? How exactly is it that a woman gets pregnant?

A: Condoms are usually made out of an elastic material called Latex. As for your other question, that's a whole

new class.

The Office - Interview Skills 7 - Describing Ones

Weaknesses (C0253)

Mr Parsons: Okay Rebecca, well I think you've given me a clear impression of your positive qualities, but let's talk a little bit about your weaknesses.

Rebecca: Okay, well it's always more difficult to describe them isn't it?

Mr Parsons: Definitely, but if you had to pinpoint one weakness what would it be?

Rebecca: Well as I mentioned before, I do tend to get frustrated if I don't see progress in my work or career. I suppose I'm quite a restless character. My father always taught me to be a high achiever so.

Mr Parsons: So would you say if things don't go your way at work it could easily get you down?

Rebecca: Well, in a way yes. But I must say that even if I'm not completely happy in my work I always give 110% I would never shirk my responsibilities. I suppose sometimes I expect too much too soon.

Mr Parsons: Well, you know journalism is a highly competitive world, so you do need to keep pushing yourself it's true. Okay well let's move on to talk about the job position here shall we?

Rebecca: Yes please.

The Weekend - Making Breakfast (C0254)

A: Smells good! What's for breakfast?

B: Well, since we are getting up so late, I decided to make a big breakfast!

A: Nice! Brunch!

B: Kind of, so I made scrambled and soft boiled eggs, some french toast and buttermilk pancakes!

A: Wow! You really went all out! Did you make any coffee?

B: Yeah, just the way you like it! I also put out some cereal and muesli if you feel like having something more light.

A: Looks good! I'll squeeze us some fresh orange juice.

B: Get the jam and butter while you are in there! Oh! And don't forget the syrup!

Global View - The Miracle Of Life (C0255)

A: Continuing with our class, today we are going to study briefly the miracle of life. Many of you may think you already know how babies come to be, but I am sure that some of the things that we will be talking about today may surprise you. Billy can you turn on the projector please? Thanks. Ok, does anyone know what this is?

B: Looks like a goat head to me!

A: Nice try, but this is a woman's womb which contains her uterus and ovaries. The ovaries are packed with eggs and each month during the middle of the menstrual cycle, the ripest one will be sucked up by one of the fallopian tubes. This is called ovulation and the exact time of ovulation depends on the length of your cycle. In an average 28 day cycle, ovulation will most likely happen between the 12th and 15th days, counting day 1 as the first day of your last period.

B: That's amazing! So each month, the woman produces these eggs and then waits for them to be fertilized?

A: Actually, every woman is already born with over four hundred thousand eggs! Some will start dying off immediately and others released during her fertile period.

B: What about the guys? I know they produce sperm and stuff.

A: That's right! The man's body has a tiny factory that produces sperm twenty four hours a day! Each ejaculation will release about a hundred million sperm so the factory is always pretty busy. The sole purpose of a sperm's life is to fertilize the woman's egg.

B: So, then we basically need to put one-and-one together so we can have babies right?

A: Yes, the man will have an orgasm during intercourse and ejaculate sperm and semen. Now this is where the race begins and all those millions of sperm will race and swim from the cervix, through the uterus to the fallopian tubes. This could take anywhere from forty five minutes to twelve hours! Not all of them make it, since some go the wrong way and get lost or simply die. Many will actually reach the egg but only one will penetrate it and fertilize it. Once this happens, the egg instantly changes and creates a protective shield once the sperm is safely inside.

B: And then? That's it?

A: Well, the egg will be fertilized within about 24 hours of its release. The genetic material from the sperm combines with the genetic material in the egg to create a new cell

that will rapidly start dividing. The woman is not actually pregnant until that bundle of new cells, known as the embryo, travels the rest of the way down the fallopian tube and attaches itself to the wall of her uterus. Any other questions? Then let's move on.

The Office - Interview Skills 8 - Discussing Salary

and Benefits (C0256)

Mr. Parsons: Okay, well I'm sure you have a number of questions to ask me regarding the position.

Rebecca: Yes, well Miss Childs did give me an overview of the position over the phone, but there were some details I'd like to clarify.

Mr. Parsons: Well feel free to ask me anything, and I'll try to fill in the details.

Rebecca: Could I first ask about the remuneration package ?

Mr. Parsons: Yes of course. That's quite an important point isn't it? As a junior sub editor we offer a starting salary of 150,000 HK dollars per annum. This doesn't include a generous housing allowance also.

Rebecca: I understand. And are there other bonuses included?

Mr. Parsons: Well apart from full health insurance we do offer a company staff bonus scheme linked to readership numbers. But we could go through all the details of that at a later date.

Rebecca: Well Mr. Parsons, I am flexible when it comes to salary. The opportunity to work in Hong Kong for you is the most important thing for me.

Mr. Parsons: Excellent. Well, what other questions do you have Rebecca?

Global View - The World Cup (C0257)

A: What are you doing?

B: What am I doing? What am I doing? Don't you know what day it is?

A: Ummm. no.

B: It's only the day when the world's biggest sporting event is kicking off.

A: What?

B: The World Cup! The first match is today! It's Mexico

vs. South Africa! It's going to be a really good match! Both teams have a very strong offense and have skilled players. I think that South Africa will probably dominate the first half since they are the host country, and all.

A: I have no idea what you're talking about. The only sporting event we watch at home is the Super Bowl.

B: This is bigger than the Super Bowl, man! Teams from 32 countries compete against each other every four years and fight to win that trophy. They first start in a group stage with bigger groups, each group having 4 teams. The top 2 teams pass on to an elimination stage before going on to the quarterfinals and semifinals.

A: Sounds interesting, but soccer doesn't really appeal to me.

B: Are you kidding? Over seven hundred million people watched the final match of the World Cup! It's a very exciting and nerve wracking sport! Each nation is cheering on their team, hoping they will become the next champion. So far Brazil is the team with the most titles under their belt; they're really good!

A: All I know about soccer is that you can't use your hands and that players are always falling down, trying to get a free kick or penalty kick. It seems like a sissy sport to me!

B: Whatever dude, I'm going to go watch the opening match.

Daily Life - You're Grounded! (C0258)

A: Do you know what time it is?

B: Um. Ten?

A: Get in this door young man. It's midnight, you are two hours past curfew.

B: I know, but it wasn't my fault! I told Jennifer she had to drop me off before ten, but she wouldn't leave the party!

A: I don't care! You are grounded for life mister!

B: Mom! That is so unfair!

A: You know the rules and you broke them. No allowance and no TV for a week. I usually never ground you but this time I have to put my foot down!

B: What! For being a couple of hours late? You have to be kidding!

A: I don't want to hear it! Now go to your room!

About The Position (C0259)

Rebecca: Could you tell me a little about the organization?

For example, how big is your workforce here?

Mr. Parsons: Well in total we have around 150 employees based in Hong Kong with another 400 in our head office in Beijing. The newsdesk staff in Hong Kong comprises around 80 staff.

Rebecca: I see. And how about the working hours?

Mr. Parsons: Well, as you know Rebecca, in journalism work hours are not exactly 9-5. You could be on call at any time. We do have to work very unsociable hours at times.

Rebecca: Well I am used to that Mr. Parsons, so that's not really a shock for me.

Mr. Parsons: Good, as long as you understand that.

Rebecca: And when do you need to fill the vacancy, Mr. Parsons?

Mr. Parsons: Yesterday! But no, we are hoping to start from the beginning of next month.

Rebecca: That sounds ideal.

The Weekend - Guns (C0260)

A: Hey Nick, what are you up to?

B: Not much, just heading over to the shooting range. You wanna come?

A: Seriously? You mean to fire a real weapon? I don't know man.

B: Yeah it will be fun! I have a 9mm pistol that is really easy to shoot. I also have a revolver that's really fun too! They have big targets at the range that we could use to practice and improve your aim.

A: Yeah that would be cool! Maybe I can also have a try at other weapons like a machine gun or a shotgun! Maybe even a rocket launcher or an anti tank missile! Or what about a flame thrower!

B: Whoa, take it easy there Rambo. Don't get carried away. These weapons are not toys, and you must first learn how to handle them properly. There are basic rules that you must abide by in order to be safe. For example, never handle a weapon that you haven't inspected yourself. Always make sure there isn't anything in the chamber, and never put your finger on the trigger unless you are ready to

shoot!

A: Wow, I didn't know! It always looks so cool and easy in the movies!

B: The reality is different you know, running and firing a weapon is a lot harder than in the movies! So are you ready?

A: Let's do it!

Daily Life - Describing Someone's Face (C0261)

A: Let's play a game!

B: Ok! How about Scrabble?

A: No no, a friend of mine taught me this really fun game. I'm going to describe someone's face, and you guess who it is!

B: Ok!

A: Let's see. He has a roman nose, bushy eyebrows and dimples!

B: Our cousin Pete! My turn! She has a pointy nose, sunken eyes and a mole on her chin!

A: Aunt Rose! That mole is so huge! Ok, my turn. He has a crooked nose and full lips. He has quite a few freckles and an oval face. Oh, he is also bald!

B: Your future husband!

A: Not funny.

The Office - Interview Skills 10 - Concluding The Interview (C0262)

Mr Parsons: Well Rebecca, is there anything else you need to know for now?

Rebecca: I don't think so Mr. Parsons. I think you have covered all the main points for me.

Mr Parsons: Okay well listen, here is my business card with my mobile number. If any other questions spring to mind don't hesitate to contact me. Of course you can also call Miss Childs too.

Rebecca: Great. Ermm, when can I expect to hear from you?

Mr Parsons: Well, we are finishing the shortlist interviews tomorrow, so we will certainly have a decision made by early next week. Miss Childs will call you to discuss more on Monday or Tuesday. How does that sound?

Rebecca: That sounds perfect. Thank you very much for

taking the time to speak to me Mr. Parsons.

Mr Parsons: The pleasure's all mine Rebecca.

Rebecca: I hope to hear from you very soon.

Mr Parsons: Absolutely. Thanks for coming Rebecca. Goodbye.

Global View - Nationalities (C0263)

A: Hey! How was your first day of class? I'm in level two and I'm loving my class this semester! It's great being in a class of international students!

B: Mine was ok, except that no one in my class speaks English. I guess it will force me to converse in Chinese more in class so at least I should improve a lot this semester.

A: That's both fortunate and unfortunate. It's the United Nations in my class! We have people from all over the world! There are three Germans, a Pole, a Scottish, two French, an American, a Brazilian, a Chilean, a New Zealander, though he prefers to call himself a Kiwi. Who else do we have? Oh, we also have a Moroccan, a Togolese, a Pakistani, and two Indonesians!

B: That's quite the array of nationalities. Everyone in my class is from Asia, except me. There are a few South Koreans, several Japanese, Malaysian, Thai, Singaporean, Filipino, Kazakhstani, and one Russian.

A: Well, I think you're pretty lucky actually. You'll have the opportunity to learn so much about Asian culture.

B: I guess so, but I think it's going to be hard to relate to my classmates, especially with the language barrier. I think I might change classes.

A: Don't! Stay the course! Your spoken Chinese will be eternally grateful. I bet you it will even surpass mine with all that practice.

B: I highly doubt it. Your girlfriend is Chinese.

A: Well, there is that, yes.

Daily Life - Toothache (C0264)

A: What seems to be the problem?

B: I have a really bad toothache! My cheek is swollen and I can't eat anything.

A: Let's have a look. Hmm. This doesn't look too good. I think we may have to pull out your wisdom tooth. It's pressing against your molars and that's one of the reasons

you are experiencing so much pain.

B: When you pull my tooth will you also have to extract the nerve and the root?

A: First we will take some x-rays and see what we're dealing with. I also noticed a small cavity up front here, so you are going to need a filling.

B: I guess that's what I get for not flossing or brushing my teeth three times a day.

A: It could be that, or maybe you are eating too many sweets. In any case, I'll administer an anesthetic and you won't feel a thing!

The Weekend - Pest Control (C0265)

A: Hi, did you call for an exterminator?

B: Yes! Thank goodness you're here. These bugs are driving us crazy!

A: What sort of pest are we dealing with?

B: We just bought this house and it is infected with just about everything. We have termites in the wood, cockroaches all over the place, and last night I saw a huge rat out in the backyard!

A: Well, there's nothing we can't handle. I'll spray the floorboards and walls to get rid of the cockroaches, but the termites will be harder to get rid of. We will have to cover the entire house and fumigate it. Unfortunately that means you will have to find a place to stay for the next three days.

B: No problem, just get rid of the bugs!

Daily Life - Weather Report (C0266)

A: Those are today's top stories. Now let's go to John for the weather. John, what does the forecast look like for our weekend travelers?

B: I'm afraid we're in for a rough weekend, Mark. There is a storm system moving through the East Coast. It will be drizzling all day today, and there's a 60 percent chance of thunderstorms this evening. It will be warm and humid all weekend. In the Midwest, expect strong winds and a low of around 40 degrees.

A: That's pretty chilly for the summer! Will it rain on Saturday?

B: Unfortunately, yes. It will be clear early Saturday morning but there is a high chance of showers and

thunderstorms later in the day. There is a severe thunderstorm warning for some parts of the Southeast. Folks in those areas might see some hail and flooding, especially in areas that have been experiencing record high rainfalls.

A: That certainly sounds like a dreary Saturday.

B: It gets better on Sunday, though. The storm systems move east and the skies will clear up at night. It will still be rather cool, with highs in the low 50s. The West Coast will be experiencing some unusually chilly weather, but at least the sun will come out. I advise weekend travelers to be careful, especially while driving. Back to you, Mark.

A: Thanks John, and there you have it! Looks like it's a weekend to stay at home!

Daily Life - Making A Bank Transfer (C0267)

A: Good Morning welcome to Bank of the USA. How may I help you today?

B: Hi I need to transfer some money to another account. It's urgent.

A: Okay, have you made a wire transfer at our bank before?

B: No. I've never made a transfer before.

A: It's alright, I will take you through the procedure. Are you transferring funds to a company or an individual account?

B: A company account. I need to pay a bill.

A: Okay, I'll need the name of the company and their bank routing number as well as their bank's address and phone number.

B: I have all the information in this folder.

A: Well You've come prepared. You have all the necessary materials so we can go ahead and make the transfer right now. It's a simple transaction, and we can process it today.

B: Oh, that's such a relief. I didn't want the payment to be overdue. Thank you so much.

A: It's my pleasure.

The Office - Purchasing Manager (C0268)

A: Good morning, Angela, how have you been lately?

B: Morning, Michael. I've been very busy lately. One of our other vendors is going out of business and I've been searching for a suitable replacement.

A: Well, rest assured that you can count on us to be here for the long run sit down. Coffee?

B: No, thanks. I've been trying to cut down on the caffeine.

A: Haha, I could never do that. I'd be a zombie if I didn't have my morning coffee fix. Let's get down to business then.

B: Yes. I've come to talk with you about ordering the eight megapixel cameras for our new MePhone. The demand for phone cameras is growing, and Pear has been falling behind in the market.

A: That's great! I'm glad to hear that Pear has finally jumped on the bandwagon. Right now our contract is for the five megapixel cameras. Is Pear still interested in having those?

B: No, we're changing all the cameras to eight megapixels. We were hoping that by making your company our sole supplier for cameras we could negotiate a better deal.

A: Surely. Let's get started by drafting a new contract.

The Office - Marketing Plan (C0269)

A: Okay everyone, let's begin. I called you here today to evaluate our marketing strategy during this recession. I wanted to re-emphasize our corporate mission of Aiming to give our customers the best coffee and service in a clean and welcoming atmosphere.

B: Several other shops have reduced the prices for their coffees and are drawing in more customers. Why aren't we doing the same thing?

A: I know that recent sales have been slow, but we are not going to reduce our prices to the level of our competitors. We offer a superior product and our focus is on long-term growth rather than shortterm sales. If we lower our prices, we run the risk of devaluing our product.

B: Customers don't care about the coffee anymore. They only care about the price.

A: I disagree. Highly discerning customers know that our coffee is far better than the coffee you buy at the other places. Our coffee bean are artisan roasted and we use state-of-the-art equipment to brew our coffees. When you compare the coffees side-by-side our coffee wins the taste test every time. We have never sought to appeal to the mass market with cheap coffee drinks, and we will not do so now.

C: That's true. We've certainly achieved top of mind

awareness when it comes to the best tasting brews and it's important to distinguish ourselves from our competitors. I think the main question is how we can show our appreciation to our customers.

A: That's the main question I would like to discuss today.

B: Money is tight for everyone these days so even our most loyal customers may be reconsidering the money they pay for their morning coffee. Since the superiority of our coffee beans is one of our core competencies why don't we sell the beans for people to brew coffee at home.

C: That could definitely be a way we could expand our company, but would we be undermining the essence of the company that way?

A: Let's brainstorm some more ideas, and do some research. The customer always comes first, and what the customer wants, the customer gets. Maybe it's time we started selling coffee beans.

Daily Life - Buying A Suit (C0270)

A: Hello sir, what can I do for you today?

B: Hi, I need a new suit. I have an important interview next week, so I really need to look sharp.

A: No problem! We have a broad selection of suits, all tailored made so that it will fit perfectly.

B: Great! I want a three piece suit, preferably made from Italian cashmere or wool.

A: Very well sir. Would you like to have some shirts made also?

B: Sure. I'll also take some silver cuff link and a pair of silk ties.

A: Very good. Now, if you will accompany me, we can take your measurements and choose the patterns for your suit and shirts.

The Office - Presentation Series 1 - The Overview

and the Agenda (C0271)

A: Hi everyone, Can everyone hear me? Can you guys at the back hear everything?

A: Okay great. Well I think all of you know why we are here this afternoon. As most of you are aware 2010 marks an important moment for Alpha computers.

A: We have bounced back from the recession and now we

are set to launch our new line of laptop and desktop computers.

A: I'm really pleased to welcome Michael Ford, the Global Marketing Manager for Alpha computers, who has flown in from California to give all of you an overview of the marketing campaign and to answer any questions you may have. So please give a warm welcome to Mr. Ford.

B: Thank you Jonathan. It really is a pleasure to be here today. It has been three years since I visited Beijing, and it's clear to me that operations here are obviously going from strength to strength.

B: The Alpha brand continues to grow in leaps and bounds in China, and that is certainly down to the hard work of all of you here. So congratulations to all of you.

B: I'd like to start by outlining the key points of my presentation this afternoon and giving you an idea of the topics that will be discussed. The presentation today is divided into five main parts.

B: First of all, I'd like to briefly touch on the background of the new x420 line; how the whole concept has come about and how the new product fits into our existing brand line.

B: Secondly I'd like to present data on projected sales for the x420. We will then go on to discuss our key rivals in this sector. Then I would like to go on to outline the campaign concept for the x420.

B: Finally I'm happy to open up the discussion for any questions or points you might have for me.

Daily Life - Getting A Nanny (C0272)

Grace: Hey Mel! Are you up for some tennis today?

Mel: Sorry, I can't! I have to go to work, pick up Jake and Maddie from school, and make them an afternoon snack, then take Jake to soccer practice and Maddie to dance class.

Grace: You sound exhausted. Maybe you should hire a nanny to help you out! She can pick the kids up and take them to their after-school activities. She can also help you do some household chores, and run some errands.

Mel: Oh, I don't know... it's hard to find the right nanny. You have to consider her previous work experience, the responsibilities you give her, and how she interacts with the kids. I would love to have someone to help me out, though.

Grace: I think you should definitely consider it! This way

you won't have to juggle such a busy schedule, and you'll still get to spend time with the kids in the evenings. I can refer you this great nanny Amy. She used to work for my neighbors, before they moved away. She's very responsible, a good cook, and great with kids.

Mel: Oh, that's great. Thanks Grace. Can you give me her number? I'll talk it over with Dan and give her a call tomorrow. Maybe this way I won't be so tired every day, and Dan and I might even get to go on a date once in a while .

The Weekend - The Zodiac and Horoscopes (C0273)

Angela: Hey Lydia, what are you reading?

Lydia: I'm looking at my horoscope for this month! My outlook is very positive. It says that I should take a vacation to someplace exotic, and that I will have a passionate summer fling!

Angela: What are you talking about? Let me see that. . . What are horoscopes?

Lydia: It's a prediction of your month, based on your zodiac sign . You have a different sign for the month and date you were born in. I was born on April 15th, so I'm an Aries. When were you born?

Angela: January 5th.

Lydia: Let's see. . . you're a Capricorn. It says that you will be feeling stress at work, but you could see new, exciting developments in your love life . Looks like we'll both have interesting summers!

Angela: That's bogus. I don't feel any stress at work, and my love life is practically nonexistent. This zodiac stuff is all a bunch of nonsense.

Lydia: No it's not, your astrology sign can tell you a lot about your personality. See? It says that an Aries is energetic and loves to socialize. **Angela:** Well, you certainly match those criteria, but they're so broad they could apply to anyone. What does it say about me?

Lydia: A Capricorn is serious-minded and practical. She likes to do things in conventional ways. * laughs * That sounds just like you!

The Office - Presentation Series 2 - Talking about numbers, charts and graphs (C0274)

Mr Ford: As all of you are well aware, competition in the laptop computer sector is intense.

Mr Ford: We continue to fight with our competitors for market share, and this is the case both in the developed markets in the West, as well as more developing markets in Asia and Africa.

Mr Ford: You may ask yourself, why is this market so cut-throat? Well the answer is simple. There is a huge untapped potential market out there ,with a huge untapped potential for profit.

Mr Ford: If I bring up the first graph here, it shows the increase in terms of number of computer owners across the globe.

Mr Ford: As you can see in the 1980's computer ownership amounted to around 0.5% of the total world population. Since the 1990's, computer ownership has risen dramatically.

Mr Ford: In the new millennium we saw an even larger explosion in computer owners , with figures rising to around 4- 5%, an increase of 1000 % percent compared with the 1980's .

Mr Ford: If we move on to discuss the figures for China specifically we can see in Chart B that the overall figure for computer ownership stands at around 60 million, which represents a huge increase in a very short time period.

Mr Ford: Now of course 60 million is just a drop in the ocean if you compare the total population of China, and this is a key reason why the personal computer market is such a hot market.

Mr Ford: For us at Alpha, and of course for all our competitors as well, we have millions of potential customers who are looking to join the internet generation.

Mr Ford: If we do this right we really can reap huge rewards in a very short time frame. I'd now like to move on to discuss the x420 brand itself, and compare and contrast with some of our key competitors.

Daily Life - Kitchen Appliances (C0275)

A: I have been looking at this online catalog for over an hour and I still haven't finished getting all the kitchen

appliances that we need!

B: What are you getting?

A: Well, the first thing on my list is a new blender. I decided to also get a juicer and a new coffee maker.

B: Don't forget to also get a new mixer. I lent the old one to my brother and he broke it.

A: Yeah I know. I also decided to throw away the old toaster and get a new one. I am also getting a rice cooker and steamer to make some nice steamed fish or veggies.

B: I'm actually thinking of completely refurbishing the kitchen and getting a new stove, oven, dishwasher and trash compacter.

A: That's a good idea ! The kitchen will look amazing!

Daily Life - Telephone Services (C0276)

A: Telco Mobile, how can I help you?

B: Yes, I'd like to activate my voice mail service please.

A: Certainly sir, we currently have a special promotion where we include voice mail services ,call waiting and also three way calling.

B: Sure that sounds great! Are there any other fees?

A: Not at all. No hidden fees or surcharges, it is a flat monthly rate.

B: Perfect. I also wanted to know if there is any call forwarding service? I am usually out of town and would like my calls to be forwarded to a local number.

A: Yes of course. We can activate all these services in about an hour.

The Office - Presentation Series 3 - Making Comparisons (C0277)

Mr. Ford: Now a key question you might ask yourself is what differentiates the new x420 line with our previous models, and also of course with some of our competitors.

Mr. Ford: In other words what makes the x420 stand out from all the others? This is a key question, and is something I'd like to explore in a little depth. Firstly, the x420 has a range of USPs that really make it a cut above the rest.

Mr. Ford: The first thing to mention is that the x420 is the first in a new generation of ultralight laptop computers. It is only 2lbs, which compares very favorably with all our key competitors. In terms of computer performance, for

such a light machine it's very powerful. 4Gb of RAM, with an ultra-fast processor.

Mr. Ford: The most advanced video and sound cards on the market are installed with a crystal-clear 15-inch LCD display. The x420 really stands out as next generation laptop. Compared with our previous x540 range it really is in a league of its own .

Mr. Ford: Now, if we go on to look at projected sales for the x420 we can see that sales revenue for 2010 is expected to hit at least 20 million dollars. Now this is really a conservative estimate.

Mr. Ford: If our marketing campaign is successful I'm confident that we could see a doubling of this figure at the very least. Now please bear in mind that this is only for the first year of production.

Mr. Ford: I'm certain that in the coming three years the x420 will actually overtake all our existing products, both in terms of sales and revenue. Okay, now let's move on to discuss our marketing concept and look more closely at our key competitors.

Global View - At The Car Dealership (C0278)

A: Hi there! I am looking for a new car. I have this old Ford Pinto that I would like to trade in.

B: I see. You are in luck this month because all of our models are on sale! it is a perfect time to buy a new car since it's the end of the year,

A: Perfect! I like this one.

B: That is the Ford Focus. A very light but powerful vehicle. It comes with dual side airbags, power steering and power windows, tinted windows and your choice of either automatic or manual transmission.

A: Sounds like a good car! How many miles to the gallon?

B: It is a very fuel efficient vehicle giving you about 34 miles in the city and 40 on the highway.

A: That is really convenient. Especially now that fuel prices are so high! What's under the hood?

B: A very powerful 2.5-liter turbocharged engine, Trust me, this car is fast!

A: Now for the most difficult question. What is the price tag for this lovely vehicle?

B: Very affordable sir. You can take it out of this lot today with 0% down payment and no interest for the first year! You can test drive it now and we can sign the papers when we get back.

A: Great! Let's do it!

Global View - Drugs (C0279)

A: Hey man, you wanna buy some weed?

B: Some what?

A: Weed! You know? Pot, Ganja, Mary Jane some chronic!

B: Oh, umm, no thanks.

A: I also have blow if you prefer to do a few lines.

B: No, I am ok, really.

A: Come on man! I even got dope and acid! Try some!

B: Do you really have all of these drugs? Where do you get them from?

A: I got my connections! Just tell me what you want and I'll even give you one ounce for free.

B: Sounds good! Let's see, I want.

A: Yeah?

B: I want you to put your hands behind your head! You are under arrest!

The Office - Presentation Series 4 - Discussing the

Competition (C0280)

Mr. Ford: Now, of course, with all this cutting-edge technology there must be a catch, you might ask yourself. I bet the retail price will be too much for most consumers, you might say. Well, you'd be wrong!

Mr. Ford: Yes, of course the x420 is aimed at the luxury market, but if you compare the price of our leading competitors, the x420 represents incredible value for money. At only 15,000 RMB it is far more affordable and far more attractive than almost every leading brand and model.

Mr. Ford: So, what differentiates us from our competitors? Well, if we compare Orange's luxury MP40 range then we can really highlight some of the differences.

Mr. Ford: Now, of course Orange has an enviable record for producing revolutionary and top class products, and I must admit the MP40 is a breathtaking machine. However, for most consumers the MP40 is simply far too expensive to consider.

Mr. Ford: Compared with the x420 it is more expensive and there's no doubt that considering the quality and

workmanship that goes into the x420 we really win hands down on value for money.

Mr. Ford: Also, if you compare the after sales service we offer I think we can proudly boast the best customer service facilities in the whole lap-top sector. As opposed to most of our rivals, we guarantee quality, we guarantee service and we guarantee reliability.

Mr. Ford: The questions we must ask ourselves are "What does the Alpha brand stand for? and also "How can we set ourselves apart from our competitors? The answer to both of these questions is the same my friends.

Mr. Ford: Alpha stands first and foremost for quality, for excellence and for service. If we always stick to this philosophy then I'm confident that we will really be able to expand our market share significantly. Okay, let me move on now to give you an idea of our marketing campaign for the x420

The Weekend - Breaking Up (C0281)

Lydia: Hello?

Maggie: Hey! Do you want to go out tonight?

Lydia: No, I think I'll pass. Mark broke up with me. I feel awful.

Maggie: What?!? What happened? Just last week you were talking about going on vacation together!

Lydia: I don't know what I did wrong. He said he needed some space to figure things out... He said I didn't do anything wrong, that I'm a great person... just not the one for him...

Maggie: Ugh! That's so cliché. Mark's not worth your time, Lydia. You deserve so much better!

Lydia: I know we had hit a rough patch but I had hoped we could work it out next weekend, when we both had some time off... I think he found someone else. I had been getting suspicious because he had been spending a lot of time with a coworker...

Maggie: Whatever. He's a jerk, forget about him! There are many more fish in the sea.

Lydia: Talk about being cliché, Maggie! But you're right. There's no use for me to sulk around... Let's go out tonight!

Global View - Physics (C0282)

Prof. Brown: Good morning, everybody. Welcome to Physics 101. My name is Ed Brown, and I will be your professor for this semester. Since today is our first class, I wanted to give you an overview of what this course will look like, how you will be graded, and what we will cover this semester.

Matt: Will we be focusing more on theoretical physics or experimental physics, Professor?

Prof. Brown: This is an introductory course, and my aim is to give you a broad overview of the field of physics. The term “physics” encompasses many different areas of research and study, and I hope this course will provide you with conceptual understanding of physics, which will prove useful whether or not you choose to further your study in this field.

Prof. Brown: We will begin the course by looking at the fundamental concepts of physics, then by the middle of the semester we will begin exploring the more theoretical side of physics. It is essential that you first have a firm grasp of the fundamentals, so that you can better understand the theoretical concepts when we get to them. **Matt:** Will we learn about black holes, wormholes, and string theory?

Prof. Brown: We will learn about the general theory of relativity, including black holes. We will also explore developing theories in quantum mechanics, such as string theory. We will discuss some hypothetical features of space-time, like wormholes.

Prof. Brown: We will also explore some of the more influential developments in the fields of thermodynamics, electromagnetism, and nuclear physics, all of which have had significant impacts on modern life. Now, I am going to have the TAs pass out the syllabus for this class, so you can see how this course will be graded.

Matt: Oh man, looks like this isn't gonna be the easy A I thought it'd be!

The Office - Presentation Series 5 - Deferring Questions (C0283)

Mr. Ford: Now, as we have already discussed there is a huge untapped market out there both in Asia, in other developing markets, and in the more mature markets for us to push into. Now of course, this represents an enormous

challenge with enormous rewards for the winners, but for any new product we need a great marketing message and marketing campaign

Mr. Ford: It needs to be directed and focused at our target consumer, and needs to be pitched at exactly the right level. The question we must first address is of course, who is our target consumer and secondly what do they expect from the next generation Alpha lap-top?

Mr. Ford: Let's first of all tackle the first question. Our target consumer for the x420 is the middle class, white collar worker with an above average income. However, as we mentioned before the total number of computer owners is expanding rapidly and we need to broaden our audience for this product.

Mr. Ford: For example, the x420 is also ideally suited to the younger student sector, who might use laptops both for study and gaming. There is no doubt that.

Audience Member: Mr. Ford, if I could just interrupt a moment. You say that the computer is suitable for students, but don't you think the price of the x420 is just too much for most students?

Mr Ford: Well, that's a fair point. If you don't mind I'd like to tackle your question a little bit later in the Q and A section. Is that okay?

Audience Member: Yes sure.

Mr Ford: Okay, so as I was saying we have an exciting campaign planned for the x420. Firstly, we will have a nationwide television campaign, as well as advertising on radio and also in many computer publications. We also intend to.

Audience Member: I'm sorry to stop you Mr. Ford, but do you really think that a television campaign is cost effective. I mean, how much is that going to cost?

Mr Ford: Well I don't have the figures to hand, but I'd be happy to discuss those figures with you after the presentation. Okay let me just go on to talk a little more about the exciting campaign we have in store.

Daily Life - Tune Up (C0284)

A: Welcome to Al's Garage. What seems to be the problem?

B: No problem at all! I am taking a long road trip and I want to make sure my car is in good mechanical condition.

A: Very wise decision. When was the last time you had a tune up?

B: Not that long ago, I think it was four months ago.

A: We usually recommend that you bring your car in every five thousand kilometers.

B: Why? I mean, what exactly do you do to a car that you need to check it so often?

A: First of all, we change the motor oil and oil filter. If you don't do this, it can cause your engine to wear faster and that means you would probably have to change the pistons and intake valves.

B: I see. What else?

A: We also check your spark plugs, fuel filter, and other oil levels such as hydraulic fluid. We also check the clutch and brakes to determine when you will need new ones.

B: Ok, well, when you put it that way, it doesn't seem like a waste of time and money.

A: Trust me, regular tune ups will keep your car running smoothly and avoid break downs.

Daily Life - Handyman (C0285)

A: The air conditioning is not working! We need to call a handyman before we start to fry in here!

B: Dan is on top of that. I think they are also getting the handyman to fix the bathroom toilet that keeps clogging up.

A: That would be convenient. They might as well ask him to fix the electrical wiring. The circuit breakers keep going out all the time. It's really annoying!

B: Yeah you are right. This office is falling apart! Frank told me the other day that the gutters outside were clogged and that's why the parking lot was flooded.

A: I know! I was in ankle deep water trying to get to my car that day! The handyman definitely has his work cut out for him.

The Office - Presentation Series 6 - Addressing the

Audience (C0286)

Mr. Ford: The campaign that we have in store for the x420 is exciting, imaginative and revolutionary. We have spent two years listening to and responding to feedback from customers and staff alike.

Mr. Ford: I would like to say that without the assistance and support of each and every one of you we really could

not have devised this campaign. I'd like to take my hat off and really thank you all for the wonderful work you've done so far, not only in helping support our marketing efforts, but also in your continuing your commitment to Alpha computers.

Mr. Ford: There's no doubt in my mind that we have a great workforce here and together we can really push Alpha computers to a whole new level of success.

Mr. Ford: On the subject of the campaign let me ask you all a question. How do we define the perfect lap-top? Is it about affordability, quality, speed, reliability? What do you look for in a consumer? Well, I believe the answer lies in a combination of all of these elements.

Mr. Ford: Our campaign will really hammer home the point that the x420 is a state-of-the-art laptop for all of your computing needs. With our television campaign we hope to really reach out to a huge audience. **Mr. Ford:** We have a great ad campaign planned focusing on the fantastic USP's of the x420. We have hired one of the best PR companies to work with us on the campaign, and have already completed three separate TV adverts, all focusing on one key feature of the x420.

Mr. Ford: I'm excited to say that today, for the first time, we will unveil to all of you here the first of these advertisements!

Daily Life - High School Reunion (C0287)

A: I hate coming to high school reunions.

B: It will be great honey. We will get to see your old classmates and catch up to see how they have been doing.

A: Yeah I guess so. Oh look! There is Robert Matthews! Rob!

C: Hey Bill! Wow great to see you!

A: Likewise! It's been a long time! This is my wife Dorthy.

C: Pleasure to meet you. So Bill, how have you been?

A: Can't complain! We have 2 children who are in college and my business is going well. What about you?

C: Ah you know me! I am a dedicated bachelor. I never married although I do have a beautiful daughter with Mary, you remember her? We were high school sweetheart, didn't really work out between us, but I really can't complain either.

A: That's good. Have you seen Frank? I was hoping he would come tonight.

C: You didn't hear? Frank passed away last year.

A: Are you serious?

C: Nah! I'm just yanking your chain. He'll be here soon. I saw him just last week and he told me he would show up.

The Weekend - Getting A Tattoo (C0288)

A: I have made up my mind. I am getting a tattoo.

B: Really? Are you sure?

A: Yeah! Why not? They are trendy and look great! I want to get a dragon on my arm or maybe a tiger on my back.

B: Yeah but, it is something that you will have forever! They use indelible ink that can only be removed with laser treatment. On top of all that, I have heard it hurts a lot!

A: Really?

B: Of course! They use this machine with a needle that pokes your skin and inserts the ink.

A: Oh, I didn't know that! I thought they just paint it on your skin or something.

B: I think you should reconsider and do some more research about tattoos. Also, find out where the nearest tattoo parlor is and make sure they used sterilized needles, and that the place is hygienic.

A: Maybe I should just get a tongue piercing!

The Office - Presentation Series 7 - Handling Technical Problems (C0289)

Mr. Ford: Okay, so if we could dim the lights Jonathan, we can kick-off with the first TV advert. Please note that we are still in the early days with this advert, so it might seem a bit rough round the edges. Okay, so, just need to click this and the advert should pop up on the screen...

Mr. Ford: Hmmmmmm. Sorry about this. Bear with me a second. There seems to be a problem with the projector. Let me see. could you lend a hand a second?

Jonathan: It looks like the projector is not recognizing the computer. Let me check the connection a second... Well the connection seems okay, and the computer is running normally.

Mr. Ford: Okay. Sorry guys. Obviously a problem with the system. Let's just reboot and start over. Let's see if this resolves the issue.

Jonathan: Right, lets try again. No, still nothing Michael. There might be a technical issue with the projector. I think

maybe the projector has overheated. We might need to cool it down for ten minutes and start again. I'll call IT support to come over right now.

Mr. Ford: Okay guys. Unfortunately technical problems do crop up from time to time, don't they? But it's not a huge problem. In the meantime while the IT guys get to work on that I can talk a little bit more about the advertising concept and what we are looking to achieve overall with this campaign.

The Weekend - Buying Jewellery (C0290)

Shop assistant: Good afternoon, sir, is there anything I can help you with today?

Mark: umm... yeah! I'm looking for a nice gift to give my girlfriend. Our fifth anniversary's next Friday. Shop

assistant: Well, I would be happy to assist you in choosing the perfect gift for her. Is there anything particular that you have in mind?

Mark: No, not really... I'm completely at a loss.

Shop assistant: Well, you can give her a set of pearl earrings, or this beautiful heart-shaped pendant. What is her favorite gemstone?

Mark: That purple one. I'm sorry...I've never bought jewellery for anyone and I'm kind of nervous.

Shop assistant: Don't worry, we specialize in providing our customers a relaxed, pressure-free shopping environment. That stone is an amethyst. We have a range of beautiful amethyst pieces. Take a look at this bracelet. It's 18K rose-gold, studded with amethyst and blue topaz. It's a great statement piece.

Mark: Oh...wow. That's really pretty. Jess would love that. But...I was thinking of something a little more delicate, perhaps a necklace?

Shop assistant: We have this beautiful platinum pendant, or you could also get her a locket. You could also get her a timepiece—it's both glamorous yet functional. If you tell me a little more about your girlfriend, maybe I can help you find something for her. **Mark:** Jess? Well, she's very smart, and has a great sense of humor. She's very feminine...

Shop assistant: Perhaps you could give her a ring?

Mark: Well...actually...I was thinking about asking Jess to marry me...I've just been so nervous.

Shop assistant: Well sir, I believe your fifth anniversary is a great time to propose!

Mark: Okay, I've decided. I'm going to pop the question!
Shop assistant: Fabulous! We should look at engagement rings then! Now that's a whole other section.

Daily Life - Ordering Chinese Food (C0291)

Waitress: Hi, welcome to Happy Buddah! Can I get you anything to drink?

Manny: A Coke for me, please.

Andrea: I'll have a Sprite.

Waitress: Okay, I'll go get that for you. Are there any questions with the menu?

Andrea: Do you use MSG?

Waitress: No ma'am, we are MSG-free.

Andrea: Oh man, I haven't had Chinese food in so long! I want everything! This place has the BEST sesame chicken.

Manny: Yeah, I've been craving Chinese for such a long time. I used to get take-out all the time. It's definitely been a while. Let's start off with some crab rangoon.

Andrea: Ooh yeah, that sounds good. I think I'm going to get the sesame chicken with fried rice, a spring roll, and egg drop soup.

Manny: It's so tempting to order everything on the menu, it all looks so appetizing! I think I'll get General Tso's chicken, hot and sour soup, fried wontons, and white rice.

Andrea: Aren't you supposed to be on a diet? You should at least get brown rice.

Manny: I don't think so! I hate brown rice, and I'm so sick of eating healthy all the time. I've been eating so much salad I swear I've forgotten what meat tastes like! There's no better remedy than some nice, greasy, calorieladen Chinese food. I might even get an order of broccoli beef!

Andrea: Gosh, I'm so hungry! Let's call the waitress over!

The Office - Presentation Series 8 - Common Presentation Mistakes (C0292)

Mr. Ford: So as I mentioned previously the campaign advertisement will focus on those key elements that every consumer looks for in a quality **laptop:** affordability, quality, speed and reliability. We have pulled out all the stops to produce a product that really rivals all our competitors.

Mr. Ford: Actually, just to illustrate my point let me give you an anecdote here. I remember last year I was playing golf with one of our key suppliers. It was a lovely summer afternoon. Anyway, I invited our supplier for a game of golf, and wanted to get his input on the new x420.

Mr. Ford: Actually, I often get together with him for a good game of golf. It really is a wonderful way to relax. To be honest, I'm not that great at golf, but I have improved in the last few years. But the key to golf is practice, practice, practice. I've lost my thread. What was I talking about again?

Jonathan: I think you were discussing the campaign advertisement Michael.

Mr. Ford: Yes, excuse me. I'm afraid I got sidetracked there. Yes anyway, the campaign. Well, erm. let me see. Is the projector working yet Jonathan?

Jonathan: No sorry, IT are still fixing it.

Mr. Ford: Ahh okay, erm... all the information on the campaign is on the PowerPoint. I haven't actually got my notes with me...ermlet me see, erm.....

Audience Member: Mr. Ford, could you at least tell us the schedule for the campaign? When are the first advertisements scheduled for?

Mr. Ford: That's a good question. Unfortunately I erm...don't have that information on me. I will have to get back to you on that point.

Jonathan: Okay Michael, the projector is fixed. I think we're ready.

Mr. Ford: Thank goodness. Okay everyone, sorry for the delay. So without further ado the new x420 marketing campaign! Enjoy! oh ermmm. I'm terribly sorry, this is not the advert, this is my golfing holiday in Barbados. I think I must have brought the wrong file. Can we take five?

Advanced Media - Cheese Lovers (F0293)

A: Hello everyone my name is Laurie and I want to welcome you to this course. We will learn all about one of the oldest yet most delicious foods on this planet; cheese! Let's get started!

A: Cheese is usually categorized into four **types:** soft, semi- soft semi-hard and hard. The designation refers to the amount of moisture in the cheese, which directly affects its texture. Making cheese is an ancient practice, dating back thousands of years, and the home cheese maker can usually find recipes for cheese that falls into

any of the four categories.

A: Soft cheese includes cottage cheese, cream cheese, ricotta, brie, bleu, roquefort, mozzarella, meunster and similar cheeses. These cheeses generally pair well with fruit or meats, or can be used as breakfast cheeses in an omelette Nor as pasta fillings. They are usually mildly flavored and very high in moisture.

A: American, Colby, co-jack and similar cheeses are in the semi-soft category. These are slightly stronger in flavor and cover a wide range of uses. Co-jack cheese, a blend of Colby and Monterey jack is one of the most popular. This allows the sharper flavor of Colby to be combined with the milder jack cheese, and also melts better than plain Colby. Grilled cheese sandwiches often use American cheese, and Mexican cheeses such as Asadero and Queso Fresco are becoming more popular.

A: Hard cheeses include Parmesan, Romano, Asiago, Swiss, Gruyere and others. Parmesan and Romano are most familiar as the grated powder used to top spaghetti, but they are also used as accompaniments for fruit, wine, nuts and other appetizer items. Swiss is a popular sandwich cheese and melts well, unlike some other hard cheeses.

Daily Life - Picking A University (C0294)

A: I've never heard of AmLion College. Could you...

B: Of course sir, let me give you a brief overview. AmLion College is located in the center of New York city. The school covers a wide range of academic subjects; and eighty percent of the courses are transferable to other state universities. And, last year AmLion College was ranked number one in terms of graduate employment.

A: Interesting, and what about the tuition fees, then?

B: You'll be looking at somewhere around fifteen thousand US dollars per semester.

A: Okay, well.

B: And, did I mention our on-campus housing? Students can stay in our newly renovated dorms for as little as three thousand dollars per month!

A: Sounds good. Well. I'll just grab one of your flyers.

B: Sir, you got the wrong flyer. Sir, sir!

The Office - Presentation Series 9 - Summary and

Conclusion (C0295)

Mr. Ford: Right everyone. I apologize that I can't show you the marketing campaign today, but next week you will all have the opportunity to see it for yourselves, and I have no doubt that you will be impressed. Let me wrap up the presentation by summarising my key points.

Mr. Ford: As I mentioned at the outset, 2010 represents a key year for Alpha computers. The recession is hopefully behind us. It is clear to everyone in the computer industry that demand is booming, especially in the developing markets.

Mr. Ford: If we are to succeed in this ultracompetitive field then we really need to push forward and offer our customers products that meet their needs on all levels. As I hope I have illustrated, the x420 represents the kind of computer that can really satisfy those needs.

Mr. Ford: I gave you an idea of the kind of revenue we expect to hit in 2010 with the new x420 range, and believe me, this is really just the beginning. Once we establish the x420 in the market we have plans to continue to expand our range with ever more revolutionary and impressive products.

Mr. Ford: Alpha computers is dedicated to innovation and improvement. I really see no limit to our potential as long as we stick to the principles I stressed **earlier:** quality, excellence and service.

Mr. Ford: Before we move on to the Q and A section I'd really like to leave you with a quote that really sums up everything that we've discussed today, and hopefully it will provide you with the same inspiration that it gives me.

Mr. Ford: As the great Henry Ford once said "Quality means doing it right, when no one is looking" Well, in fact our customers are looking; they are looking for us to lead the way and to give them the quality that our competitors cannot. We cannot let them down!

Global View - Vegan Or Vegetarian? (C0296)

A: Hey Julie, you want to go grab something to eat?

B: Sure! What do you feel like having?

A: I really feel like having a big juicy steak!

B: Oh. ok. I don't eat meat, but that's fine, I am sure

wherever we are going they will have other options right?

A: I didn't know you were a vegetarian!

B: I'm not, I am a vegan.

A: A what?

B: A vegan. I don't eat or use any animal based products. I don't wear leather, eat eggs, drink milk or anything that comes from an animal. I used to be a pescatarian before, which basically means you don't eat meat, but still have fish and seafood.

A: Wow! That's interesting! It must be tough!

B: It's a bit difficult to find vegetarian friendly restaurants sometimes, but since more and more people are vegetarians or vegans nowadays, it's getting a bit less difficult.

The Weekend - Ordering At An Italian Restaurant

(C0297)

A: Good evening ladies. My name is Josh and I'll be your server tonight. May I take your order?

B: Do you have any recommendations?

A: Well, I personally like the chicken penne with cream mushroom sauce, but the prawn fettuccine is also very nice.

B: Hmm. I'd like to have the grilled chicken, but can I have spaghetti instead of penne?

A: Of course, mam. And for you?

C: I... ah..I'll have the horse tripe.

The Office - Presentation Series 10 - The Q and A

Session (C0298)

Jonathan: Well everyone, I'm sure you'd like to join me in thanking Michael for what was a really inspirational presentation. Sincere thanks

Michael. Jonathan: Now, I'm sure many of you will be keen to ask some questions, so I'd like to open it up a Q and A session. Please raise your hand if you have any questions at all. Janice, go ahead.

Janice: Yes thank you Jonathan. I would just like to go back to the comment Mr. Ford made in regards to our competitors, particularly Orange. Now as you know,

Orange has established themselves as the market leader in the high-end lap-top market.

Janice: How does Mr. Ford expect to compete with a company that has such a huge reputation and huge resources?

Mr. Ford: Well Janice, first of all, thanks for a very good question. I think you have hit the nail on the head actually. Orange are the global leaders precisely because of their size and power.

Mr. Ford: But, although we can't compete in terms of size I do believe we hold an advantage in terms of dedication to customer service. Yes, I admit this is a David and Goliath battle, but don't forget who won that contest.

Frank: Ermmm, Mr Ford. Could you elaborate on the actual technical details of the x420 a little more?

Mr. Ford: I'd love to but I think we are a little pressed for time right now. However Jonathan has all the technical specs for you on the powerpoint presentation, which you can look over in your own time.

Marcie: Mr. Ford. One final question. Would you like to join me for a game of golf this Sunday?

Daily Life - Returning A Product (C0299)

A: Hi I would like to return this TV.

B: Sure, do you have the receipt?

A: Yeah here you go. Actually I also want to return this keyboard.

B: Ok, may I ask what is the reason for returning these products?

A: The TV flickers a lot when I am watching a movie and at times the image is not very clear.

B: I see, and what about the keyboard?

A: I spilled some coffee on it and now it won't work.

B: I am sorry sir, but we can only exchange or refund defective products, we cannot take responsibility for misuse or damages.

A: Fine! I don't know why they make these things so delicate anyways.

Daily Life - Online Dating (C0300)

A: Do you want to hang out tomorrow?

B: Oh, I can't. I have a date!

A: Really? Wow with who?

B: This girl I've been chatting with for the past couple of months. She's really cool and she's driving over here this weekend.

A: Wait a minute, you mean you met her online?

B: Yeah! I signed up for a website called match. and it is great! You fill in all your details and preferences, like if you are a smoker or if you have any pets. Then you find people that have similar characteristics and you can email them or chat.

A: That is kind of weird! What if she is a psycho or something like that?

B: It's the same as meeting people anywhere and dating them! I am just tired of going to bars or being set up for dates by my friends! I think this is a really cool alternative, especially if you are a bit shy.

A: I guess it does seem logical. I'll have to check it out!

The Weekend - Vampires (C0301)

A: You want to go to the movies tonight?

B: Sure! What's playing?

A: The new Twilight movie!

B: Twilight? As in the vampire movies? No way I am watching that. I don't understand why everyone is so excited about these films about vampires. It doesn't make sense.

A: Of course it does. It's like a modern tale of Romeo and Juliet. You have a couple that is in love but can't be together because they are so different. Add in the fact that immortality and super human strength is really sexy and there you have it! Plus the cast is hip, young people that make the movie even more enticing.

B: I don't buy into that. I think it's just a fad. Pretty soon this will pass and everyone will be into werewolves or zombies!

Global View - Phobias (C0302)

A: Are you excited about your trip next month?

B: Yes and no. I can't wait to go to Europe, but at the same time I am terrified.

A: Why?

B: Well, I have aerophobia. I have a chronic fear of flying.

A: Oh really? I have an uncle who is also terrified of flying. It's not that bad though, I mean, it is pretty scary to

be in this big machine flying through the air at seven hundred miles per hour. I actually have arachnophobia.

B: You're scared of spiders? I actually have two more phobias. Acrophobia and glossophobia.

A: I guess that explains why you are afraid of flying, but public speaking is not that bad.

B: Are you kidding? When I get on stage, my palms start to sweat, I get really nervous and I can hardly speak.

A: Well, I must confess I am a bit claustrophobic. I hate being in an elevator for more than 5 seconds.

B: We are such weirdos right?

Daily Life - Mexican Food (C0303)

A: Hello sir, welcome to Pistolera restaurant. May I take your order?

B: Yes, I would like the chicken cheese enchiladas with a side of guacamole.

A: I'm sorry sir, but we ran out of chicken. May I suggest our delicious beef burritos or cheese quesadillas? Both include a side of guacamole and jalapenos.

B: Sure I'll have the burrito.. Do you have nachos?

A: Of course sir. Our nachos come with melted cheese and chili.

B: Sounds good.

A: Would you like anything to drink?

B: Sure, I'll have a Corona.

Daily Life - Neat Freak (C0304)

A: Ugg, this bathroom is a pigsty!

B: Helen, why do you keep flushing the toilet? What's wrong?

A: I just can't stand it. It's really gross in here! There's a stain on the toilet seat, and the floor was wet and slippery. So I cleaned it!

B: You did what? Helen, I know it's gross, but I've seen many public washrooms that are much worse. Why are you cleaning the counter top? are you out of your mind?

A: I can't help myself; it's just so disgusting in here!

B: Helen, this is not like your own bathroom. Just leave it to the cleaners, okay?

A: Hang on. I'm just gonna quickly wipe the sink and sweep the floor.

B: You're such a neat freak! I'm outta here!

The Weekend - Bowling (C0305)

A: Alright, so the first thing that you need to know about bowling is that you should never cross that line where the lane begins.

B: Why not?

A: Because they polish and oil it to make the ball slide down. If you step there you will slip and fall.

A: OK, so I got my bowling shoes, my ball, our names on the scorecard, so now, how the heck do I play this?

A: You throw the ball down the lane and try to knock down all the pins. If you do, that is called a strike. If you don't knock them all down on the first try, then you get a chance to get the spare. After ten frames, we add up the points and see who has the most. Three hundred is a perfect score, but very hard to get.

B: Got it! OK, I'm gonna give it a go. Oh no! My ball went in the gutter!

A: I told you, it's harder than you think. Now let a pro show you how it's done.

The Weekend - Pick Up Lines (C0306)

A: Let's go out tomorrow night. We can go to a bar and try to find you a girlfriend.

B: I don't think that's a good idea. I am just not good with approaching someone and starting up a conversation.

A: Maybe you just need a few pick up lines, you know, break the ice.

B: Pick up lines don't work!

A: Come on! You can just walk up to a girl and **say:** "If you were a booger I'd pick you first."

B: What? Come on! That's just lame! No girl would fall for that!

A: Fine, then you can **say:** "So there you are! I've been looking all over for YOU, the woman of my dreams!"

B: That's a good one! I think that's pretty funny.

A: Yeah, so you make her laugh, you make a fool of yourself a little bit and then you buy her a drink.

B: Ok, how does this **sound:** "I was so enchanted by your beauty that I ran into that wall over there. So I am going to need your name and number for insurance purposes."

A: Nice! Let's go!

The Office - Small Talk Series - Showing Interest

(C0307)

Tina: Hey Michelle, this is my friend James. He's visiting Shanghai from New York.

Michelle: Oh, hi James. Nice to meet you. So, uh, you visiting for business or pleasure?

James: Well, actually a little of both. I'm meeting some business contacts but I'm also taking some Mandarin classes too.

Michelle: That's cool! How's it going?

James: Well, I'm finding the classes pretty tough actually, but I'm having a great time in Shanghai. It's really an amazing city.

Michelle: It sure is. Are you staying for long?

James: Only two weeks unfortunately. I wish I could stay longer but.

Michelle: Well listen, if you need someone to show you the sights then just call me. I'm having a little get together at my new apartment next week so if you want to drop by then.

James: That sounds great. I'd love to! Let me take down your number Michelle.

Daily Life - Boxers and Briefs (C0308)

A: Lily, I found a pair of men's boxers in the laundry machine this morning!

B: What?! That's weird. Are they your boyfriend's?

A: Nah, Kevin only wears briefs. Plus, this pair is extra small!

B: What do they look like?

A: They're light blue with thin pink stripes... Oh, and there's a Snoopy on it which is hilarious, hahah...

B: Those are my undies!

Global View - Indian Food (C0309)

A: So where is this mystery restaurant that we are going to?

B: It's an Indian restaurant! I know you have never had Indian food, so I thought you might want to try.

A: That sounds great! I am craving some type of beef dish.

B: Well, Indian cuisine actually doesn't serve beef. You see, cows are a sacred animal, a very important element in the Hindu religion, so beef is not eaten.

A: I see, so what are we having? Chicken?

B: There are many amazing dishes to choose from. We can have some chicken tikka masala which is an amazing curry. It's a bit spicy, but I think you can handle it.

A: Sounds good! I have always heard that Indian spices give a rich flavor to food.

B: Yeah. Also, we can have some Naan bread which is baked in a tandoori oven. Since you don't use any utensils to eat, you can use this bread to scoop up the curry or rice.

A: What about veggies?

B: They have a good variety of vegetable based dishes like palak paneer, vegetable samosas or Daal.

A: It all sounds exquisite! I can't wait!

The Office - Small Talk 2 (C0310)

James: So Michelle, let me introduce you to Maria. She's my colleague from Brazil. Maria, this is Michelle.

Maria: Hi Michelle. So what do you do here in Shanghai? I mean, what work do you do?

Michelle: I work in advertising right now. How about you?

Maria: I'm actually in the wine business.

Michelle: That sounds really great. I love wine myself! Is this your first time to Shanghai Maria?

Maria: No actually, I often visit. I usually come to China for business at least once a year. Also, I love the restaurants in Shanghai, so that's a good reason to come.

Michelle: Me too. Actually, there's a great Brazilian restaurant I recommend. I mean, the food is delicious but the service isn't so good. I often like to get together with friends and have a great barbecue there.

James: We should go together some time.

Michelle: Wonderful idea! I'd love that!

The Office - Sorry I'm Late (C0311)

C: Forget it, I'm ordering for you. I'll have a Scotch on the rocks and my friend here will have a Manhattan. Put it on my tab. Here now this is a real drink!

The Office - Sending A Quote Via Email (C0315)

Tracy: Melanie, can you help me with something? We need to finalize the account with the Mexican Embassy and, I need some advice on phrasing this letter correctly in English.

Melanie: Sure Tracy, let me just get my laptop. all set.

Tracy: Okay, so, to Whom It May Concern, I am writing.

Melanie: Um, Tracy? I think that's a little too formal. I know you want to be polite but you've already made contact with them, so in English you can be more relaxed in the opening. . . .

Tracy: Okay, more relaxed. Got it. . . . Hey Sally, what's up? It's Tracy here, just.

Melanie: Okay Tracy, now it's too relaxed! You've still got to show some respect. How about starting with "Dear Ms. Cooper, I'm writing to confirm. . . ?

Tracy: Great, okay. "Dear Miss Cooper, I'm writing to confirm the final quotation for the full page back cover color advertisement you requested for the spring issue of Voila magazine.

Melanie: That's great. . . .

Tracy: "The final costing, including advert design and production, comes to forty-five thousand six hundred RMB. We want payment ten working days before publication or we will cancel the ad. Thanks for. . ."

Melanie: Woo, okay back up a second Tracy. That's too direct. Can I suggest you say, "please note that final payment is due two working weeks before publication? You don't want to offend her.

Tracy: Oops okay. You are right. Then I can just end with "All the best, Tracy"

Melanie: Hmmm, maybe, but I'd play it safe and just finish with "Yours Sincerely". That's more professional.

Tracy: Oh, Melanie you are a life saver, thank you!

Daily Life - Small Talk Series 4 - Discussing Recent

Work events (C0316)

Jeremy: Hi Michelle. Do you need to use the photocopier?

Michelle: Oh hi Jeremy. No please, go ahead. So how are you Jeremy? I was talking to Linda about you only last week.

Jeremy: Oh I'm fine thanks. I'm super busy with work actually. Did you hear about the Lawson contract?

Michelle: No, tell me more.

Jeremy: Well, I was discussing the contract with Bill and he said that they met the head of Lawsons last week.

Michelle: And.

Jeremy: And hopefully they are going to confirm the deal on Wednesday, fingers crossed

Michelle: That's great news Jeremy. Congratulations! Anyway, I must get back, but give my regards to your wife Monica.

Jeremy: I will Michelle. Speak to you soon.

The Office - First Paycheck (C0317)

Emily: Hey, Susan. Have you got a sec? I have some questions about my paycheck.

Susan: You bet, Emily. Pull up a chair.

Emily: Well, this is my first paycheck here in the States and there are a few things I don't understand. First off, what is this FICA, and SUI Y tax, and why are there deductions both for Medicare and for my health insurance plan?

Susan: OK, let's start from the top of your pay stub. This number here represents your gross pay.

Emily: Yes, that's easy enough to understand.

Susan: Then here we have a series of deductions. First off are the federal ones. FICA stands for Federal Insurance Contribution Act, or something like that. It's your federal income tax. And then there's Social Security and Medicare, which are both federal programs to help you out after you retire or if you were unable to work.

Emily: All right, I see. So the Medicare isn't actually a health insurance I can use now.

Susan: That's right. Below the federal deductions are the state deductions. There's the state income tax, and then this SUI SDI tax you were asking about is paying into an unemployment and disability fund that our state has set up, but you can see it's a pretty small quantity that they take.

Emily: Yeah, I don't mind giving them a dollar fifty for that. So there are two separate income taxes – one at a state level and one at a federal level?

Susan: That's right. Not all states have an income tax. Some use higher property taxes or sales taxes instead.

Emily: I see. All right, well I think everything else I can figure out on my own. The deductions for health insurance and my 401(K) are pretty self-explanatory. Thanks for your help, Susan.

Susan: No problem! All those deductions do add up, and nobody's net pay is as high as they'd like. I can understand why you'd want some explanation.

Emily: Yeah, I guess it's the same in the UK, I just never paid much attention. See you later!

Global View - Allergies (C0318)

Jim: Argh...I feel terrible, I keep sneezing and my eyes are all watery, what's wrong with me?

Tom: Wow, you're not dying are you, it looks like you have a cold, you should take some medicine.

Jim: I don't think it's a cold, I feel fine if I move a few feet away from my desk.

Tom: Maybe we should put you into quarantine ha ha, jokes aside, I think you might have an allergy.

Jim: An allergy? I never thought about that, I don't think I'm allergic to pollen though and I'm desensitized to bee stings after being stung so many times, Hmm..

Jim: Ow! Why did you chuck that peanut at me? **Tom:** Just checking if you're allergic to peanuts, I guess not.

Jim: Not funny! I could have gone into Anaphylactic Shock.

Tom: Okay my bad, how about dust? This office is full of it.

Jim: Yes the whole office is dusty yet I only feel affected near our desks!

Cat: Meow meow meow

Jim: You brought your cat into the office?!

Tom: Yes, it's Mr Snuffle's birthday today, I didn't want him to be alone on his special day!

Jim: ACHOO! Argh put it away ACHOO!

Tom: I guess we found the problem, your allergic to cats!

Daily Life - Small Talk 5 - Brief Talk With A Stranger (C0319)

Michelle: Yes, it sure is. I had to run here from work! I need to rush as I'm on my lunch break.

Older gentle- man: Well please, why don't you go ahead of me in line? I'm in no hurry.

Michelle: Oh, that's so nice of you! Thank you very much.

Older gentle- man: My pleasure Miss. Actually, could you recommend what to eat here? I've never been here before.

Michelle: Sure. Well, the avocado sandwich is delicious, and it's the healthiest thing on the menu. Personally, I think the beef salad is the tastiest choice. I usually get that. Also, the milkshakes are the best milkshakes in town!

Older gentle- man: Well, thanks for the suggestions.

Michelle: Oh, don't mention it.

Global View - Taking The GMAT (C0320)

Ash: I can't seem to progress up the career ladder no matter how hard I try and I have been here for 2 years already!

Mindy: Well, have you thought of getting an MBA? I heard it does wonders in getting you to the top.

Ash: An MBA hey. . . well my degree wasn't in business, the business schools won't be interested in me.

Mindy: Nonsense! The business schools measure your ability through a test called GMAT.

Ash: GMAT? What does that stand for and what will the test contain?

Mindy: Graduate Management Admission Test, it contains three parts; Analytical Writing Assessment, the Quantitative section, and the Verbal section. Not only does the test mark you on the number of questions answered but also on the difficulty.

Ash: Okay this sounds a little tough, how am I supposed to practice for this?

Mindy: Up to you, you could have a one on one session with a tutor or group sessions, you can also use free or private computer software. Going to church might help as well!

Ash: No matter what I do I'm going to ace this test and go on to become a corporate fat cat!

Mindy: Umm.. . That's the spirit!

Global View - Thai Food (C0321)

A: What did you cook?

B: Well, as you know I was in Thailand last month, and I took a cooking class! So I prepared some of my favorite dishes.

A: Great idea! As long as I don't get food poisoning! So what is on the menu tonight?

B: Ok, for starters we have Tom Yam soup. It's a bit spicy, but really good!

A: This is delicious! The ginger and lemongrass really gives it a nice taste!

B: Now this next dish is one of the most famous. Foreigners call it papaya salad but the proper name is Tom Sam. It is a spicy salad made from a mix of fresh vegetables including shredded unripened papaya and tomato.

A: This is delicious! The combination of sour and spicy is really interesting! I could have this everyday!

B: Ok, now for the last and best dish in my opinion. This is called Pad Thai. It's stir-fried noodles with eggs, fish sauce, tamarind juice, red chili pepper plus bean sprouts, shrimp and tofu and garnished with crushed peanuts and coriander. It's practically Thailand's national dish!

A: Wow, this is great! I never knew Thai food was so

creative and delicious!

B: Wantsome more?

A: I'm stuffed!

The Office - Small Talk 6 - Talking About Yourself

(C0322)

Michelle: Excuse me, is this seat taken?

Stranger: Do you work in Shanghai?

Michelle: Yes I do. How about you?

Stranger: No, I'm a tourist. This place is amazing! It's much bigger than I imagined, and much more exciting! There's so much to see here.

Michelle: You can say that again! It's much more modern than people imagine. Where are you from?

Stranger: Um, well let's see.....I'm from Kansas originally. A much quieter and more peaceful place than here, that's for sure!

Michelle: Uh huh....

Stranger: But I'm living in Paris right now.

Michelle: Oh Paris! Wonderful, I'd love to visit some time!

B: Cancelled! So what am I supposed to do now?

A: We apologize for any inconveniences that may be caused by this. If your flight is urgent, I can put you on a waiting list for another flight this evening, but it's on a first come first served basis, so there is no guarantee that you will be able to take that flight.

A: If you can wait until tomorrow, we will put you up in a hotel for today and you can take scheduled flight for tomorrow morning.

B: That's fine. I'll do that then.

A: Thank you for your understanding sir. I will book your

flight now.

Global View - Thanksgiving Dinner (C0324)

A: So what are you doing for Thanksgiving?

B: Not much really. It's more of an American tradition, so back home we don't really celebrate it. In fact, I am not even sure of what exactly is being celebrated!

A: Well you know, it's a time to get together with all your family and be thankful for everything!

B: Yeah but, how did this holiday come to be?

A: Well, the first settlers of Massachusetts arrived there because of religious persecution from England and King James. Once in the New World, they befriended a native named Squanto, who taught them how to harvest food from the area such as corn.

B: Interesting! I am amazed how big and delicious thanksgiving dinners are!

A: Come to my house for Thanksgiving! We are having turkey, pumpkin pie, mashed potatoes with gravy, and lots of stuffing!

B: Count me in!

The Office - Small Talk 7 - Talking About A Trip (C0325)

Jim: Hey Michelle. Good to see you. Are you at lunch?

Michelle: Oh hi Jim. No I just got back. I thought you were on vacation now.

Jim: No, I wish I was! I just got back from Spain actually.

Michelle: Oh wonderful! Have you been there before or was it your first time?

Jim: My first time. I've traveled around Europe a lot, but this was my first time to Spain. It was amazing, and the weather was just beautiful! No rain, and just sun, sun, sun....

Michelle: I'm so jealous of you. I've never been anywhere in Europe. I've always dreamed of traveling around and seeing the sights.

Jim: Well, I really recommend Spain. You really should go. Anyway, it's been great to catch up, but I must be going, this is my floor. Speak again soon I hope.

Michelle: For sure. Take care.

Daily Life - Report Card (C0326)

A: Look, Jimmy's report came today.

B: Let's have a look. What is this? Where are all the grades?

A: He's in the third grade Sam! You see under each subject that he is being taught in school, he receives a mark from one to three. A one means his achievement or work is excellent. Here in Science for example he got a two, which means its satisfactory.

B: What about here in physical education?

A: He got a three here which means it's unsatisfactory. We should work on that with him.

B: So confusing! In my day we got an A or B if we were doing well and if we failed an exam we would get an F!

Daily Life - Buying A Pair Of Jeans (C0327)

A: Excuse me, can I try on this pair of jeans?

B: Sure. Let me see... I'm afraid we don't have any size eights left.

A: What are you talking about? I'm always a size four. Here, I'll try these.

B: They seem a bit too tight. Shall I find you a larger size?

A: No, they fit fine! They show off my curves perfectly!

B: Yeah, your love handles. Yeah, they sure do, although... here, you forgot to close this button.

A: Yeah right, I'll do it now...

The Office - Small Talk 8 - Talking About Work (C0328)

Mr. Camp-bell: Ah Michelle hi. I was hoping to see you. How have you been? How's the family?

Mr. Camp-bell: I'm fine thanks. I got your report this morning. Thank's for that. Are you joining the conference today?

Michelle: Yes, I'm leaving at four pm.

Mr Camp-bell: Good, well we can discuss this more then, but I think the figures are looking very good for this quarter.

Michelle: Yes, me too.

Mr Camp-bell:I'm planning to discuss the advertising budget at the conference. I don't think we should continue with the TV advertising.

Michelle: No, me neither. It's far too expensive.

Mr. Camp-bell:Well, let's discuss this more at the conference. Maybe we can share a taxi there.

Michelle: Yes, sure.

A: Great! I'll make an appointment!

B: Hi! Let me get a dozen croissants, four blueberry muffins and a loaf of sourdough bread.

A:Sure. Would you like to have the loaf sliced?

B: No, that's OK. Do you have any whole wheat bread?

A: We are out at the moment. May I suggest some rye bread?

A: We have various birthday cakes and also ice cream cakes.

B: I'll just take a cheesecake.

A: Will that be all?

B: Yes.

A: Your total is forty three dollars and twenty cents.

The Weekend - Fortune Telling (C0330)

A: Look at this newspaper article about this famous local medium. It says that she is really gifted and so popular now, that she is booked solid with appointments for the next twelve months!

B: You don't really believe in all that hocus pocus mumbo jumbo do you?

A: Well I have had many friends that went to a psychic and got their palms read and most of the things the psychic told her came true!

B: Of course it does! They tell you general and obvious things like that you will be successful or have a big house. I think most of the times they are just scam artists.

A: Well historically it is a practice that many cultures share. Reading the tarot cards, in the east they would even read tea leaves! I even heard that there are people that make you smoke a cigar, and then read your ashes.

B: All superstitious nonsense! I would still like to go to one and see what he or she has to say, just for kicks.
